RE: Request for a CB 10 Letter of Support

Ms. Brown-Simmons:

Thank you for bringing this to our attention. We absolutely support HCCI and value the work that you all do for our community, however, due to the short notice, we are not able to turn this resolution around in time for the Monday deadline. The City Charter and our by-laws do not allow us to approve a resolution that has not been adopted by a majority of the Board, and since we are currently in summer session, we are not able to schedule a special meeting in time for the Board to consider this request.

I appreciate the efforts you made to craft a resolution for our convenience. If there is any other way that we can be of service, please let us know.

Sincerely,
