COMMUNITY AWARDS APPLICATION

The Community Board 10 Community Awards Application will honor a community resident or business with a CB 10 Community Service award on a monthly basis. The awards are intended to recognize volunteer work in the community, our schools and in service to fellow Harlem residents. The awards are not intended for those who, in the course of their traditional occupation serve the community (politicians, CB 10 board members, etc.), but for those who perform their good deeds purely out of volunteerism and civic duty. Whatever the endeavor, big or small, CB 10 intends to recognize local Harlem residents and applaud their good deeds. If you know of an individual or business that fits this description, please complete this nomination form to have them considered for an award.
