Manhattan Borough Commissioner  
Department of Transportation  
59 Maiden Lane  
New York, New York

To Commissioner Margaret Forgione,

Community Board #10 supports Department of Transportation proposal for traffic improvement in the area surrounding Marcus Garvey Park.

We concur with Community Board #11 and the Mount Morris Park Improvement Association that the changes will eliminate double turns at various locations, create new plaza space along the park, add new cross walks and improve the pedestrian environment.

We look forward to partnering with DOT on future projects in the area.

Sincerely,
