### Re: **Resolution regarding the Closures at Five Subway Stations in Washington Heights in Connection with Elevator Replacements Projects**

Dear Governor Cuomo:

At the General Meeting, Tuesday, January 22, 2019 Community Board 12 Manhattan, passed the following resolution with a vote of 34 in favor, 2 opposed, 3 abstention, calling upon Governor Cuomo and the MTA to work together to arrange for an independent review of the MTA's plan for the replacement of the elevators at five subway stations in Washington Heights, and increasing ADA accessibility to the platforms; and calling upon the deans of the engineering schools at Columbia and Cornell universities to assist in this independent review of the MTA's plan.

**Whereas:** The MTA closed the 168<sup>th</sup> Street station on the #1 line as of January 5, 2019 for one year to facilitate the replacement of the elevators that serve that station; and

**Whereas:** The MTA also plans to replace the elevators at four other stations in Washington Heights over the next three years and likewise to drastically limit access to those stations – and in one case, close the station entirely – while this work is underway; and

**Whereas:** While upgrading the elevators is very important and much appreciated, closing these stations or the entrances used by people who live in the higher elevations on both sides of Washington Heights will disrupt the lives of tens of thousands of residents, employees, students, visitors and others, and seriously diminish the quality of life for people in this community for an extended period of time; and

**Whereas:** Governor Cuomo recently intervened in a somewhat similar situation regarding the planned 15-month shutdown of the L train between Manhattan and Brooklyn, and after consulting with the deans of the

engineering schools at Columbia and Cornell universities and others, developed a plan that will avoid the complete shutdown of the service between the two boroughs; and

**Whereas:** This positive outcome showed that it is could be very helpful and in the public interest to have an independent review of the MTA's construction plans by outside experts; now, therefore, be it

**Resolved:** Community Board 12-Manhattan calls upon Governor Cuomo and the MTA to work together to arrange for an independent review of the MTA's plan for the replacement of the elevators at the five subway stations in the hope of reducing its disruptive impact on our community and to increase ADA accessibility to the platforms; and be it further

**Resolved:** Community Board 12-Manhattan calls upon the deans of the engineering schools at Columbia and Cornell universities to assist in this independent review of the MTA's plan.
