Whereas in 2006, NYU committed to a public and transparent process for their strategic plan for growth, NYU 2031; and

Whereas Borough President Stringer convened the Community Task Force on NYU Development and CB2 participated as an active member from its inception, and

Whereas the Task Force issued a set of findings and recommendations in March 2010 that outlined the community's priorities, and

Whereas the University's response to the Task Force recommendations leaves a number of unanswered questions; and

Whereas the formal public review process is beginning and CB2 and the larger community requests more information from the University.

Therefore be it resolved, CB2 thereby endorses the Task Force findings and recommendations; and

Be it further resolved, CB2 requests that NYU provide us with a point-by-point response to the Task Force recommendations and questions.
