- viii. **Whereas**, despite there being questions on whether there are 3 licensed premises within 500 ft, the Applicant has executed and has had notarized a Stipulations Agreement with Community Board 2, Manhattan that they agree to abide by and will submit to the NYSLA and agreed would be attached and incorporated into the method of operation of the On-Premises Bottle Club Liquor License with those stipulations as follows:

Dear Sir/Madam:

At its Full Board meeting on December 20, 2022, Community Board #2, Manhattan (CB2, Man.) adopted the following resolution:

### 5. **Wegman's Food Markets, Inc., 770 Broadway 10003** (OP–Restaurant)

- i. **Whereas**, the Applicant and Applicant's Attorney appeared before Community Board 2, Manhattan's SLA Licensing Committees #1 via video conference to present an application to the NYS Liquor Authority for a new On-Premises Restaurant Liquor License to operate a restaurant on the ground floor of a C6-2-zoned, 15-story commercial building (c. 1903 and 1907) on Broadway between Wanamaker Place and East 8<sup>th</sup> Street (Block #554/Lot #1), the building falling within NYC LPC's designated NoHo Historic District; and
- ii. **Whereas**, the ground floor restaurant space is roughly 2,637 sq. ft. and is located within the food market immediately adjacent to the main entrance for the food market; there will be approximately 33 tables and 76 seats, one (1) bar with eight (8) seats and one (1) sushi bar with ten (10) seats for a total seated capacity of 94 seats and proposed occupancy of 110 persons, the Applicant intending to apply for a Public Assembly permit; there is one entrance used for patron ingress and egress accessed from the inside the food market and one (1) additional emergency exit; there is one (1) bathroom in the restaurant with patrons having additional access to the restrooms in the grocery area; the store front infill being fixed without operable doors or windows that open out to the sidewalk; there is no outdoor seating on either the sidewalk or roadbed operating under the temporary Open Restaurants program; and

- iii. **Whereas**, the Applicant's agreed to hours of operation are 10:00 AM to 11:00 PM Sundays through Saturdays; music will be ambient recorded music only, there may be occasional acoustic live jazz but music will remain at background levels at all times; there are no televisions; there will be no dancing, no DJs, no scheduled performances, no cover fees or promoted events, no velvet ropes or metal barricades; and
- iv. **Whereas**, the application as initially presented indicated closing hours for the food market of 11:00 PM daily, with the proposed restaurant closing at 1:00 AM Sundays through Thursdays and 2:00 AM Fridays and Saturdays; while there was much support from both the committee and community for the Wegmans food market, concerns were raised regarding the logistics of closing the restaurant later than the food market, of particular concern was bathroom access, there being just one (1) bathroom / stall in the restaurant itself for an occupancy of 110 persons which is in contradiction of the NYSLA requirement that there be at least two (2) bathrooms; additional concerns were the logistics of closing the food market itself but leaving the main entrance open for patrons to access the restaurant entrance, there being no direct access to the restaurant from the street; additional concerns were raised regarding the late night operating hours for the restaurant, the restaurant being an accessory use to the food market and the public interest in having the restaurant open while the market was closed with there being 28 active licenses within 750' of the proposed premises to be licensed seemed negligible and potentially harmful to those already established businesses; and
- v. **Whereas**, members of both the committee and the public also commented on their disappointment at the loss of the subway entrance that was located on the interior of the premises when Kmart occupied the premises, the Applicant explaining it was logistically not possible to keep due to the layout of the food market and related check-out counters, that there was an entrance directly across the street that they felt was sufficient; and
- vi. **Whereas**, this application being subject to the 500 foot rule requiring the Applicant to demonstrate that the public interest would be served by adding another liquor license at this location, there being 28 active licensed premises and three (3) pending within 750 feet of the subject premises, the Applicant agreeing to closing the restaurant at the same time or earlier than the market and executing a stipulations agreement with Community Board 2 Manhattan for the sole purpose of establishing public interest, the stipulations being attached to and incorporated into the license, limiting its method of operation on the On-Premises Liquor License for this purpose, as follows:
  - 1. Premise will be advertised and operated as a full-service restaurant, specifically a seafood-forward restaurant serving sushi and sashimi in addition to vegetable-forward appetizers, dim sum, noodle dishes and other diverse items with the kitchen open and full menu items available until closing every night.
  - 2. The hours of operation will be 10:00 AM to 11:00 PM Sundays through Saturdays and will close no later than the food market. No patrons will remain after stated closing time.
  - 3. Will not operate as a Tavern or Sports Bar or allow any portion of premises to be operated in that manner.

4. Will not operate a backyard garden or other outdoor area for commercial purposes including any sidewalk café and/or roadbed seating operating under the Open Restaurants program.
5. Will play quiet ambient recorded background music only. There may be occasional acoustic live jazz but music will be at background levels at all times. No music will be audible in any adjacent residences at any time.
6. Will not have any televisions.
7. Will close all doors and windows at all times, allowing only for patron ingress and egress.
8. Will not install or have French doors, operable windows or open facades.
9. Will not make changes to the existing façade except to change signage or awning.

Director  
Licensing Issuance Division  
NY State Liquor Authority 163 W. 125th Street  
New York, New York 10027

Dear Sir/Madam:

At its Full Board meeting on December 20, 2022, Community Board #2, Manhattan (CB2, Man.) adopted the following resolution:

**28. 232 14th Street, LLC d/b/a Between Us, 232 W. 14th St. 10014 Cellar & Sub-Bsmt. 10011 (New OP-Restaurant/Tavern with Rear Yard)**

**i. Whereas,** the Applicants and the Applicant's Attorney appeared before Community Board 2, Manhattan's SLA Licensing Committee to present an application to the NYS Liquor Authority for a new On-Premises Liquor License to operate a restaurant in a semi-sub surface storefront within a five-story mixed-use tenement style building (c. 1900) on West 14th Street St. between 7th and 8th Avenues in Greenwich Village; and

**ii. Whereas,** the ground floor storefront proposed to be licensed was previously operated as a restaurant known as Crooked Knife, the storefront being roughly 2,700 sq. ft. consisting of a 1600 sq. ft. below grade ground floor and 1100 sq. ft. subbasement, the subbasement being for storage, boiler, and office uses only, there is no patron use of the subbasement, the interior storefront having a full service kitchen with 21 tables with 53 patron seats, one (1) seventeen foot stand up bar without any designated bar seating for a total seated patron occupancy of 53 seats; the premises has one (1) entry/exit with an exterior staircase leading down from the public sidewalk which serves as the only patron ingress and egress and one (1) bathroom; and

**iii. Whereas,** the Applicants also seek to operate in a large rear yard space from the interior storefront through a single rear doorway and staircase, the applicant indicating the unmeasured

rear yard is roughly 1500 sq. ft., with 12 large picnic style tables and 52 exterior patron seats, the rear storefront also having a row of operable casement windows that open out into the rear yard; and

**iv. Whereas,** the proposed hours of operation are from 4:00 PM to 4:00 AM Monday through Friday and from 11:00 AM to 4:00 AM on Saturdays and Sundays, and for the exterior rear yard the proposed hours are from 6:00 PM to 12:00 AM Monday through Friday and from 11:00 AM to 12:00 AM on Saturdays and Sundays; music for the interior will include live music and live DJs on the weekends but despite the live music and DJS the applicants insist that music levels will be quiet background only, with the live music being acoustical jazz music without amplification, and there will be no dancing, no promoted events, no scheduled performances or cover fees; and

**v. Whereas,** the applicant provided a certificate of occupancy for 232 West 14th St. from 2018 which did not state nor permit eating and drinking use or occupancy to the exterior rear yard and placed a maximum capacity for the interior sub grade cellar level storefront at 64 persons, with concerns being raised as to the sufficiency of the emergency egress from the rear yard and premises to be licensed through the individual doorways and stairwells located at both the front and rear of the premise proposed to be licensed, with the proposed occupancy being in excess of that permitted, there also being no public assembly permit being presented demonstrating the proposed occupancy was reviewed by the NYCFD; and,

**vi. Whereas,** residents living adjacent to and directly exposed to the premises and rear yard proposed to be licensed appeared on this application opposing the use of the rear yard, explaining that during the COVID pandemic the predecessor restaurant in the same space (the Crooked Knife) tore down a fence separating the two rear yards of 232 West 14th St. and the neighboring building at 234 West 14th St., and without filing any alteration to its existing license with the NYSLA, or seeking permission from the NYC Department of Buildings, had placed tables and seats in the adjacent rear yard and was using both rear yards for eating/drinking and the of service alcohol, with such use and occupancy being in derogation of the terms of its liquor license, while also creating significant intrusions of noise and privacy to their quality of life, with their bedrooms and living quarters facing a rear donut consisting of numerous residential buildings, all of which are exposed to the use of the large rear yards belonging to both these two buildings (232 and 234 W. 14<sup>th</sup>) with the prior operators also having left their windows open in the rear, playing excessively loud music creating further, unreasonable intrusions on those living in the immediate rear donut, the applicants indicating that the ownership of the two buildings are by the same ownership entity; and,

**vii. Whereas,** this application being subject to the 500 foot rule requiring the Applicant to demonstrate that the public interest would be served by the addition of another late night license establishment at this location, the immediate area already being greatly saturated with late-night drinking establishments and liquor licenses, there being 50 active on premise liquor licenses within 750 feet of the location proposed to be licensed, with 4 additional pending licenses, the proposal of operating until 4 AM being inconsistent with the Applicant's statements and application that it seeks to operate as a full service restaurant, the use/occupancy of the rear yard for eating and drinking not being allowed, with valid concerns having been raised as to patron occupancy levels which must include patrons eating/drinking in the rear yard, as well as emergency egress to and

though multiple single doorways coupled with staircases on either sides of those doorways, the Applicant not willing to withdraw the rear yard from the instant application, or operate with more appropriate hours consistent with that of a full service restaurant, with this particular block already being greatly saturated with late night licensed establishments; and

**THEREFORE BE IT RESOLVED** that Community Board 2, Manhattan recommends denial of the application for a new On Premise Liquor License for **232 14th Street, LLC d/b/a Between Us, 234 West 14<sup>th</sup> Street Cellar & Sub-Bsmt. 10011**; and,

**BE IT FURTHER RESOLVED** that should this application be considered by the SLA, CB2, Manhattan respectfully requests that this item be calendared to appear before the Full Board of the SLA; and,

**BE IT FURTHER RESOLVED** that if this application is considered by the SLA, despite CB2, Manhattan's recommendation to deny this application, CB2 requests that the SLA conduct a 500-foot hearing.

**Vote:** Unanimous, 39 Board Members in favor
