EXECUTIVE COMMITTEE RESOLUTIONS

AUGUST 2023

LANDMARKS

1. *1 Bond St.– Application is to replace windows on the alley side of the building and install additional transom windows.

The applicant did not appear as scheduled for the hearing and therefore there is no recommendation concerning the application. The applicant must appear for a public hearing before the CB2 Landmarks Committee prior to the consideration of the application by the Landmarks Commission.

2. *110 Greene St. -The application is to replace infill at the ground floor.

Whereas:

- A. The existing condition is a central entrance with glass doors to the retail store flanked by plate glass windows and more elaborate entrances to the right and left of the central bays; and
- B. The proposed windows and the central door are full height glass. Behind the window is a ceiling suspended box that houses shades, roll down gates and conceals the interior ceiling.
- C. Discreet signage is 18” high and in keeping with the building,
- D. The north entrance door is not part of this application, and the south entrance is to be converted to a show window that is essentially replacing the door with plate glass and is easily reversible; and
- E. The non-historic sign boxes on either side of the south door are to be removed; now

Therefore be it resolved that CB2, Man. recommends **approval** of this application which minimally changes the existing condition and preserves the architectural integrity of the building.

Vote: Unanimous, with 13 Executive Committee members in favor.

3. *92 Horatio St. – Application is to apply new brownstone stucco facade at the entire ground floor, install new wood entry doors in the existing opening and replace existing window security grilles.

Whereas:

- A. The corner building is comprised of five buildings, originally with commercial space on the ground floors, and now a completely residential building with unified façades: and
- B. The ground floor current condition is shorn of its detail and the ground floor windows are of random size and rhythm resulting from the conversion from commercial to residential use, and there is an undistinguished entrance door; and

C. The ground floor is proposed to be smooth grayish stucco and gives the appearance of a separate base imitating a stone (with no scoring) other than brownstone, when a brownstone-like finish would both better serve the applicant's stated intention of unifying the façades and be more in keeping with the district and suitable to the building's color and style; and

D. The proposal organizes numerous larger windows with simple security grills in an agreeable configuration with modifications on the secondary facade recalling the commercial use of the ground floor; and

E. The proposed plain entry door is in mahogany veneer and lacks the detailing that would make it more in keeping with the building's existing detailing on the upper floors and neighboring buildings; and

F. Missing headers are to be replaced and are designed after existing headers on the upper floors; now

Therefore be it resolved that CB2, Man. recommends:

A. **Approval** of the ground floor windows, security grills, and the replacement of the headers; and

B. **Denial** of the stucco coating unless it is of a brownstone color and tooled in a traditional manner to suggest actual brownstone in keeping with the style of the building; and

C. **Denial** of the entry door unless it has detailing suitable to the style of the building.

Vote: Unanimous, with 13 Executive Committee members in favor.

4. *338 W. 12th St. – Application is to reduce the existing 4th floor, construct a new rooftop stair bulkhead and mechanicals, construct a one-story rear yard extension and to alter the rear façade, excavate and alter within the horse-walk.

Whereas:

A. Work on the front façade - notably masonry, stoop, windows is considered by Commission Staff; and

B. The stoop was removed in the distant past and was restored in 2004; and

C. The horse walk gate is to be retained and to have a dark wall installed 2'6" behind the gate which the applicant represents will not be noticeable to the passerby; and

D. The areaway is to be lowered to provide proper entrance below the stairs and causes no harm to the appearance; and

E. There are alterations to the existing non-visible rooftop addition and bulkhead with change in volume at the rear, and windows in the front preserve its non-visible condition; and

F. The rear facade brick is considerably degraded, likely from crude removal of a coating, and is to be restored in the parts that are not replaced by the extension; and

G. The basement and parlor floors have modest wooden extensions somewhat recalling a two-story tea porch with windows and doors that are within the width of the three original windows and are divided into three sections, recalling the original punched windows; and

H. The cellar and garden are to be excavated and the garden area rebuilt lower to align with basement level, and the excavation, as proposed, abuts the adjoining houses on each side of the cellar and rear buildings in the adjoining gardens; and

I. The application was deficient in that no detailed designs for the excavation and no engineering studies were provided concerning the excavation and the critical matter of underpinning of the adjoining houses and rear garden buildings, and the applicant's vague representations concerning the excavation and underpinning details left the impression that they had not yet been seriously considered; now

Therefore be it resolved that CB2, Man. recommends:

A. That the wall in the horse walk door be **approved** in that it does not disturb the historic view from a public thoroughfare; and

B. That the areaway modifications be **approved**; and

C. That the alterations to the non-visible rooftop addition, the restoration of the rear facade upper floors, the additions on the basement, parlor and second floor be **approved**; and

D. That the excavation of the cellar and garden be **denied** until detailed plans and engineering studies are provided to the Commission which, in their view, ensure that the work does not endanger the integrity of the subject building, the adjoining buildings, and adjoining gardens and rear garden structures and that the Commission, in its discretion, return the application to CB2 Community Board for a public hearing if it deems this appropriate.

Vote: Unanimous, with 13 Executive Committee members in favor

5. *130 Bank St. – Application is to install new steel deck at first floor level over existing cellar extension, including new pavers, steel structure, railings and stair access to interior stair hallway, replace one window with a door to the stair, and add new lighting at exterior façade.

The is no recommendation for this application – The application is incomplete in that the required mockup has not been built and therefore no recommendation could be made concerning the critical matter of its visibility from a public thoroughfare. The applicant agreed request a layover for the scheduled Commission hearing and to return to the CB2 Landmarks Committee for a public hearing with the required materials and photographs illustrating the visibility from public thoroughfares.

Vote: Unanimous, with 13 Executive Committee members in favor.

6. *51 Downing St. – Application is to replace the entry doors, garage door, 4th floor windows and replace existing roof top addition with a new mezzanine addition.

Whereas:

- A. The existing non-historic entry doors and garage door and window above (at the original horse entrance) are to be removed and replaced by plain wooden doors suitable to the stable building with transoms at the entry doors and a solid wooden header above the garage door; and
- B. There is unobtrusive recessed lighting above the entry doors; and
- C. A non-historic gabled rooftop addition which was represented by the applicant as not being compliant with building codes and the bulkhead are to be removed; and
- D. The new rooftop addition is a full width, 22' high structure in dark grey metal with north and south curtain walls, partially fitted with dark grey fixed metal louvers; and
- E. The proposed new bulkhead is 10' above the roof, resulting its extending 30' above the original roof; and
- F. Numerous photographs of the mockup from various points clearly show the rooftop structure is visible, most notably from Varick Street and Carmine Street where its extremely visible and boldly modern design aggressively asserts itself, bearing no relationship to either the building or to the historic district; and
- G. This combination of volume, which makes the addition highly visible, and design, which in no way relates to the building or the historic neighborhood, are unacceptable in the Greenwich Village Extension II historic district.

Therefore be it resolved that CB2, Man. recommends:

- A. **Approval** of the garage door and the entrance doors together with their lighting; and
- B. **Absolute denial** of the rooftop addition as of a design that does great harm to the historic district and is unacceptably visible by the standard of “minimal visibility” for rooftop additions that has guided the Commission with respect to the district.
- C. That if the applicant wishes to have consideration of an addition that it be of a design that is in harmony with the building and the district and is greatly reduced in size and visibility in order that it is in tune with the district and that the applicant be instructed by the Commission to return to CB2 for a public hearing on the revised proposal.

Vote: Unanimous, with 13 Executive Committee members in favor.

Whereas, other residents of the block appeared in person at the CB2 QoL meeting to speak in support of the event, noting that the block was already quite busy from tourists visiting in relation to Taylor Swift’s previous residency on the block, and that the proposed event should be less disruptive than the “everyday” conditions on the block; and

Whereas, CB2, Man. members noted that the application as filed with SAPO currently lists the applicant as Park Avenue Lasik, and that commercial entities are not allowed to apply for block parties;

Whereas, CB2, Man. members additionally noted that organized sports are not allowed within block parties; now

Therefore Be It Resolved that CB2, Man. recommends **approval Cornelia St. Block Party**, **provided that** the applications conform with all applicable laws, rules, regulations, and clearance requirements, and **further provided that** the application is amended to reflect a non-commercial applicant for the block party and that no organized sports, including pickleball, are allowed.

Vote: Unanimous, with 13 Executive Committee members in favor.

**10. 9/14/23 – MDMA Plaza Hold (sponsor: Meatpacking District Management Association):
1) 13th/14th/Gansevoort Pedestrian Plaza; 2) Gansevoort St. /13th/Gansevoort Pedestrian Plaza
[full]**

Whereas, the applicant is seeking to hold a large event within the Meatpacking District on the evening of September 14th, running from 6 PM to 10 PM; and

Whereas, setup for the event is expected to begin at 7 AM on September 14th, with load-out completed from 11 PM to midnight; and

Whereas, the event is expected to be a ticketed event with fewer than 5,000 attendees, though the applicant was unable to provide more precise details as to the expected number of attendees; and

Whereas, the event will feature amplified sound and live performers, as well as on-site sanitation teams and portable restrooms for event attendees; and

Whereas, the event will feature seated dining, with attendees bringing their own food, and with wine / champagne sales on site under an SLA permit with a single point of distribution; and

Whereas, access to the sidewalks will be maintained for pedestrians for the duration of the event; and

Whereas, the live performers at the event will not be celebrity musicians; and

Whereas, the applicant stated they were unable to divulge more details of the event due to a Non-Disclosure Agreement that they had signed with the applicant, despite numerous questions from QoL committee members; and

Whereas, one of the principal functions in CB2 reviewing proposed street events is to discern whether the content and impact of such events merit the closing of public streets as well as the disruption to the public that such events may cause, which is impossible to do when CB2 is unable to learn specific details of such events; and

Whereas, approval of any event without knowing the specific details of such event would set an unacceptable precedent for future events; now

Therefore Be It Resolved that CB2, Man. recommends **denial of MDMA Plaza Hold**.

Vote: Unanimous, with 13 Executive Committee members in favor.

11. 9/16 /23– Oktoberfest at The Biergarten (sponsor: The Standard Hotel, Highline) Washington St. bet. Little W. 12th & W. 13th Sts. [full street closure]

Whereas, The Standard Hotel, Highline, which has for years operated a German-themed Biergarten, is seeking a street closure to expand its annual Oktoberfest event; and

Whereas, the event is proposed to take place on Washington St. between Little West 12th and West 13th streets, right in front of the Standard Hotel, from 12 PM – 8 PM, with load-on beginning at 9 AM and load-out completed shortly after the event ends; and

Whereas, the event is meant to be an event that appeals to a wide range of community members, and will consist of a tent with a stage and music, picnic tables, carnival games, and other entertainment; and

Whereas, the event will feature no amplified sound, but will feature live music, mostly consisting of an “Oompah” polka band; and

Whereas, the event will have a standard 15-foot emergency lane, with 8 security guards on site as well as 8 sanitation team members present; and

Whereas, mobile bathroom facilities will be located on site for attendees; and

Whereas, while the event itself is free to attend, attendees would be paying for food and beverage as well as to play / participate in the carnival games; and

Whereas, beer, wine and food would be bought inside the Biergarten by attendees and then could be taken out to be consumed on the street, but no food/beverage sales will take place on the street itself; and

Whereas, the applicant expects approximately 500 attendees at any given time throughout the day; and

Whereas, CB2, Man. members expressed some concerns about the traffic disruption that the proposed event might cause; and

Whereas, QoL committee members, while recognizing the applicant’s longstanding presence in the community, were generally not supportive of a daylong street closure for a for-profit event for a single private business, which while “free” to attend would in reality be a paying event for attendees to participate in any meaningful way; now

Therefore Be It Resolved that CB2, Man. recommends **denial** of **Oktoberfest at The Biergarten**.

Vote: Unanimous, with 13 Executive Committee members in favor.

12. 9/18/23 – Audible Theater 5th Anniversary (sponsor: Audible Theater) Minetta Lane bet. 6th Ave. & Macdougall St. [full street closure] primarily in front of Minetta Lane Theater

Whereas, Audible Theater, an offshoot of Amazon-owned audiobook and podcast company Audible, has been partnering with Minetta Lane Theater for five years and is seeking to hold a 5th anniversary celebration on Monday, September 18th; and

Whereas, while much of the celebration will occur inside the theater, the applicant wishes to hold a small street event in front of the theater from 5:30 – 7:00 PM, with setup beginning at around 12 PM and breakdown occurring by 7:30 PM; and

Whereas, the event would consist of a red carpet, step-and-repeat wall, a seating area with hedges/umbrellas, and a pop-up bar; and

Whereas, the event would include amplified sound in the form of atmospheric music, as well as food and alcoholic beverages being served; and

Whereas, the applicant has not yet chosen a caterer, having asked next-door restaurant Da Toscano who has decided not to participate and will be closed that day, but is hoping to choose a local caterer for the event; and

Whereas, the applicant stated that they had hoped to only apply for a closure for a portion of Minetta Lane (between 6th Ave and Minetta Street), but QoL members pointed out that due to traffic patterns, this would require a full closure of both Minetta Lane and Minetta Street, which the applicant was unaware of; and

Whereas, QoL committee members were concerned about emergency access during the event, given the narrow width of Minetta Lane, and did not see any way that a 15-foot fire lane could be maintained during the event; and

Whereas, while CB2 strongly supports the cultural institutions, including theaters, in CD2, the proposed event is a private event with no public benefit, thrown for the benefit of a large for-profit corporation; now

Therefore Be It Resolved that CB2, Man. recommends **denial** of **Audible Theater 5th Anniversary**.

Vote: Unanimous, with 13 Executive Committee members in favor.

13. 9/21/23 (Setup Date) – 9/23/23 (End Date & Breakdown) Joah Pop Up (sponsor: TH Experiential 1) 13th/14th Sts. Gansevoort Pedestrian Plaza [full]; 2) 9th Ave. bet. Gansevoort & W. 13th Sts.)

Whereas, Korean skincare brand Joah is seeking to hold an activation on the Gansevoort Plaza on Friday, September 22nd and Saturday, September 23rd; and

Whereas, the activation is expected to take up an approximately 50' x 30' footprint on the plaza, with the rest of the plaza remaining open for seating and public use; and

Whereas, the activation will have a 360-degree photo booth, lounge seating, and free giveaways; and

Whereas, the activation will feature amplified sound with a DJ, about which some concern was expressed by CB2, Man. members; and

Whereas, load in will occur from 6 PM – 9 PM on Thursday, September 21st, with the activation itself running from 9 AM – 6 PM on the 22nd, 12 PM – 6 PM on the 23rd, and load-out occurring on September 24th; and

Whereas, the applicant intends to use a virtual line management tool in order to prevent overcrowding in the plaza; and

Whereas, no food is intended to be served, and beverages would be limited to free water bottles and potentially Korean tea; and

Whereas, two security guards will be on site during off-hours with a third present during the activation hours; and

Whereas, no products will be sold at the event; and

Whereas, the applicant is partnering with NY-based nonprofit organization Bottomless Closet, with planned donations based on the number of attendees at the event; and

Whereas, while continuing to generally oppose the use of public plazas for purely commercial events, CB2, Man. appreciates the fact that effort was made to partner with a NY-based nonprofit as well as the effort to use virtual line management to limit overcrowding; now

Therefore Be It Resolved that CB2, Man. recommends **approval of Joah Pop Up, provided that** the applications conform with all applicable laws, rules, regulations, and clearance requirements.

Therefore Be It Further Resolved that CB2, Man. further recommends that the use of a DJ at this event be eliminated or reduced.

Vote: Unanimous, with 13 Executive Committee members in favor.

14. 9/21/23 – SNS Block Party (sponsor: SNS Block Party-Sneakers N Stuff) Little W. 12th St. bet. Washington St. & 9th Ave. [full street closure]

Whereas, the applicant did not appear on behalf of this application and the committee was unable to hear the particulars of this event; and

Whereas, concern was expressed by CB2, Man. and community members around possible disruption from this event, given the proposed full block closure, amplified sound, and the fact that loud music is frequently heard coming from the store and the club below the store; now

Therefore Be It Resolved that CB2, Man. recommends **denial of SNS Block Party.**

Vote: Unanimous, with 13 Executive Committee members in favor.

4. Mishka SoHo Inc dba Mishka SoHo, 519 Broome St 10013 (RW–Restaurant)

- i. Whereas**, the Applicant and the Applicant’s attorney appeared before Community Board 2, Manhattan’s SLA Licensing Committee #1 to present an application to the NYS Liquor Authority for a new Restaurant Wine license to operate a full service restaurant described as a “family friendly neighborhood restaurant that will serve authentic Eastern European cuisine” on the ground floor of a M1-5B-zoned, five (5)-story commercial building (c. 1890) on Broome Street between Sullivan and Thompson Streets (Block #476 / Lot #25) located in the Sullivan-Thompson Historic District; and
- ii. Whereas**, the storefront premises to be licensed is approximately 800 sq. ft. with 8 tables and 32 seats and 1 standup bar with 8 seats, for a total occupancy of 40 patron seats in the premises, there will be one set of double doors at the entrance of the restaurant on Broome Street and two bathrooms; there is an existing Certificate of Occupancy for the premises which permits eating and drinking, Use Group 6 on the ground floor storefront level; the instant application also includes 24 seats in the adjacent, separate lot to the East at 517 Broome Street (Block #476 / Lot #26) for which there is no Certificate of Occupancy permitting eating and drinking; and
- iii. Whereas**, the hours of operation will be from 8:00 AM to 9:30 PM Sundays and 8:00 AM to 10 PM Mondays and Wednesdays, 8:00 AM to 11:00 PM Thursdays through Saturdays and closed on Tuesdays; music will be quiet background music only consisting of music from iPod/CD’s/streaming services, there may be DJs at private parties with not more than 16 private parties/year; there will be no: dancing, live music, promoted events, scheduled performances or cover fees, velvet ropes, movable barriers or security personnel; and
- iv. Whereas**, the Applicant originally appeared before CB2, Manhattan in May/2020 for an On-Premises Liquor License with a similar method of operation but without the use of the adjacent lot or any other outdoor space; CB2, Manhattan recommending approval of the application with signed stipulations with one of the stipulations being there will be no use of any outdoor space for commercial purposes; and

- v. **Whereas**, the Applicant's Attorney states that they withdrew the On-Premises Liquor License application with the NYSLA; they have been operating the restaurant with a similar method of operation since approximately mid-2020, albeit without the service of alcohol; and
- vi. **Whereas**, the instant application includes 24 seats in the adjacent lot to the East at 517 Broome Street (Block #476 / Lot #26) which was previously an open-air parking garage and is a separate zoning lot with a separate deed with no certificate of occupancy showing the use being requested as permitted; the Applicant currently using the lot for seating, with a commercial outdoor kitchen with charcoal/wood burning grill located in the lot for outdoor cooking without providing documentation that proper permits have been acquired for an outdoor commercial kitchen or grilling in the adjacent lot; there being no direct access to the lot from the 519 Broome Street premises, patrons/servers need to exit the premises and go onto the sidewalk/city property to enter the adjacent lot by a separate entry on Thompson Street, alternately food and drink may be dispensed through windows inside 519 Broome Street into what is shown in supplied diagrams and described by the Applicant as a one-story food prep area, that food prep area located within the adjacent building lot line which the Applicant's Attorney described incorrectly as being within the building lot line of 519 Broome Street, the building lines being straight and this food prep area and adjacent lot not being part of the Certificate of Occupancy of 519 Broome Street; it being unclear how a food prep area and adjacent seating can be located in a separate and distinct building lot but still be included as part of the instant application with there being no plans filed with DOB to conjoin the two zoning lots and no specific permission for use of the building for eating and drinking-related uses; and
- vii. **Whereas**, the premises to be licensed was previously licensed under Anyway SoHo LTD dba Anyway Café (SN#1306122) from 2018 to 2020 with conditions on that license imposed by the NYSLA specifically including that the Eastern separate side lot, 517 Broome Street, was never to be used for outside dining, only for parking cars and that there be no sidewalk café; and
- viii. **Whereas**, the Applicant, after stating that the adjacent lot was simply an extension of the 519 Broome Street premises, proposed removing the outdoor seating from the instant application, there being significant concerns that the Applicant would not relinquish the use of the adjacent lot as the Applicant is already operating their restaurant without the service of alcohol in that lot and its use is part of their method of operation, that lot not being permitted for an eating and drinking establishment; and

THEREFORE BE IT RESOLVED that CB2, Man. recommends **denial** of the Restaurant Wine License for **Mishka SoHo Inc dba Mishka SoHo, 519 Broome St 10013**; and

THEREFORE BE IT FURTHER RESOLVED that should this application be considered by the NYSLA, CB2, Man. respectfully requests that this item be calendared to appear before the Full Board of the NYSLA.

Vote: Unanimous, 13 Executive Committee Board Members in favor.

5. **M588 Catering Group d/b/a Mangia, 588 Broadway 10012** (new RW–Restaurant)
(previously unlicensed)

- i. **Whereas**, the Applicant and the Applicant’s Attorney appeared before Community Board 2, Manhattan’s SLA Licensing #1 to present an application to the NYS Liquor Authority for a new Restaurant Wine License to operate a restaurant serving made-to-order, farm-to-table meals in sustainable, eco-friendly packaging on the ground floor of a M1-5B- zoned, 12-story commercial building (c. 1900) on the Broadway between East Houston and Prince Streets (Block #511/Lot #8) the building falling within NYC LPC’s designated SoHo-Cast Iron Historic District and the Special SoHo-NoHo Mixed Use District; and
- ii. **Whereas**, the ground floor storefront premises is approximately 1,835 sq. ft.; there are four (4) tables and 18 seats with one (1) bar and no seats for a total interior seated occupancy of 18 persons; the premises has one (1) door which will serve as patron ingress and egress and one (1) bathroom; the store front infill being fixed without operable doors or windows that open out to the sidewalk; there will be four (4) tables and eight (8) chairs on the sidewalk operating under the temporary Open Restaurants program without the service of alcohol; and
- iii. **Whereas**, the hours of operation will be from 7 AM to 6 PM Mondays through Fridays, the premises will be closed Saturdays and Sundays; music will be quiet background only consisting of music from iPod/CDs/streaming services; there will be no dancing, DJs, live music, promoted events, no scheduled performances or cover fees, no velvet ropes, no movable barriers and no security personnel/doormen; and
- iv. **Whereas**, the premises to be licensed was previously unlicensed and most recently operated as a Beauty Supply Store; and
- v. **Whereas**, there Applicant has three other outposts in Manhattan, the original opening in 1981, and is known for their sandwiches and bakery in addition to their catering business; the instant application originally being for the service of beer, wine and liquor and while the instant application is for the westernmost 1,835 sq. ft. of the ground floor fronting Broadway, the Applicant has leased a total of 10,000 sq. ft. on the ground floor, going east to Crosby Street; and
- vi. **Whereas**, there were concerns raised about the precedent of any sidewalk seating on Broadway, these sidewalks having some of the highest density of sidewalk foot traffic in CB2, Manhattan, this stretch of Broadway serving multiple bus stops and subway stations where just walking the sidewalk is often brought to “snail’s pace”; additional concerns being raised about any trash placed out on Broadway due to the congested nature of the sidewalk, the Applicant stating the trash would be put out on Crosby Street and receptacles brought back in soon after; and
- vii. **Whereas**, questions were raised by residents and the Committee regarding the need for an On-Premises Liquor License for sandwich shop with a significant “to-go”

business and small on-premises seating, open weekdays only with 6 PM closing and the eventual overall use of the 10,000 sq. ft. premises, the Applicant stating future plans were to have a large bakery and retail shop in the Eastern part of the ground floor, fronting Crosby Street, operating independently from the instant application, there currently being no plans to add a separate catering kitchen to the premises; it being questionable how a full liquor license serves the public interest considering the described method of operation including the lack of a catering business operating out of the premises, the Applicant agreeing to downgrade the application to a Restaurant Wine license and thus is not subject to the public interest standard of the 500 Foot Rule; concerns and

viii. 6. Amis79 LLC, 79 MacDougal St., Ground Fl/Basement 10012 (OP–Restaurant)

- i. Whereas**, the Director of Operations and the Applicant’s Attorney appeared before Community Board 2, Manhattan’s SLA Committee #1 to present an application to the NYS Liquor Authority for an On-Premises Liquor License for a French-inspired fine dining restaurant located in ground floor of a R7-2-zoned, seven (7)-story, mixed-use tenement building (c. 1910) on MacDougal Street between Bleecker and Houston Streets (Block #526/Lot #28) located in the South Village Historic District; and
- ii. Whereas**, the interior ground floor premises is approximately 2,400 sq. ft. with approximately 1,400 sq. ft. on the ground floor and 1,000 sq. ft. in the basement, the basement being accessed by an exterior sidewalk hatch with no patron access; there will be 18 tables with 54 seats and one (1) bar with ten (10) seats, for a total patron occupancy of 64 seats; there is one (1) entryway serving as patron ingress and egress and two (2) patron bathrooms; and
- iii. Whereas**, the hours of operation will be from 5 PM to 12 AM Mondays through Fridays and 12 PM to 12 AM Sundays and Mondays; music will be quiet background only consisting of music from iPod/CDs except for 2x/year where they may be acoustic live music only (including up to one saxophone, no other horns or percussion). Live music will end no later than 9 PM; there will be no dancing, DJs, promoted events, no scheduled performances or cover fees, no velvet ropes, no movable barriers and no security personnel/doormen; and
- iv. Whereas**, the Applicant (who is the chef) and Director of Operations (a husband and wife team) operate two other well-regarded restaurants in Manhattan serving Korean food in collaboration with HAND Hospitality (Atoboy, opened in 2016 and Atomix, opened in 2018), the instant application will be a separate and different venture, specializing in French-inspired food; and
- v. Whereas**, roadbed dining was included in the instant application to which residents raised significant concerns regarding the noise and trash quality of life impacts of an additional roadbed structure, this block being residentially zoned where outdoor

seating had previously been prohibited, almost every single ground floor retail space becoming an eating and drinking establishment with either an existing or pending liquor license and outdoor seating over the past few years, the opposite side of the street consisting of mid-block ground floor apartments and residences also surrounded by eating and drinking establishments to the north and south, there being significant issues with patron noise and music from other nearby establishments, while residents were supportive of the Applicant there was no support for the outdoor dining aspect of the application, the area already being over-saturated with outdoor dining and wall-to-wall roadbed structures, the street being a narrow residential street, with roadbed structures additionally making it difficult for emergency vehicles to access the street promptly and another roadbed structure with outdoor patrons would significantly impact the existing noise level; and
