Dear Ms. Beach:

At its Full Board meeting on September 21, 2023, Community Board #2, Manhattan (CB2, Man.) adopted the following resolution:

9.19.23 – On My Proactiv Journey Consumer Activation (sponsor: Department of Wonder, Inc.), Astor Place Plaza (South) [full]

Whereas, the applicant wishes to stage an activation on Tuesday, September 19th, on the Astor Place Plaza to promote the cosmetic brand Proactiv; and

Whereas, the installation will consist of a photo backdrop, a step-and-repeat wall, a chalk wall, and a branded tote bag giveaway; and

Whereas, the event will not feature amplified sound or food/beverages; and

Whereas, the applicant has copied members of the Village Alliance BID on communications with SAPO, but has not coordinated with the BID in an in-depth manner; and

Whereas, the proposed event, being scheduled for a Tuesday, would directly conflict with the weekly Greenmarket which takes place on Tuesdays on the Astor Place Plaza, a fact about which the applicant was unaware; and

Whereas, CB2 continues to oppose the use of public plaza space for purely commercial activations, especially when the applicant has no connection to CD2; now

Therefore Be It Resolved that CB2 Manhattan recommends **denial** of **On My Proactiv Journey Consumer Activation**.

Whereas, the event will be free and open to the public and is designed to be an event celebrating the Meatpacking District and cultural institutions on the west side of Manhattan such as the Whitney Museum and the High Line; and

Whereas, as part of the event, the applicant wishes to stage an activation of the Gansevoort Plaza in order to raise awareness around the participating cultural institutions and businesses; and

Whereas, the activation will consist of a small 10’ x 10’ tent on the east side of the plaza, featuring live musical performances, a 10’ x 15’ tent on the west side of the plaza featuring meatpacking BID staff handing out information on participating local businesses and cultural institutions, and a portrait artist; and

Whereas, the hours of the activation will be from 11 AM to 5 PM; and

Whereas, the event will not feature any food or beverages; and

10.6.23 (Setup & Start Date)- 10.7.23 (End Date & Breakdown) Olay Serum Swap @ Target (sponsor: DotDash Meredith), Broadway bet. E. Houston & Prince Sts. [sidewalk & curb lane closure-E.]

Whereas, cosmetics brand Olay, in partnership with retailer Target, seeks to stage a curbside activation in the curb lane in front of the Target store on Broadway, near the corner of Houston Street; and

Whereas, the activation will be free and open to the public, with an 8' x 70' footprint, and will provide the opportunity for customers to attend and trade in their old bottles of Olay serum for a brand-new bottle of Olay "super serum"; and

Whereas, in addition to the Olay bottle swap, the activation will feature a photo moment, sampling/demo station, as well as a step-and-repeat wall; and

Whereas, the activation is targeted to take place over two days, October 6th and 7th, with setup beginning at 8 AM on the 6th, and with the activation running from 2 PM – 7 PM on the 6th and from 10 AM – 3 PM on the 7th, and breakdown complete by 7 PM on the 7th; and

Whereas, 15 brand ambassadors are expected to be on site for line management, as well as security on site during the activation and overnight; and

Whereas, the event will not feature amplified sound; and

Whereas, the applicant stated that they expected up to 4,000-5,000 guests at the event over the two day period, despite the application being for a “medium” street event with fewer than 1,000 attendees; and

Whereas, concern was expressed by community and board members over the disruption that such a large event would cause, running on a Friday and Saturday on one of the busiest corners of Soho; and

Whereas, concerns were expressed specifically around pedestrian safety, as large crowds generated by the event would be likely to force pedestrians to walk in the street; and

Whereas, holding the event inside the Target store or at a less busy corner would be a more appropriate location for such an activation; now

Whereas, the applicant intends to use a rope and stations for line management if needed; now

Therefore Be It Resolved that CB2 Manhattan recommends **denial of Olay Serum Swap @ Target.**

At its Full Board meeting on September 21, 2023, Community Board #2, Manhattan (CB2, Man.) adopted the following resolution:

10.6.23 (Start Date – 10.7.23 (End Date & Breakdown) Fragrance Launch Activation (sponsor: IDEKO), 13th/14th/Gansevoort Pedestrian Plaza [full]

Whereas, consumer brand Burberry is seeking to hold an activation on the Gansevoort Plaza to raise awareness of a new Burberry fragrance being launched; and

Whereas, the applicant stated that they had updated the SAPO activation to reflect a 5-day (October 5th – 9th) period instead of a two day period, with October 5th being a load-in day, the activation running from October 6th – 8th, and October 9th being a load-out day; and

Whereas, as part of the activation, the applicant seeks to build a large, circular, wavy structure, meant to be reminiscent of the “grasslands of the Serengeti”; and

Whereas, guests would be able to enter the structure and engage with the brand through watching a commercial, speaking with brand ambassadors and getting samples; and

Whereas, the applicant plans to maintain space for passers-by to walk around the outside of the structure, though the structure would take up most of the plaza; and

Whereas, the activation will not feature amplified sound outside of the structure; and

Whereas, the activation will include 2 security guards at all times as well as around 10-12 brand ambassadors, and a sanitation team on site; and

Whereas, the proposed activation will impact the plaza for 5 days in a row, a significantly larger impact than even other large commercial events which have been previously staged on the Gansevoort Plaza; and

Whereas, CB2 continues to oppose the use of Gansevoort Plaza for purely commercial activations; now

Therefore Be It Resolved that CB2 Manhattan recommends **denial of Fragrance Launch Activation**.

Whereas, the applicant is seeking to organize a block party in celebration of the one year anniversary of the opening of the Malbon Golf store, consisting of a golf simulator, taco truck, food stand on the street and beer served inside the Malbon store; and

Whereas, the applicant will have amplified sound from 2 PM to 6 PM with speakers on the street and a DJ booth; and

Whereas, the applicant plans to have security on site during the event and a licensed bartender in the Malbon store; and

Whereas, multiple members of the community appeared to testify that the prior year's block party was exceedingly loud, that the event blocked access to a building on the block, and that the event staff was rude and inconsiderate to neighbors; and

Whereas, the applicant had not conducted any outreach to the members of the community and did not present any testimony, written or spoken, in favor of the event; now

10.11.23 – Triangle Fire Memorial Dedication (sponsor: Remember the Triangle Fire Coalition, Inc), 1) Washington Pl. bet. Washington Sq. E. & Broadway [full street closure]; 2) Greene St. bet. W. 4th St. & Waverly Pl. [full street closure]

Whereas, the applicant is dedicating the memorial to the Triangle Shirtwaist Factory Fire, an installation long planned and approved by CB2's Landmarks committee in 2018; and

Whereas, the applicant seeks a full street closure from 5 AM to 3 PM, with the event taking place from 11 AM-12 PM, with breakdown complete by 3 PM; and

Whereas, the memorial has significant cultural & historical value to the community as a commemoration of the historic fire which took place in 1911; and

Whereas, the proposed street closures are concentrated on two streets (Greene & Washington Pl) which due to dead ends at 8th Street, Washington Sq, and Broadway respectively do not carry significant through traffic; now

Therefore Be It Resolved that CB2 Manhattan recommends **approval** of **Triangle Fire Memorial Dedication**, **provided that** the applications conform with all applicable laws, rules, regulations, and clearance requirements.

10.12.23 (Start Date) – 10.15.23 (End Date & Breakdown) Meatpacking by Design (sponsor: Meatpacking BID) Gansevoort/13th Sts./Gansevoort Pedestrian Plaza [full]

Whereas, the sponsor is seeking an installation of a public art sculpture of the dimensions 40’x20’x15’ as part of the Archtober festival celebrating architecture & design in New York City; and

Whereas, installation would take place from 10.10-10.12, with breakdown on 10.19; and

Whereas, the sculpture would occupy ~40% of the pedestrian plaza, with the sponsor maintaining the rest of the plaza for public use during the installation period; and

Whereas, the sculpture would include a public seating area and be open to passersby; and

Whereas, the sculpture would host informational lectures on design & architecture, and these lectures would be open to the public free of charge; and

Whereas, these lectures would use amplified sound at a low volume and no music; and

Whereas, in keeping with the committee’s stance on use of pedestrian plazas, this event would both maintain use of the plaza for the public and provide cultural information free of charge; now
