II. PUBLIC SESSION

Supporting Councilman Christopher Marte’s proposal to eliminate the conversion fee that the 2021 SoHo/NoHo rezoning imposes on some residents seeking to change their certificate

**of occupancy from Joint Live-Work Quarters for Artists use (JLWQA, aka AIR) to straight residential use. (The fee is meant to fund an Arts Fund to benefit artists.)
Against the Arts Fund.**

In person: David Thall – Board president, 77 Mercer Street Condominium; Dan Miller; Joan Rothchild Hardin; Shirley Kaneda; Tony Robbin; Leigh Behnke; Ronnie Wolf; Gina Nanni, Beth Galdieri; Phillip Tiongson; Sean Sweeney; Amy Durning; Mark Flannery; Madeleine Segall-Marx; Andy Hoang; Simon Critchell; Renée Critchell; Alison (Lisa) Bradshaw; Sanford Hirsch; Mark Roppel; Pier Luigi Consagra; Anja Murmann, Amit Solomon; Karen Van Outryve; Beyhan Karahan; Susan Needles; Bryan Chadwick; Rhonda Roland Shearer; Michael McGuigan; Alison Jones; Margo Margolis; Heather Domi; Elizabeth Weatherford; Andrianna Shamaris; Bruce Cohan; Andrew O'Neill; Naomi Bushman; Christine Calvo; Susan Breindel; Cherrie Ward; Jami Giovanopoulos; Lora Tenenbaum; Henry Smith-Miller; David Lawrence; Gideon Mann; Lynne Kwalwasser; Ingrid Wiegand; Mark Roppel; Regina Cherry; Susan Nathanso; Jane Nelson; Andrew Ginzel; Susan Keith; Prawat Laucharoen; Pryor Dodge; Henry Schwartz; Phil Abraham; Claudia Levy; Ben Schonzelt; Sarah Walker

- This proposed "Arts Fund" fee for a questionable and ill-defined use is manifestly unfair and singles out the continuing homeowners of this neighborhood for economic punishment even as the city moves forward with a new rezoning proposal called City of Yes for Economic Opportunity.
- Putting a fee onto a sale of a home of one type of person to another type of person is unconscionable.
- Taxation is supposed to treat all people the same way. This fee clearly does not.
- This charge places an unconscionable burden on the ability of many SoHo homeowners to realize the value of their most important asset as they age out of their current homes and even if they wish to pass these homes down to their families,
- This Arts Fund fee ironically hammers all of the artists still living here who made this neighborhood what it is and are now being asked to pay a very high and unexpected exit tax on their contribution to SoHo culture over many years and decades. This proposed "Arts Fund" fee for a questionable and ill-defined use is manifestly unfair and singles out the continuing homeowners of this neighborhood for economic punishment even as the city moves forward with a new rezoning proposal called City of Yes for Economic Opportunity.

SLA 1 - 8. Griddle Cakes LLC dba Breakfast by Salt's Cure 27½ Morton St. LIQUOR license application (note that the applicant withdrew their application for this month)

- Albert Bennett – oppose

SLA 2 – 1. Kook Burger, 47 Seventh Ave. S. liquor license application

Mary Phillips, Beth Galdieri, Braeden Andersen – oppose

- Kook Burger owners misrepresented themselves as a family restaurant, when in fact they intend to operate a sports bar with two TVs. Too much noise for a quiet, residential neighborhood. Neighbors are vehemently opposed, especially if the bar will be open late hours. Noise from the previous establishment carried into adjacent apartments at an intolerable level. Accumulation of garbage that attracts rats will also be a huge problem. Please deny this application. If approved, please at least stipulate no outdoor seating and closing at 11pm.

**Cannabis Dispensary - 5. Jack Lubner, Appleseed Farms Corp d/b/a Cousin Mary's
22 Little West 12th St.**

Brian Ullman, Jonathan Axel, Jonathan Axel, Brian Ullman - oppose

Darlene Lutz - Announcing/reminder of the monthly 1st Pct Council Meeting, Thurs, Jan 25,
6PM @ the Precinct

Mark Fiedler – spoke about BAMRA (Bleecker Area Merchants and Residents Association)

Marissa Yenni – spoke about DSNY Commercial Containerization

Lois Rakoff – spoke about H&H NYC

John Campo – for E-vehicle safety

Rocio Sanz – Informational comments about The Eye Bank of New York

ADOPTION OF AGENDA

The agenda was adopted by voice vote.

III. ELECTED OFFICIALS' AND REPRESENTATIVES' REPORTS

Reports from Elected Officials and Staff Members:

Carlina Rivera, NYC Council Member, 2nd District:

- Will listen and take into consideration the dozens of public speakers who testified at the CB2 meeting on January 18 about the Arts Fund tax included in the City of Yes proposal. She's the Chair of the culture & libraries and public safety committees and is looking forward to working with CM Bottcher and CM Marte in 2024--all three city council members represent CB2.

Deborah Glick, NYS Assembly, 66th District:

- NYS Governor signed AM Glick bills banning wildlife killing contests and her birds & bees bill.
- Will continue to fight the closing of Beth Israel even though there's now a cease and resist motion from DOH.

- Helped resolve the fight between Morton Williams and the planned Bleecker school so that the grocery store will stay open for several years while DOE retains the option to build the school.
- Supports eliminating the Arts Fund tax and the city and state should increase their funding of the arts overall.

Office of Mayor Eric Adams, Robin Forst reported:

- NYC has a new policy to enhance snow clean up by centralizing equipment.
- The Mayor announced budget restorations this week including community schools, summer youth rising programs, funding for trash baskets and park programs.

Office of Erik Bottcher, NYC Council, 3rd District, Nicole Barth reported:

- Was reelected along with co-chair CM Marte to chair Manhattan Delegation on city council.
- His office kicked off a multi-lingual initiative that will ask cyclists to adjust their biking behavior to not ride on sidewalks and incorporate other safety measures.

Office of Christopher Marte, NYC Council Member, 1st District, Conor Allerton reported:

- Now represents neighborhood around Holland Tunnel and west of Hudson Street.
- Submitted budgeting ideas to numerous city departments.
- Has critiqued the City of Yes proposal and is against the Art Fund tax.

Office of Mark Levine, Manhattan Borough President, Andrew Chang reported:

- Deadline to apply to become a CB2 board member is February 23 - application is on MBP website.
- A report was recently released that advocates for 600 new psychiatric beds and increased funding for homeless mental health care supports.

Office of NYS Senator Brian Kavanagh, 27th District - Stacie Johnson reported:

- Will hold two town halls about congestion pricing on February 2 and 8, locations to be announced on his website.
 - At the meetings the MTA will present the plan and electeds will answer attendee questions.
- Governor Hochul signed legislation concerning rent-stabilized apartments.

Office of NYS Senator Brad Hoylman-Sigal, 47th District - Caroline Wekselbaum reported:

- Governor Hochul has finalized her executive budget, being actively negotiated now; send questions or comments to senator's office.

Office of NYS Assembly Member Grace Lee, 65th District - Alexander Fraser reported:

- In January a new session started, the state budget will be debated and revised until it's passed in March.
- AM Lee's bill to expand the list of crimes that are legally identified as a hate crime will be signed by the governor.

ADOPTION OF MINUTES

The minutes of the December 2023 Full Board were adopted.

IV. BUSINESS SESSION

Chair's Report: Susan Kent:

- There are four open seats on the board and anyone can apply to become a member now. Go to the MBP website to apply. Public members also need to reapply; the application is on CB2's website and it's submitted to the board chair.
- Successful resolution to Bleeker School/NYU issue so that there will be a supermarket on the site until 2036.
- Community board chairs had the opportunity to vote on the gaming resolution. CB2's Chair voted against it because it modified ULURP and cut community board's out of the decision-making process.
- It's the start of CB2's board executive committee members election cycle. Anyone interested in running should submit a written notice until EOB 2/15. At the February meeting nominations can be made from the floor.

District Manager's Report: Mark Diller:

- Project HOPE – volunteer opportunity working overnight on January 23-24 to take a census of unhoused living on the streets. Contact information available to register to volunteer.
- Applications for appointment or reappointment to CB2 now being accepted through the Manhattan Borough President's website.
- Congestion Pricing Comment Period is Open through March 11th – CB2's next eblast will provide contact details for opportunities to submit comments.

WHEREAS, Applicant has made introductions to several neighboring businesses and are currently attempting to connect with nearby residential buildings and submitted a petition of support from nearby businesses; and

WHEREAS, the proposed hours of operation for the ground-floor retail dispensary are: Sunday through Wednesday 12:00PM - 8:00PM, Thursday through Saturday 12:30PM - 12:00AM

WHEREAS, Applicant has retained an external marketing agency with the purpose of ensuring compliance with online campaigns, website management, social media coverage, and outreach programs; and

THEREFORE, BE IT RESOLVED that CB2M recommends **denial** of the new Adult-Use Retail Dispensary License for Jack Luber, Appleseed Farms Corp d/b/a Cousin Mary’s, 22 Little West 12th Street, 10014 unless the information the Applicant has presented is accurate and complete and that the above-stated conditions submitted and agreed to by the Applicant “*be part of the record upon which the Office makes its recommendation to the Board*” for the Adult-Use Retail Dispensary License, per §119.3 10(d) of the [Revised Adult-Use Cannabis Regulations](#).

Vote: Passed, 37 Board members in favor, 1 against (R. Sanz), 1 abstention (R. Kessler), 2 recusals (M. Fitzgerald, M. Metzger).

EXECUTIVE COMMITTEE

Resolution in Support of the World Trade Center Health Program Youth Research Cohort

Whereas

- 1) On and after September 11th, more than 35,000 people younger than 21 years old were exposed to toxic dust and smoke from the World Trade Center (WTC) disaster; and

- 2) In December 2022, Congress amended section 3341(c) of the Public Health Service Act (42 U.S.C. § 300mm–51(c)) to include a Research Cohort for Emerging Health Impacts on Youth (individuals who were 21 years of age or younger on September 11, 2001), and this act instructs the World Trade Center Health Program (WTCHP) Administrator, in consultation with the Secretary of Education, to establish this research cohort to track this population’s health longitudinally; and
- 3) To meet scientific standards, the Youth Research Cohort must be of sufficient size to conduct future research studies on the health and education impacts of 9/11 exposures, and must be sufficiently representative of those who were 21 years old or younger at the time of exposure, and reflect the diversity of the communities exposed in Manhattan below 14th Street and into the borough of Brooklyn; and
- 4) The Youth Research Cohort must include large numbers of individuals who have symptoms linked to 9/11 (Certified-eligible WTC survivors) and large numbers of individuals who do not (Screening-eligible Survivors); and
- 5) The WTC Scientific/Technical Advisory Committee (STAC) was convened at the request of Dr. John Howard, WTCHP Administrator, for a June 21, 2023, meeting where it heard from scientists, young survivors and other stakeholders, and discussed recommended approaches for the new Youth Research Cohort to be established by the WTCHP; and
- 6) A June 29, 2023, letter from the STAC Chair put forward the STAC’s recommendations addressing how the WTCHP should support and facilitate the process for reaching, recruiting and retaining a cohort of young survivors. *See:*
https://www.cdc.gov/wtc/pdfs/stac/LTR_Ward_STAC_23_June_2023_Stamped-508.pdf
- 7) The WTCHP has issued a Request for Information (RFI) seeking feedback from the 9/11-affected community, as well as researchers, educators, etc. on the preferred approach for establishing a Youth Research Cohort, and on which health conditions are research priorities; now

Therefore, be it resolved that

- 1) Manhattan Community Board 2 recognizes that the new 9/11 Youth Research Cohort is essential for tracking the health of young survivors who lived or attended school or daycare in Lower Manhattan on 9/11 or in the weeks and months after, and that a successful cohort will yield key findings regarding unmet 9/11-related health needs of young survivors, as well as the survivor community; and
- 2) Manhattan Community Board 2 pledges its support for this critical endeavor so that the process of assembling the cohort will benefit from the productive engagement of residents who experienced the 9/11 attacks and their aftermath and who committed to and accomplished the successful rebuilding of their neighborhoods and their lives; and

- 3) Manhattan Community Board 2 endorses the STAC's recommendations, including but not limited to the need for community involvement in building the cohort and partnerships with a broad range of researchers, clinicians and stakeholders; the need for incentives to recruit young survivors and the hiring of young adults for peer-to-peer/ recruitment work; the need to leverage innovative technologies and social media to conduct outreach, recruitment and retention; a national outreach campaign to raise awareness and recruit young survivors who are no longer in the NYC Metro area, among other recommendations; and
- 4) Manhattan Community Board 2 joins the STAC in supporting the inclusion in the cohort of young survivors whose exposures to the WTC disaster occurred in utero. Research over decades has demonstrated that toxic pollutants to which the mother is exposed can harm the developing fetus. Studies led by Dr. Frederica Perera of the Columbia Center for Children's Environmental Health found that children prenatally exposed to the WTC disaster were more likely to be born small for gestational age, and to have exposure-related 'DNA adducts' which can increase lifetime cancer risk. CB 2 calls for people who were in utero and whose mothers were present in the disaster area for sufficient time during the period from September 12, 2001, to July 31, 2002 (as set forth by the Zadroga Act) to be eligible for the cohort; and
- 5) Manhattan Community Board 2 supports the WTCHP revisiting the use of the NYC Department of Education's directory lists from 2001/2002 (following an unsuccessful effort by the WTC Health Registry's vendor), but with the proviso that better methods for recruitment be used, including use of communication tools targeted to the relevant age groups (social media, text messaging) and leveraging existing stakeholder partnerships, both local and national. We agree that the WTCHP cannot rely solely on the DOE lists, because many 9/11-exposed people were too young to be in school in 2001/2002 or attended private schools at the time. These individuals must be fully represented in the cohort and will need outreach/recruitment; and
- 6) In order to build a cohort that is sufficiently large and representative, the WTCHP must activate the extensive community support infrastructure of Lower Manhattan – the community centers, settlement houses, tenant associations and not-for-profits that span Lower Manhattan, along with religious and independent schools and institutions of higher education, many of whom are directly engaged with residents and other survivors; and
- 7) Manhattan Community Board 2 recommends that the WTCHP create several tiers of grant opportunities of different funding amounts through which groups like these can fund their outreach using records and relationships that only they have. For example, community centers that ran day care, pre-school and after-school programs on 9/11 and in the subsequent months often have long term relationships with the families they served. In addition, we emphasize the importance of a more streamlined, accessible process with plain language instructions for small organizations to apply for grants. It is important for WTCHP to avoid excessive reporting requirements which pose a burden to smaller groups for these opportunities; and

- 8) The WTCHP is requesting feedback regarding which health conditions and potential social and education impacts should be priorities for future research on the WTC Youth. Manhattan Community Board 2 agrees with young survivors, parents, and the Survivors Steering Committee that these impacts should be research priorities: reproductive health problems, autoimmune disease, neurocognitive problems, metabolic disorders related to exposures to endocrine disrupting chemicals, cancers, delayed-onset PTSD or other psychological impacts triggered or exacerbated by serious WTC-related illness of a parent. We also ask how some of these physical and/or psychological impacts have affected educational attainment. If the WTC Survivor Data Center is detecting increased frequency of a condition in the patient population of people exposed as children, that condition may become a research priority; and
- 9) Manhattan Community Board 2 requests that the WTCHP immediately set up on its website a means for young survivors to sign-up for the cohort. In addition, we recommend that the WTCHP send out letters to survivor members explaining what the Youth Research Cohort is and how young survivors can sign up; and
- 10) The entire Youth Research Cohort process, from planning to recruitment to research, must entail community engagement. Findings must be shared by the WTCHP with young survivors and the broader community, with ample opportunity for Q&A.

Vote: Unanimous, 42 Board Members in favor.

LANDMARKS AND PUBLIC AESTHETICS

FIRST LANDMARKS MEETING

1. *801 Greenwich St. – Application is to convert the existing office building to five residential units with ground floor retail, construct new masonry stair and elevator bulkhead and install mechanical units with fenced enclosure.

Whereas:

A. The bulkhead providing increased stairway access to the roof and an adjacent elevator bulkhead are in brick and a lower mechanical equipment enclosure toward the back is in dark painted metal; and

B. The side wall of the bulkhead that is above the building’s visible party wall is in a contrasting material and would be less conspicuous if it were built of brick matching the side wall.

C. The applicant represented that the elevator bulkhead is the lowest that is available for the purpose; and

D. Photographs of the mockup show visibility in line with the norm in the neighborhood for buildings of this type; and

E. There was concern expressed about the extent of staff approval, rather than a public hearing, for the window replacements and the ground floor; now

Therefore, be it resolved that CB2, Man. recommends approval of this application provided that the side wall of the bulkhead be aligned with the building's visible party wall below and built of brick to match.

Vote: Unanimous, 41 Board members in favor.

2. *803 Greenwich St. – Application is to convert the existing 3 family building to a single family and construct a new masonry stair, elevator bulkhead and install mechanical units with fenced enclosure. (Will be reviewed at LPC staff level)

3. *307-309 Sixth Ave. – Application is to demolish the existing buildings and construct a new building.

Whereas:

A. The two buildings proposed for demolition are much altered and the structures have no discernible architectural or historic value; and

B. The two lots are being built on as one with varying heights reflecting the separate zoning areas; and

C. The front facade is six stories with pairs of narrow and tall recessed casement windows, atypical of the district, and faced with a modern Roman 3” x 12” brick, with limestone trim and cornice, and features distinctive modern convex and concave masonry framing five rows of six windows with a central division; and

D. Despite the proposal's reference to the rich examples of tenement architecture in the Greenwich Village Historic District Extension II, the framing of the facade, and size and type of windows show a lack of any meaningful relationship to the historic punched windows and the interaction of the horizontal and vertical banding in facades of the tenement buildings of this district, and thereby contribute to a façade that unduly asserts itself into the streetscape and seems more appropriate in SoHo; and

E. A penthouse with window walls and stucco and expanses of reflective glass barriers is placed three feet from the front facade; and

F. The storefront is minimal modernist with no historic reference to the district; and

G. The penthouse is visually aggressive and clearly asserts itself as an unattractive seventh story rather than a minimally visible rooftop structure, especially in that it lacks an adequate setback similar to others in the district; and

H. The lot line party walls are brick and are acceptably visible similar to other buildings in the district, but carry over the front façade modern Roman brick onto these side facades rather than using the common brick that is characteristic of the district; and

I. There is minimal excavation in the open space behind the building and is not adjacent to any existing structures; now

Therefore be it resolved that CB2, Man. recommends:

A. **Approval** of the demolition of the two existing buildings of no historic or architectural value; and

B. **Approval** of the massing of the building and its side and rear walls; and

C. **Denial** of the front facade design, including the metal storefront, the windows' size, proportion and operation, the concave and convex vertical design of the columns, and the proportion of masonry to glass, a clearly contemporary design without reference or respect to the specific rich historic character of the district; and

D. **Denial** of use of any brick other than common brick on lot line façades.

Vote: Passed, 40 Board members in favor, 1 abstention (R. Kessler).

SECOND LANDMARKS MEETING

4. *180 Waverly Pl. - Application previously heard to be modified with changes to the rooftop addition and addition of an elevator bulkhead on the roof and alterations to a window on the rear facade, and modify the chimney.

Whereas:

A. The application was previously heard and the applicant has made modifications to the rooftop bulkhead with mechanical screening, addition of an elevator bulkhead, and modifications to a window to accommodate the elevator; and

B. The stair bulkhead has been made smaller and there is a mechanicals screen above it; and

C. A third-floor rear window will be removed and replaced with brick infill to cover the elevator shaft creating a disturbing condition in the symmetrical facade; and

D. The change in visibility results in a minimal increase in the visibility of the mechanical screen; and

E. The chimney is less visible from a public thoroughfare; and

F. The rear cornice is slightly modified to accommodate the brick infilled window opening; now

Therefore be it resolved that CB2, Man. recommends:

A. **Approval** of the modifications to the chimney, the stair bulkhead, the mechanical screen, and the addition of the elevator bulkhead; and

B. Introduction of historic detail to the windows on the rear facade (heard in the prior presentation); and

C. **Denial** of the brick infill of the third-floor window, that the window be preserved and an interior solution be devised to mask the elevator shaft.

Vote: Unanimous, 42 Board members in favor.

5. *121 Waverly Pl. – Application is to replace one-over-one double-hung windows in kind at existing openings of the front facade

Whereas:

A. The present condition of one over one windows is documented as early as the 1940s tax photograph and existed at the time of designation; and

B. The house is a lone row house between two large buildings with much of its historic detailing missing; and

C. The existing one over one wooden windows are to be replaced in kind; now

Therefore be it resolved that CB2, Manhattan recommends approval of the replacement in kind of windows that are typical of modifications to similar buildings in the district, date at least to the 1940s, and existed at the time of designation.

Vote: Unanimous, 42 Board members in favor.

6. *57 & 59 Christopher St. – Application is to construct a one-story rooftop expansion for the two buildings.

Whereas:

A. The modifications are proposed to be carried out in connection with extensive rebuilding after fire damage in order to increase headroom at top floor to make it a usable living space; and

B. The location, facing a small park and open avenue, affords clear visibility of the front of the building from near and far; and

C. The “crawl space attic” at the front of the building is to be heightened with a pitched front wall and punched windows and a new cornice to provide occupiable space; and

D. The slight pitch of the roof is only from the façade and is an incomplete “mansard” type roof, with a standing seam brown face and small punched windows, and results in fake look where a

steeper pitch (eliminate tiny roof deck) with tall glazing would have less visibility and evoke historic studio windows as was the stated intention of the applicant; and

E. The bulkhead is being modified to accommodate increased height of the stairs, to give rooftop access and is clad in standing seam metal and is not objectionably visible; and

F. The cornice and inconspicuous light mesh safety railing do not detract from the building; and

G. The front and rear facades and windows will be restored, replacing degraded material in kind where necessary, preserving the existing design; and

H. A representative from Village Preservation and a member of the public gave testimony noting the property's proximity to an individual landmark (Stonewall Inn) and a National Historic Site (Christopher Park), now

Therefore be it resolved that CB2, Manhattan recommends:

A. **Approval** of the bulk of the rooftop addition, modification of the stair bulkhead, restoration of the front and rear facades, cornice, and railing; and

B. **Denial** of the front facade rooftop addition unless the pitch is increased and the amount of glazing is increased to lessen visibility and to evoke a historic artist's studio window.

Vote: Unanimous, 42 Board members in favor.

7. *670 Broadway – Application is to construct a rooftop bulkhead (elevator) and additions.

Whereas:

A. The location of the bulkhead, adjacent to the existing elevator, is dictated by the structure of the building and is in the least visible practical location and is code conforming; and

B. The visible walls of the addition are in brick matching the existing elevator bulkhead and the non-visible walls are grey metal; and

C. The visibility is typical of similar rooftop structures in the district and does not detract from the building; and

D. Members of the public had questions about the application which were satisfactorily answered; now

Therefore be it resolved that CB2, Manhattan recommends approval of the application.

Vote: Unanimous, 42 Board members in favor.

8. *67 Greene St. – Application is to remove and replace diamond plate platform at sidewalk; construct new steps and install handrails; and replace damaged steel beams.

- A. The existing diamond plate is in poor condition and structural work at the cellar level is also required; and
- B. The portion of the platform in front of the two doors is to be lowered to the sidewalk level with two steps(which would benefit from nosing)and landing at the entrances, and there are simple metal railings; and
- C. The platform sections in front of the show windows are to be lowered to sidewalk grade; and
- D. Similar diamond plate material to the existing will be used throughout; and
- E. These modifications are similar to those approved by the Commission at the matching building next door; and
- F. The vertical pipe from a historic fire suppression system is to be retained, preserving this important historic artifice of the district; and
- G. It is noted that ADA access is not provided, as has been successfully carried out in similar buildings in the district, by lowering the entrances to grade or adding an exterior ramp; and
- H. It is noted that very similar buildings, especially those located next to one another and that are matching, in the district are undergoing widely divergent modifications with the loss of the unity that is an important feature of SoHo cast iron buildings; and
- I. A member of the public had questions and comments about the ADA aspects of the application; now

Therefore be it resolved that CB2, Manhattan recommends:

- A. **Approval** of removal of the platform, reconfiguration of the entrances provided that the steps are modified to provide nosing, and
- B. Replacing the diamond plate in kind; and
- C. That the applicant provide ADA access at the two entrances.

Vote: Unanimous, 42 Board members in favor.

LAND USE

1. City of Yes for Economic Opportunity – Citywide Text Amendment

The **City of Yes: Economic Opportunity** Zoning Text Amendment (COYEO) is an ambitious and historic reworking of New York City’s Zoning Resolution. MCB2 has found some benefits in the changes but has identified many concerns and objections that are specific to our District.

MCB2 agrees with numerous other community boards who feel that the timetable for community board review and response is unreasonably short and therefore counterproductive, given the wide-ranging changes that are proposed.¹⁷

Whereas:

The COYEO city-wide zoning text amendment raises the following overarching concerns:

- By allowing commercial uses above the ground floor in mixed-use buildings, the text amendment creates the potential for conflicts of uses that could directly impact quality of life in residential neighborhoods and buildings and the safety of their inhabitants.
- Maintaining community board review at its current level is essential as it is the best way to hear directly from the community about potential impacts—negative or positive. The elimination of community board review inherent in COYEO deprives the community and city of important information on proposed changes. Community Boards remain the primary source of information on the condition and needs of the neighborhoods and can give the most knowledgeable input on the impact of changes on the local level.
- Environmental standards are insufficiently defined and, in some cases, missing altogether.
- Current enforcement mechanisms are already sorely lacking, and it is hard to understand how future methods will be funded or enforced. Community Board input and oversight have been dramatically reduced through the:
 - Increased number of as-of-right scenarios that bypass public hearing or input and,
 - Elimination of ULURP even in instances of significant community impacts.

Therefore be it resolved that MCB2 recommends denial of COYEO in general and offers the following concerns in particular:

1. ***Proposal #1: Reactivation of storefronts.*** MCB2 believes that the recommendations of Community Boards where the impacts of these proposals would be more strongly felt should be given serious and respectful consideration.

¹⁷ [Joint Community Board letter requesting additional time to respond to COYEO:](https://cbmanhattan.cityofnewyork.us/cb2/wp-content/uploads/sites/9/2024/01/CYEOCBLetter2023.pdf) (<https://cbmanhattan.cityofnewyork.us/cb2/wp-content/uploads/sites/9/2024/01/CYEOCBLetter2023.pdf>)

[Response from Commissioner Dan Garodnick:](https://cbmanhattan.cityofnewyork.us/cb2/wp-content/uploads/sites/9/2024/01/DCP-Response-to-CB-sign-on-letter-2023-11-15.pdf) (<https://cbmanhattan.cityofnewyork.us/cb2/wp-content/uploads/sites/9/2024/01/DCP-Response-to-CB-sign-on-letter-2023-11-15.pdf>)

2. ***Proposal #2: Simplify district types.*** MCB2 has no specific comments and believes that the recommendations of community boards in which these proposals would be more strongly felt and should be given serious and respectful consideration.
3. ***Proposal #3: Allow manufacturing to be located in commercial zones.*** This provision turns C-zones into M-zones. MCB2 is skeptical of the relaxing of any standards related to permitting manufacturing uses in commercial districts without strict environmental standards and quality of life factors such as defining hours of operation and noise levels. MCB2 is concerned that the types of manufacturing to be allowed in C-districts will conflict with existing residences and businesses. The impacts of 24-hour “maker” activities are and will be negative. Manufacturers should only make goods to be sold at retail on the same premises and within regular business hours. We would prefer retaining the current separation of maker uses from residential and mixed-use zones.
4. ***Proposal #4: Remove loading requirements in existing buildings.*** If the requirement for loading docks is decreased, there should be a parallel requirement to provide more interior on-site storage to reduce the chances of quality-of-life conflicts between residents and businesses because of the noise and environmental impacts of more frequent deliveries. The greater issue is the degradation of quality of life for the surrounding residential units.
5. ***Proposal #5: Allow commercial uses above the ground floor in mixed-use buildings.*** We support maintaining the principle of housing being physically above commercial. If this passes, this particular proposal should be expressly limited to new construction approved after the date of the COYEO text change as the issues involved in retrofitting older buildings have not been sufficiently thought out. Additionally, we suggest augmenting the 15-foot separation between business and residential to also include: a) not sharing a common wall and b) not being directly above or below to mitigate sound issues as a result of 24/7 commercial uses. As written this proposal is unacceptable because of the negative impact on the quality of life.
6. ***Proposal #6: Rework the use group framework.*** This overhaul of the use groups provides well-needed modernization but is an example of how a one-size-fits-all approach does not work for MCB2. The new use group structure does not adequately address the overall environmental impacts of certain use groups. For example, eating and drinking being combined with other low impact uses is not helpful and the zoning text as a whole does not introduce appropriate Environmental Standards or Performance Standards to adequately create an appropriate framework with which to measure and regulate associated quality of life impacts within the broad spectrum of eating and drinking uses.

Additionally, the proposed text does not include Use Group 17D (JLWQA), which would appear to be an error. If, however, this is not an error and the intent is to eliminate Use Group 17D, then MCB2 is opposed to its removal.

7. ***Proposal #7: Urban agriculture.*** MCB2 has no specific comments and believes that the recommendations of Community Boards where the impacts of these proposals would be more strongly felt and should be given serious and respectful consideration.
8. ***Proposal #8: Change how zoning classifies and zones life sciences.*** MCB2 objects to this proposal because it does not require registration of all life sciences facilities with the Department of Health (DOH) nor publication of a list of facilities by address, including whether or not a particular facility is hazardous.
9. ***Proposal #9: Allow nightclubs to locate in more places.*** MCB2 objects to this proposal because it does not include environmental standards created with Community Board input. MCB2 is struggling with the impact of nightlife on residential areas. We are uncomfortable with undoing capacity limits. We are very concerned that noise, vibrations, odors and other disturbances would negatively impact surrounding residences and commercial establishments. These proposals will lessen our ability to curtail excesses and they will further degrade the quality of life for our community, which is already oversaturated with establishments like these.
10. ***Proposal #10: Allow amusements and rides to locate in more places.*** The proposal will introduce two categories of amusements: “amusement or recreation facility,” (which would allow uses like bowling, laser tag and arcades) and “amusement parks.” These changes will allow amusements in more locations. This proposal represents a real degradation of the quality of life in the community, and MCB2 does not support this proposal.
11. ***Proposal #11: Expand home occupations.*** This change raises a number of quality of life concerns. Home occupations are already problematic in our community district and would become more so with this proposal. The proposal is flawed in that there is no cap on the raw or percentage of square footage for a business or its related businesses, nor are there limits on the number of home businesses in a single residential building (through total number and/or percentage of units). The text change would not prohibit someone from expanding a business into a neighboring apartment, setting up a conflict between business uses and residential housing. The quality of life concerns with respect to potentially unlimited customer traffic and/or business hours are highly problematic: commercial uses bring new and more people into a building, which makes security more difficult, and 24-hour commercial use in a mixed-use building needs careful evaluation. Furthermore, the expectation that the Department of Buildings (DOB) will enforce these rules is unreasonable and unattainable.

If Proposal #11 of COYEO passes the City Council, CB2 recommends the elimination of the JLWQA conversion fee and Arts Fund enacted in the recent SoHo/NoHo rezoning.

We recommend retaining the current definitions and regulations of home occupations.

12. ***Proposal #12: Provide new and standardized urban design rules.*** MCB2 opposes any changes to the rules for the Special Little Italy District (SLID) and thus opposes any part of this proposal which would allow such changes. Replacing the use group for the SLID

(Use Group LI) with the standardized use groups would not limit the new uses, such as manufacturing, amusements and nightclubs. Due to this standardization, this special district would be subject to businesses that decrease the quality of life and displace long-standing local businesses that are essential to the special district. Furthermore, in the SoHo/NoHo Special District, the just-approved streetscape rules are deleted entirely and replaced with the standardized rules. MCB2 is opposed to any changes to ground floor uses in the SLID.

The proposed text appears to contain a drafting error with respect to the ground floor uses in the SLID and the SoHo/NoHo Mixed Use District. The map (Map1 in Appendix A of Section 143-00 of the Zoning Resolution) needs to be either updated to clearly show what streets qualify as Tier B and Tier C, or deleted in its entirety, if all streets now qualify as Tier C. If kept, it should also delete references to “Primary Street Frontage (143-15(a))” since that type of street and the referenced zoning section would no longer exist, if this text were to pass.

13. ***Proposal #13: Auto repair.*** MCB2 has no specific comments and believes that the recommendations of Community Boards where the impacts of these proposals would be more strongly felt and should be given serious and respectful consideration.
14. ***Proposal #14: Permit micro-distribution facilities.*** MCB2 objects to permitting micro-distribution facilities which are effectively dark stores. MCB2 believes that all retail stores should be accessible to consumers to promote a vibrant retail streetscape.
15. ***Proposal #15: Campus commercial.*** MCB2 has no specific comments and believes that the recommendations of community boards where the impacts of these proposals would be more strongly felt and should be given serious and respectful consideration.
16. ***Proposal #16: Allows agency authorizations for “corner stores.”*** MCB2 objects to the removal of the elected officials from the process of approval of “corner stores.” CPC will have no required local, public input into such a change. A Community Board may submit an opinion but there is no way to back up that opinion with required action by the City Council. Community Boards and elected officials have been taken out of the loop on very local questions. Instead of those with expert knowledge of an area having a participatory and decision-making role, this proposal would make CPC the final and only arbiter.
17. ***Proposal #17: Allow special permits and authorizations for bulk and use without City Council authorization.*** MCB2 opposes removing the role of the City Council from the approval process as that would remove an important oversight step and reduce the chances that storefronts might be combined without review.
18. ***Proposal #18: New loft-style district.*** MCB2 has no specific comments and believes that the recommendations of Community Boards where the impacts of these proposals would be more strongly felt and should be given serious and respectful consideration.

Vote: Passed, 24 Board Members in favor, 14 against (A. Aaron, A. Azcuy, W. Benesh, A. Brenna, R. Chatree, V. De La Rosa, C. Dignes, R. Kessler, M. Metzger, E. Olson, Z. Roberts, R. Sanz, E. Smith, S. Smith), 1 abstention (E. Ma), 3 recusals (J. Kiely, B. Riccobono, E. Yoo).

2. 388 Hudson Street Update: Presentation by the NYC Department of Housing Preservation & Development on its community outreach and engagement.

Whereas:

1. On January 10, 2024, representatives of NYC Department of Housing Preservation and Development (HPD) presented the results of the Community Visioning process for affordable housing at 388 Hudson Street; and
2. MCB2 has written many resolutions in support of the proposed affordable housing at 388 Hudson Street.

Therefore be it resolved:

1. MCB2 reiterates the importance of a new, modern, multi-floor recreation center at the base of the 388 Hudson Street building. There is no indoor, all-weather recreation space in our community and this request has been made very clear from the start. The Board has never advocated for a supermarket, particularly since the area already includes at least three grocery stores in a walkable distance. Because HPD's survey and workshop questions did not specifically include a recreation center as one of the choices, this priority was not properly reflected in the Community Visioning Report.
2. MCB2 demands a holistic approach to the design of 388 Hudson to reflect expertise in architecture, urban design, engineering, sustainability, and historic preservation.

Like the GSA Design Excellence program, this project should include guiding principles as part of the planning document to ensure quality design and construction. Along with the project requirements, the planning document should include the selection process of the lead designer and design firm. The GSA Design Excellence program relies on and advocates for a qualified group of professional peers that are involved in selecting the design firms and critique the project throughout.

An exceptional site for exceptional use deserves an exceptional building. This building lies on the border of low-rise buildings of Greenwich Village to the north and Hudson Square with tall buildings to the south. The building should take advantage of this boundary and respond architecturally to both. We need the finest architects and engineers to create beauty and inspire pride for now and future generations.

3. MCB2 continues to ask the city to build on the entire footprint of the 388 Hudson housing site and eliminate the currently proposed setback of approximately 10 feet on the south side of the lot. MCB2 recommends that part of the planning for this site should be a careful analysis of the requirements for maintenance and repair on the DEP site. Then HPD can negotiate with DEP to integrate the two sides of the lot, to help maximize housing and create a focal point with a beautiful three-dimensional space yet still satisfy the DEP's requirements. It is worth the effort. Cantilevers and large openings combined with a well-functioning DEP site would benefit the project. Even with cantilever, the south facade would still benefit from low sun in winter and partial shade in summer. A creative design should integrate the lots and provide a south facade that is not a sheer straight razor cut face and would erase the straight line between the north and south sides of the property.
4. MCB2 reiterates that HPD and DEP work together to create more space for as much housing as possible.
5. MCB2 reserves the right to comment further on the Community Visioning Report and the project in general.

Vote: Passed, 39 Board Members in favor, 1 against (C. Dignes), 2 abstentions (R. Kessler, R. Sanz).

SLA LICENSING 1

1. **APPA LLC dba Brewlita 227 Mulberry St, store 2 10012 (TW-Bar/Tavern) (previously unlicensed)**
 - i. **Whereas**, the Applicants and the Applicant's attorney appeared before Community Board 2, Manhattan's SLA Licensing Committee #1 for a Tavern Wine License to operate an casual neighborhood café with a focus on specialty coffees, teas, breakfast and lunch on the ground floor of a C6-2-zoned, seven (7)-story building (circa 1999) on Mulberry Street between Spring and Prince Streets (Block #495/Lot #33), the building falling within the Special Little Italy District; and
 - ii. **Whereas**, the storefront premises is approximately 800 sq. ft.; there are five (5) tables and 12 seats, six (6) sofa/window seats and one food counter with no seats for a total seated occupancy of 18 persons; there is one (1) entry which will serve as patron ingress and egress and one (1) bathroom; the store front infill being fixed with no operable doors or windows that open out to the sidewalk; there will be no outdoor seating; and
 - iii. **Whereas**, the hours of operation will be 9 AM to 9 PM Sundays through Saturdays (7 days a week); music will be quiet background only consisting of music from iPod/CDs/streaming services; there will be no dancing, DJs, live music, promoted events, no scheduled performances or cover fees, no velvet ropes, no movable barriers and no security personnel/doormen; and

- iv. **Whereas**, the Applicant has been operating with the same method of operation, albeit without the service of alcohol, for the past two years at this location without incident; and
- v. **Whereas**, there already are a significant number of licensed establishments in both Community Board 2 and in the immediate area, there being **78 active licenses** within 750 feet of the proposed premises to be licensed and an additional 4 pending licenses within this same area, this application being for the service of Beer and Wine only and thus not subject to the 500 Foot Rule; and
- vi. **Whereas**, the Applicant has executed and has had notarized a Stipulations Agreement with Community Board 2, Manhattan that they agreed to submit to the NYSLA and agreed would be attached and incorporated into the method of operation of the Tavern Wine License, with those stipulations as follows:
1. Premises will be advertised and operated as casual neighborhood café and coffee shop and will serve food during all hours of operation.
 2. The hours of operation will be 7 AM to 9 PM Sundays through Saturdays. No patrons will remain after stated closing time.
 3. Will not operate as a Lounge, Tavern or Sports Bar or allow any portion of premises to be operated in that manner.
 4. Will not operate a backyard garden or any other outdoor area for commercial purposes including any sidewalk café and/or roadbed seating.
 5. Will not apply for a class change to their liquor license in the future.
 6. Will play quiet ambient recorded background music only, inclusive of any private parties or events. No music will be audible in any adjacent residences at any time.
 7. Will not have televisions.
 8. Will close all doors and windows at all times allowing only for patron ingress and egress.
 9. Will not install or have French doors, operable windows or open facades.
 10. Will not make changes to the existing façade except to change signage or awning.
 11. Will comply with NYC Department of Buildings Regulations and will keep current at all times required Permits and Certificates.
 12. Will not have unlimited drink or unlimited food and drink specials. Will not have “boozy brunches.” No pitchers of beer.
 13. Will not have any of the following: dancing, DJs, live music, promoted events, any event for which a cover fee is charged, scheduled performances, velvet ropes or barricades, security personnel/doormen.
 14. Will appear before CB2, Man. prior to submitting any changes to any stipulation agreed to herein.
 15. Will appear before CB2, Man. for alteration to license prior to submitting plans for any sidewalk, roadbed or other outdoor seating.

THEREFORE BE IT RESOLVED that Community Board 2, Manhattan recommends **denial** of the application for a new Tavern Wine License in the name of **APPA LLC dba Brewlita 227 Mulberry St, store 2 10012** **unless** the statements presented by the Applicant are accurate and complete and that all the conditions and stipulations agreed to by the Applicant are incorporated into the “Method of Operation” of the NYSLA Liquor License.

Vote: Passed, 41 Board Members in favor, 1 abstention (M. Metzger).

2. **Iaccas Corp dba Old Fashion Cafe 110 Thompson 10012** (OP–Restaurant) (Change in Method of Operation)
- i. **Whereas**, the Applicant and the Applicant’s Attorney appeared before Community Board 2, Manhattan’s SLA Licensing Committee #1 to present an application for a Change in Method of Operation to the existing On-Premises Restaurant license (SN#0340-23-136034, legacy #1348100, exp 3/31/2025) to continue to operate a café and bistro in the non-conforming basement space of a six (6)-story, residential walk-up building (c. 1900, zoned R7-2) on Thompson Street between Spring and Prince Streets (Block #502 / Lot #12), the building falling within NYC’s LPC-designated Sullivan-Thompson Historic District; and
 - ii. **Whereas**, the premises is in a 750 sq. ft. cellar space accessed via a sidewalk stairway, there are 10 tables and 31 seats, one (1) stand up bar with four (4) seats for a total seated occupancy of 35, there are no TVs, there is a full service kitchen, one (1) bathroom and one (1) entrance/exit for patron ingress and egress; and
 - iii. **Whereas**, the Applicant has been operating since Fall/2022, the current closing hours being 12 AM Sundays through Thursdays and 1 AM Fridays and Saturdays, the change in method of operation is to close an hour later each night (1 AM closing Sundays through Thursdays and 2 AM Fridays and Saturdays); music will remain quiet background only consisting of music from iPod/CDs; there will be no dancing, DJs, live music, promoted events, scheduled performances or cover fees, velvet ropes or movable barriers, security personnel or doorman; and
 - iv. **Whereas**, the immediate residential neighborhood is currently saturated with licensed premises with **55 active licenses** listed on LAMP within 750 feet of the instant application; the Applicant stating when they originally appeared before CB2, Manhattan in [June/2022](#) that they were a restaurant and would have a limited number of cocktails in order for patrons to have a drink with their dinner and they would not operate as a bar or lounge; the change in method of operation for the later hours are not in alignment with restaurant hours or the residential community within which they are located, the Applicant themselves stating that the other neighboring restaurants close at midnight or earlier and that they want to stay open later to provide a place for people to go for their last cocktail, the later hours raising significant concerns that the operation will be that of a bar rather than a restaurant, the Applicant’s website prominently featuring their cocktail menu before their food menu and spotlighting cocktail bar awards, the Applicant stating that they currently have a problem getting patrons to leave promptly by 1 AM as they’ve recently ordered a drink, their website currently showing closing hours of 1 AM, 7 days a week despite the Applicant signing stipulations of 12 AM closing Sundays through Thursdays (thereby operating in derogation of their agreed upon stipulations), the Applicant at the time of executing their stipulations understanding that closing hours means all patrons out and not last call; and
 - v. **Whereas**, when the Applicant came to CB2 a year and a half ago for their initial license they asked for closing hours of 12 AM weekdays and 1 AM weekends, those hours meeting the

needs of their business model and being later than most of the other nearby restaurants, this immediate area being a residentially only-zoned neighborhood with concerns being raised that the method of operation need to be that of a restaurant and not of a bar, the premises falling midblock on a residential street, the Applicant signing stipulations agreeing that all patrons would be out by those hours in order to meet the public interest standard of their On-Premises Liquor license, nothing has substantively changed since that time, the premises remains surrounded by residences in an area where new licenses are continuously coming before Community Board 2, the requested later hours being better suited to a commercial area and not mid-block on a narrow residential street; and

- vi. Whereas,** included in the initial application was sidewalk seating consisting of two (2) tables and four (4) chairs as part of the temporary Open Restaurants program, the premises being below grade and therefore not eligible for the program as it applied to ground floor premises only, this being a residentially-zoned neighborhood with narrow sidewalks where outdoor seating had never previously been permitted, the outdoor seating of nearby eating and drinking establishments already having had negative quality of life impacts for residents, the Applicant agreeing that they would remove outdoor seating from their application and signing stipulations agreeing to the same as part of meeting the public interest, yet the Applicant has been operating in derogation of those stipulations and has two (2) tables and four (4) seats on the sidewalk above their premises; and
- vii. Whereas,** in addition, at the time of the initial application in June/2022 it was pointed out that there was a discrepancy between the provided Letter of No Objection (dated July 13, 2012) permitting an eating and drinking establishment on the first (1st) floor of the licensed premises and the lease for the subject licensed premises dated April 1, 2022 which is for the basement retail space, it being unclear if an eating and drinking establishment is permitted in the basement of the premises, the Applicant being asked to provide a new Letter of No Objection at the time for the basement of the licensed premises and to date has failed to do so; and
- viii. Whereas,** some members of the local community came to support the application while at the same time stating that patrons leaving the premises and mingling outside at closing creates a disturbance, other residents wrote opposing any extension of hours and addressing the change in what had been a relatively quiet residential block which has seen the addition of more restaurants to the area and more open doors and windows creating a negative quality of life impact on the residents in this residential area and asking that a balance be maintained between the needs of the residents and those of the businesses; and
- ix. Whereas,** the Applicant is currently not abiding by the previously agreed-to hours of 12 AM closing Sunday through Thursday, the current late night exiting of patrons already causing a disturbance to residents, the current hours already being later than surrounding restaurants, there being no lack of restaurants and/or bars in this residential neighborhood and the surrounding commercial area (this location being in the residential district), the Applicant providing no compelling reason for why this restaurant should have bar hours with it being located mid-block on a residential street further exacerbating quality of life issues; and

THEREFORE BE IT RESOLVED that CB2, Man. recommends **denial** of the Change in Method of Operation Application for **Iaccas Corp dba Old Fashion Cafe 110 Thompson 10012**; and

THEREFORE BE IT FURTHER RESOLVED that should this application be considered by the NYSLA, CB2, Man. respectfully requests that this item be calendared to appear before the Full Board of the NYSLA before any Change in Method of Operation to the existing On-Premises Liquor License is issued to this Applicant.

Vote: Passed, 40 Board Members in favor, 1 against (R. Sanz), 1 abstention (M. Metzger).

3. Ras Plant Based LLC dba Ras Plant Based 170 Bleecker 10012 (OP–Restaurant) (Transfer)

- i. Whereas**, the Applicants and the Applicants’ attorney appeared before Community Board 2, Manhattan’s SLA Licensing Committee #1 for an On-Premises Liquor License to operate a plant-based Ethiopian full-service restaurant on the ground floor of a R7-2/C1-5-zoned, six (6)-story walk-up tenement building (circa 1900, altered 1987) on Bleecker Street between MacDougal and Sullivan Streets (Block #526/Lot #64), this building having a rich history, originally being the American Seaman’s Friend Society Sailors Home and Institute and a designated New York City Landmark building falling within NYC LPC’s designated South Village Historic District; and
- ii. Whereas**, the premises is approximately 2,550 sq. ft. with 2,000 sq. ft. on the ground floor and 550 sq. ft. in the basement, the basement being accessed by a sidewalk hatch and not for patron service; there will 24 tables with 45 seats and one bar with 10 seats for a total seated occupancy of 55 persons and a maximum legal occupancy of 74 persons; there are four (4) doors with the main patron entry/egress being on Bleecker Street, and two (2) bathrooms; the store front infill being fixed along Sullivan Street with operable doors already existing on Bleecker Street; and
- iii. Whereas**, the hours of operation will be from 11 AM to 12 AM Sundays through Saturdays (7 days a week); music will be quiet background only consisting of music from iPod/CDs/streaming services; there will be no dancing, DJs, live music, promoted events, no scheduled performances or cover fees, no velvet ropes, no movable barriers and no security personnel/doormen; and
- iv. Whereas**, any future sidewalk seating applied for under the permanent outdoor dining program will be on Sullivan Street only and will close by 10 PM, conforming to all other rules and regulations of the outdoor dining program; there will be no outdoor seating on Bleecker Street; and
- v. Whereas**, the storefront premises was previously operated from 2022 as Nat’s on Bleecker LLC (SN#1346550) with a similar method of operation, albeit a restaurant serving American fare, prior to that it was Junzi NYU LLC dba Junzi Kitchen (SN# 0340-18-104216, legacy SN#1310707) from approximately 2018–2020, the Applicants holding a license in Brooklyn

under MRR Rest LLC dba RAS (SN#0340-22-112648) for a similar restaurant, this being a transfer of assets from Nat's on Bleecker to the applicant; and

vi. Whereas, the Applicant has executed and has had notarized a Stipulations Agreement with Community Board 2, Manhattan that they agreed to submit to the NYSLA and agreed would be attached and incorporated into the method of operation of the On-Premises Restaurant license, with those stipulations as follows:

1. Premises will be advertised and operated as a full-service Ethiopian restaurant with the kitchen open and full menu items available until closing every night.
2. The hours of operation will be 11 AM to 12 AM Sundays through Saturdays. No patrons will remain after stated closing time.
3. Will not operate as a Lounge, Tavern or Sports Bar or allow any portion of premises to be operated in that manner.
4. Any future sidewalk seating applied for under the permanent program will be on Sullivan Street only and will close by 10 PM. All tables and chairs will be removed from the sidewalk at this hour. No exterior music, speakers or TVs. There will be no exterior seating on Bleecker Street.
5. Will play quiet ambient recorded background music only, inclusive of any private parties or events. No music will be audible in any adjacent residences at any time.
6. Will not have televisions.
7. Will close to the public for private parties not more than 20 times per year.
8. Will close all doors and windows at 10PM every night, allowing only for patron ingress and egress..
9. Will ensure doorway to the common hallway is an alarmed door to prevent patron and employee access aside from in case of emergency.
10. Will not have patron occupancy/service to any portion of the basement of licensed premises.
11. Will not install or have French doors, operable windows or open facades on Sullivan Street.
12. Will not make changes to the existing façade except to change signage or awning. There will be no LED or neon signs.
13. Will comply with NYC Department of Buildings Regulations and will keep current at all times required Permits and Certificates.
14. Will not have unlimited drink or unlimited food and drink specials. Will not have “boozy brunches.” No pitchers of beer.
15. Will not have any of the following: dancing, DJs, live music, promoted events, any event for which a cover fee is charged, scheduled performances, velvet ropes or barricades, security personnel/doormen.
16. Will appear before CB2, Man. prior to submitting any changes to any stipulation agreed to herein.
17. Will appear before CB2, Man. for alteration to license prior to submitting plans for any sidewalk, roadbed or other outdoor seating.

vii. Whereas, this application being subject to the 500 Foot Rule requiring the Applicant to demonstrate that the public interest and public convenience would be served by the granting of a liquor license at this location where there already are a significant number of licensed establishments in Community Board 2 and in the immediate area, there being **131 active**

licensed premises within 750 feet of the subject premises, in addition to 14 pending licenses, the Applicant bringing a relatively unique food offering to the neighborhood and executing a stipulations agreement with Community Board 2 Manhattan for the sole purpose of establishing public interest, and

THEREFORE BE IT RESOLVED that Community Board 2, Manhattan recommends **denial** of the application for a new On-Premises Restaurant Liquor License in the name of **Ras Plant Based LLC dba Ras Plant Based 170 Bleecker 10012** **unless** the statements presented by the Applicant are accurate and complete and that all the conditions and stipulations agreed to by the Applicant are incorporated into the “Method of Operation” of the NYSLA Liquor License in order to create public interest for the issuance of this liquor license.

Vote: Passed, 41 Board Members in favor, 1 abstention (M. Metzger).

4. Kabisera Kape LLC dba Kabisera 261-267 Canal St-stall #11 10013 (RW–Restaurant)

- i. Whereas,** the Applicants and the Applicant’s Attorney originally appeared before Community Board 2, Manhattan’s SLA Licensing Committee #1 in [July/2023](#) to present an application to the NYS Liquor Authority for a new Restaurant Wine License to operate a Filipino restaurant located in the Canal Street Market, an indoor market located on the ground floor of an M1-5/R10-zoned, six (6)-story mixed-use building (c. 1857) on Canal Street between Lafayette Street and Cortlandt Streets (Block #209/Lot #28), the building falling within NYC LPC’s designated SoHo-Cast Iron Historic District Extension and the Special SoHo-NoHo Mixed Use District; CB2, Manhattan unanimously recommended approval of the application at their July/2023 full board meeting; and
- ii. Whereas,** the original application had two principals listed, the one signing the original 30-day notice has since dropped out, the NYSLA requiring the remaining Applicant to renotify the Community Board this month of the change, the remaining and sole principal being the one who signed and executed the original stipulation agreement with CB2, Man., there being no changes in method of operation and therefore no changes to the stipulation agreement needed, appearance was waived; and

THEREFORE BE IT RESOLVED that Community Board 2, Manhattan recommends **denial** of the application for a new Restaurant Wine License in the name of **Kabisera Kape LLC dba Kabisera 261-267 Canal St–stall #11 10013**, **unless** the statements presented by the Applicant are accurate and complete and that the conditions and stipulations agreed to by the Applicant remain incorporated into the “Method of Operation” of the NYSLA Liquor License.

Vote: Passed, 41 Board Members in favor, 1 abstention (M. Metzger).

SLA LICENSING 2

1. Kook Burger and Bar NYC LLC dba Kook Burger & Bar 47 7th Ave S aka 13 Morton Street 10014 (OP–Restaurant)

- i. Whereas,** the Applicant and the Applicant’s Attorney appeared before Community Board 2, Manhattan’s SLA #2 Committee to present an application to the NYS Liquor Authority for an On-Premises Restaurant Liquor License to operate a casual restaurant specializing in hand-crafted and made-to-order smash burgers, chicken sandwiches and wings, milk shakes, craft beer and more in the ground floor storefront of a five (5)-story, C2-6-zoned, mixed-use building (c. 1896) on the northeast corner 7th Avenue South and Morton Street (Block #587/Lot #7502) with residential apartments above and adjacent to the premises, the building falling within NYC LPC’s Greenwich Village Historic District Extension II; and
- ii. Whereas,** the ground floor premises is roughly 2,600 sq. ft. (1,900 sq. ft. on the ground floor connected by an interior staircase to a 700 sq. ft. basement which includes a full service kitchen, there being no patron use of the basement); there are 14 tables with 52 seats and one wrap around bar with 13 seats located partly inside the enclosed sidewalk café for a total seated patron occupancy of 65, there is one (1) entry on 7th Avenue South which will serve as patron ingress and egress, one entry on Morton street which will be used for emergency egress only and two (2) bathrooms; there is no outdoor seating; there are no existing French doors but there are existing operable windows running along 7th Avenue South which wrap around to the Morton Street façade; and
- iii. Whereas,** the hours of operation are from 10 AM to 11 PM Sundays, 11 AM to 11 PM Mondays through Thursdays, 11 AM to 12 AM Fridays and 10 AM to 12 AM Saturdays; music will be quiet background only consisting of music from iPod/CDs/streaming services, the windows on Morton Street will be closed at all times, the windows on Seventh Avenue South will be closed by 10 PM every night and the Applicant further agreeing take all reasonable measures, including soundproofing and volume control to insure that music will not be audible in apartments above and/or adjacent to the licensed premise; there will be two (2) TVs, the premises will not operate as a sports bar, all doors and windows on Morton Street will be closed at all times, the doors and windows on 7th Ave South will close at 10 PM nightly, there will be no DJs, no live music, no promoted events, no scheduled performances or cover fees, no velvet ropes, no movable barriers, no security personnel/doormen; and
- iv. Whereas,** there is a long-standing, pre-existing enclosed sidewalk café along 7th Avenue South, during the construction of the enclosed sidewalk cafe the exterior building wall was significantly removed making the interior of the enclosed sidewalk café appear as if part of the interior of the building, the enclosed sidewalk café having been previously licensed with the Department of Consumer Affairs and which will continue to be used as a qualifying pre-existing enclosed sidewalk café under the new outdoor dining program, there will be no other outdoor area used for commercial purposes including any unenclosed sidewalk café or roadbed seating; and
- v. Whereas,** the premises has been operating as Mad Morton and licensed under Cara JECM LLC (SN#0340-21-120882, legacy #1319827, exp. 12/31/25) for approximately four (4) years, having come before CB2, Manhattan in [December/2018](#) for an On-Premises Liquor license with closing hours of 12 AM Sundays through Wednesdays and 1 AM Thursdays through Saturdays, CB2 Manhattan’s full board unanimously recommending approval with

executed stipulations being adhered to; the Applicant filing a 30-day notice with CB2, Manhattan for a change in method of operation in October/2022 to extend the hours of operation until 2 AM 7 days a week, laying the application over until finally withdrawing it in February/2023, the community board receiving numerous letters in opposition to the extension of hours from residents of the building and immediately surrounding area citing Mad Morton's disregard for their neighbors in operating in derogation of their signed stipulations including complaints about noise from interior music, noise from patrons gathering on the sidewalk particularly on Morton Street, disregard of the Condo Rules and Regulations regarding installing unauthorized venting, operating past their stated closing time amongst other complaints; and

- vi. **Whereas**, the current Applicants operate another restaurant going by the same name in Philadelphia, PA and have no association with the current operator at this location, the Applicant posting flyers around the area inviting members of the community to a virtual meeting to learn more about their application, this application being placed on CB2 Manhattan's calendar during the holidays, the CB2, Man. SLA Committee meeting falling in the first week of January/2024, the Applicant able to connect with one resident living across the street just prior to the CB2 Man. SLA Committee meeting but failing to connect with any residents of the immediate building, hearing the concerns regarding late night noise due to the operation of the current occupant of the premises, agreeing to reduce their closing hours to 11 PM during the week and 12 AM on the weekends, those hours being an hour earlier than the current occupant of the premises; and
- vii. **Whereas**, a resident of the co-op where the instant application is located appeared at the meeting, having previously been unaware of the application despite flyers being posted by the Applicant as well as by the Community Board, to express opposition to the instant application, asking for closing hours of 10 PM weekdays and 11 PM weekends despite the current licensee having hours of 12 AM and 1 AM, raising additional concerns about the Applicant adhering to any closing hours based on their experience with the current tenant and not on the current Applicant, citing concerns about noise coming from the premises, the current operations causing adverse impacts on the quality of life for the residents; and
- viii. **Whereas**, the Applicant, stating there have been no complaints with their operation in Philadelphia, has agreed to earlier hours than the current licensee at the location in an effort to allay concerns of nearby residents and is aware that the closing hours mean all patrons are out of the premises by that time; in addition, in contrast to their operation in Philadelphia which has a sports-bar aspect to it operating with 30+ 60" TVs, this establishment will not be operating as a sports bar, will have not more than two (2) TVs no larger than 42", will have background music only and will not permit any use of the Morton Street door; and
- ix. **Whereas**, the Applicant has executed and has had notarized a Stipulations Agreement with Community Board 2, Manhattan which will be incorporated into the "Method of Operation" of the On-Premises Liquor License, with those stipulations as follows:
 - 1. The Applicant will operate a full-service restaurant, specifically a family-friendly casual restaurant specializing in hand-crafted and made-to-order smash burgers,

- chicken sandwiches and wings, etc. with full menu items available until closing every night.
2. The hours of operation will be 10 AM to 11 PM Sundays, 11 AM to 11 PM Mondays through Thursdays, 11 AM to 12 AM Fridays and 10 AM to 12 AM Saturdays. No patrons will remain after stated closing time.
 3. The premise will not operate as a Lounge, Tavern or Sports Bar or allow any portion of premises to be operated in that manner.
 4. There is a pre-existing enclosed sidewalk café which was previously licensed with the Department of Consumer Affairs and which will continue to be used as a qualifying preexisting enclosed sidewalk café under the new outdoor dining program. There will be no other outdoor area used for commercial purposes including any unenclosed sidewalk café and/or roadbed seating, including any open streets outdoor seating, and no exterior service of alcohol.
 5. Will play quiet ambient recorded background music only. No music will be audible in any adjacent residences at any time.
 6. Will not have speakers in the enclosed sidewalk café.
 7. Will have no more than two (2) televisions no larger than 42". There will be no projectors and TV will not be wired into the restaurant sound system.
 8. Will close all doors and windows on Morton Street at all times. The Morton Street door will be used for emergency egress only and will not be used at any time for patron or staff ingress or egress. Will install push bar exit alarm on Morton Street door.
 9. Will close all doors and windows on 7th Ave South at 10 PM nightly. The Northern 7th Ave South door will be the only entrance/exit regularly used for patrons and staff. All other doors are for emergency use only.
 10. Will take all measures, including sufficient sound remediation, sound attenuation and volume control of interior music levels, to prevent the issues of the previous operator and ensure that music is not audible in apartments above and/or adjacent to licensed premises.
 11. Will conduct sound tests with residents of 13 Morton Street co-op as permitted.
 12. Will meet with the co-op board of 13 Morton Street and work with them to ensure the operations of the licensed premises does not cause a disturbance to the residential property owners of the building.
 13. Will not have patron occupancy/service to any portion of the basement of licensed premises.
 14. Will not make changes to the existing façade except to change signage or awning.
 15. Will comply with NYC Department of Buildings Regulations and will keep current at all times required Permits and Certificates.
 16. Will provide a valid Certificate of Occupancy permitting eating and drinking for store front premises proposed to be licensed prior to opening.
 17. Will not have unlimited/bottomless drink or unlimited food and drink specials. Will not have "boozy brunches." No pitchers of beer.
 18. There will be no "bottle service" or the sale of alcohol by the bottle, except for beer and wine products.

19. Will not have any of the following: dancing, DJs, live music, promoted events, any event for which a cover fee is charged, scheduled performances, velvet ropes or barricades, or doormen/security personnel.
 20. Will appear before CB2, Man. prior to submitting any changes to any stipulation agreed to herein.
 21. Will appear before CB2, Man. for alteration to license prior to submitting plans for any sidewalk, roadbed or other outdoor seating.
- x. **Whereas**, this application being subject to the 500 Foot Rule requiring the Applicant to demonstrate that the public interest would be served by adding another liquor license at this location, this area already being saturated with licensed premises, there being **115 active licenses** within 750 feet of the proposed premises to be licensed and an additional 17 pending licenses within this same area, the Applicant reducing the operating hours from those of the current licensed operator, the agreed upon stipulations satisfying the public interest standard albeit subject to the Applicant and Licensee abiding by those agreed upon stipulations in the future, the Applicant providing assurances that would be the case; and

THEREFORE BE IT RESOLVED that Community Board 2, Manhattan recommends **denial** of the application for an On-Premises Restaurant Liquor License to **Kook Burger and Bar NYC LLC dba Kook Burger & Bar 47 7th Ave S aka 13 Morton Street 10014** **unless** the statements presented by the Applicant are accurate and complete and that the conditions and stipulations agreed to by the Applicant remain incorporated into the “Method of Operation” of the NYSLA Liquor License in order to create public interest for the issuance of this liquor license.

Vote: Passed, 41 Board Members in favor, 1 abstention (M. Metzger).

2. Xandra Hospitality LLC dba Kabin 300 Spring St 10013 (OP–Bar/Tavern) (Transfer)

- i. **Whereas**, the Applicant and the Applicant’s attorney appeared before Community Board 2, Manhattan’s SLA Licensing Committee #2 for a On-Premises Tavern Liquor License to operate a Norwegian-inspired neighborhood cocktail bar with Michelin-level food service on the ground floor of a C6-2A-zoned, seven (7) story residential condominium building (circa 2005) on Spring Street between Hudson and Renwick Streets (Block #594/Lot #7507) in Hudson Square; and
- ii. **Whereas**, this storefront location was previously operated as a restaurant known as Pine & Polk, the interior storefront being roughly a 3,127 sq. ft. premise (2,000 sq. ft. first floor and 1,000 sq. ft. basement, the basement being used for food prep/storage/lockers but not for patron service), with 12 tables and 32 table seats and one (1) bar with 10 seats for a total patron seating occupancy for 42 patrons; there is one (1) patron entrance and two (2) bathrooms, the storefront’s infill being fixed and without French doors or operable windows, there may be a small sidewalk café with 5 tables and 10 seats which will close by 10 PM Sundays through Thursdays and 11 PM Fridays and Saturdays; there will be no roadbed seating or structure built in the roadway on Spring Street; and

- iii. **Whereas**, the hours of operation will be from 5 PM to 12 AM Sundays through Thursdays and 5 PM to 1 AM Fridays and Saturdays; music will be quiet background only consisting of music from iPod/CDs/streaming services; there will be no dancing, DJs, live music, promoted events, no scheduled performances or cover fees, no velvet ropes, no movable barriers and no security personnel/doormen; and
- iv. **Whereas**, the storefront premises was previously operated from 2022 to the present as Pine and Polk LLC dba Pine & Polk/Pacific Standard (SN# 0340-22-111530, legacy SN#1340918), this being a transfer of assets to the Applicant; and
- v. **Whereas**, the Applicant has executed and has had notarized a Stipulations Agreement with Community Board 2, Manhattan that they agreed to submit to the NYSLA and agreed would be attached and incorporated into the method of operation of the On-Premises Tavern Liquor License, with those stipulations as follows:
 - 1. Premises will be advertised and operated as a Norwegian-inspired neighborhood cocktail bar with Michelin level food service with the full food menu available during all hours of operation.
 - 2. The hours of operation will be from 5 PM to 12 AM Sundays through Thursdays and 5 PM to 1 AM Fridays and Saturdays. No patrons will remain after stated closing time.
 - 3. Will not operate as a Sports Bar or allow any portion of premises to be operated in that manner.
 - 4. Principal will be on the premises a majority of the time to manage the licensed premises.
 - 5. Any future sidewalk seating applied for under the permanent Outdoor Dining program will consist of not more than 5 tables and 10 patron seats, close by 10 PM Sundays through Thursdays and 11 PM Fridays and Saturdays and conform to all rules and guidelines of the program. All tables and chairs will be removed from the sidewalk at this hour. No exterior music, speakers or TVs.
 - 6. No roadbed seating.
 - 7. Will play quiet ambient recorded background music only, inclusive of any private parties or events. No music will be audible in any adjacent residences at any time.
 - 8. Will have no more than 12 private parties per year.
 - 9. Will not have televisions.
 - 10. Will close all doors and windows at all times, allowing only for patron ingress and egress.
 - 11. Will not have patron occupancy/service to any portion of the basement of licensed premises.

 - 13. Will not make changes to the existing façade except to change signage or awning.
 - 14. Will comply with NYC Department of Buildings Regulations and will keep current at all times required Permits and Certificates.
 - 15. Will not have unlimited drink or unlimited food and drink specials. Will not have “boozy brunches.” No pitchers of beer.
 - 16. Will not have any of the following: dancing, DJs, live music, promoted events, any event for which a cover fee is charged, scheduled performances, velvet ropes or barricades, security personnel/doormen.

17. Will appear before CB2, Man. prior to submitting any changes to any stipulation agreed to herein.
18. Will appear before CB2, Man. for alteration to license prior to submitting plans for any sidewalk, roadbed or other outdoor seating.

- vi. **Whereas**, this application being subject to the 500 Foot Rule requiring the Applicant to demonstrate that the public interest would be served by adding another liquor license at this location, there being **23 active licensed premises** within 750 feet of the proposed premises to be licensed and an additional 6 pending licenses within this same area, the Applicant's agreed upon stipulations satisfying the public interest standard albeit subject to the Applicant and Licensee abiding by those agreed upon stipulations in the future; and

THEREFORE BE IT RESOLVED that Community Board 2, Manhattan recommends **denial** of the application for an On-Premises Bar/Tavern Liquor License in the name of **Xandra Hospitality LLC dba Kabin 300 Spring St 10013** **unless** the statements presented by the Applicant are accurate and complete and that all the conditions and stipulations agreed to by the Applicant are incorporated into the "Method of Operation" of the NYSLA Liquor License.

Vote: Passed, 41 Board Members in favor, 1 abstention (M. Metzger).

3. West 10West LLC dba West 10West 242 W 10th St 10014 (New OP–Restaurant) (Class Change)

- i. **Whereas**, the Applicant and Applicant's Attorney appeared before Community Board 2, Manhattan's SLA #2 Licensing Committee to present an application to the NYSLA for to a new On-Premises Restaurant Liquor License to operate "an intimate restaurant...with evolving plates, natural wines, and crafted cocktails" within a non-conforming ground floor storefront located in a residentially zoned (R6), six (6)-story tenement style, walk up apartment building (c. 1860) on West 10th Street between Hudson and Bleecker Streets, this building falling within NYC LPC's designated Greenwich Village Historic District; and
- ii. **Whereas**, the ground floor storefront location has been operated as a restaurant and wine bar by the Applicant since it opened in April/2023 with a restaurant wine license (SN# 0240-23-164923, legacy SN# 6007319, exp. 11/30/25), the storefront location having previously operated for years, prior to 2023, as a clothing store closing by 7 PM every evening and has never previously been licensed for the service of alcohol nor with an on premises liquor license subject to 500 Foot Rule requiring the Applicant to satisfy the public interest standard; and
- iii. **Whereas**, the ground floor storefront is roughly 450 sq. ft. with 7 tables with 16 patron seats and one (1) bar with eight (8) seats for a total interior patron seated occupancy of 24 persons, there is no basement, the storefront infill being fixed without French doors or operable windows, there is one patron entrance and one patron bathroom; and
- iv. **Whereas**, the current agreed upon hours of operation 8 AM to 10 PM Sundays through

Wednesdays, 8 AM to 11 PM Thursdays and 8 AM to 12 AM Fridays and Saturdays, interior music being at background levels only, with no dancing, TVs, DJs, no promoted events, no scheduled performances or cover fees, no security; there is no sidewalk or roadbed seating; and

- v. **Whereas**, in addition to the upgrade of the liquor license the instant Application also includes extended closing hours of 11 PM Sundays through Wednesdays and the addition of both a new sidewalk café with 3 tables and 6 seats and new roadbed seating of 6 tables and 16 with closing hours of 11 PM Sundays through Saturdays (7 days a week) for a total of 22 new exterior seats which do not currently exist; and
- vi. **Whereas**, the Applicant first appeared at CB2, Manhattan a year ago in [December/2022](#) to present its Restaurant Wine license stating he would operate a “[daytime café offering take away service as well as a menu for seated breakfast/lunch until 3 PM, dining service will reopen at 5 PM for seated dinner, offering beer and wine with meals,](#)” at the time the Applicant requesting hours of 8 AM to 10 PM Sundays through Wednesdays and 8 AM to 12 AM Thursdays through Saturdays; after meeting with the local block association (West Village Residents Association) and in order to gain their support for the service of beer, wine and cider on a narrow residential block in an area already saturated with licensed premises, the Applicant agreed to a compromise of closing at 11 PM on Thursdays, stating that he felt that was a fair and reasonable compromise along with other stipulations including there would be no roadbed dining or sidewalk café either in front of or adjacent to the premises, with a significant reason the block association was giving their support of the application in this saturated area being due to the emphasis on breakfast and lunch service in conjunction with early dinner hours, absolutely no outdoor seating and other agreed-upon stipulations; and
- vii. **Whereas**, at this month’s CB2, Man SLA Committee meeting questions were raised regarding the hours of operation, the removal of breakfast and lunch service and at the time of the CB2 meeting their website stating hours of service being from 4:30 PM to late every day (it has since been updated to say 4:30 PM to 11 PM daily, these hours still opening and closing later than what was originally agreed to and in derogation of their agreed upon stipulations), there being no service of breakfast or lunch, the Applicant saying he was unable to provide that service at this time, despite it being a central component of the method of operation when he originally appeared in December/2022; and
- viii. **Whereas**, questions were also raised regarding the roadbed structure that is in front of the premises, the Applicant stating it does not belong to him but to the tea shop next door, Paquita, which is closed by the time his restaurant is open, the landlord permitting them to have a roadbed structure in front of his restaurant which the Applicant stated had nothing to do with him; upon further information from community members it is disclosed that the tea shop belongs to his business partner’s sister, calling into question the transparency of the instant application; and
- ix. **Whereas**, members of the community were in strong opposition to the application for an on premise full liquor license, asserting a bait and switch scheme, the Applicant just a year ago presenting strictly a wine and beer application with daytime food service, the instant

application consisting of an increase in evening hours, no daytime food service and an upgrade to their liquor license to serve spirits — this being a different business model from what was presented to the community just a year ago, this also being in contrast to other applications presented to the committee where the applicants state they are coming for beer and wine at this time in order to get a temporary license quickly because the backlog at the NYSLA prevents applicants from getting a temporary license the Applicant in this case previously denying an intention to seek an On-Premises license after being open for less than one year, the service of beer and wine fitting with the daytime and early dinner focus of his café/restaurant with that model having the support of the local community based on those representations; and

- x. **Whereas**, members of the community were also in opposition to having any outdoor seating at this location, the Applicant having agreed to no outdoor seating, just a year ago, the location being on a narrow, residentially only-zoned street with a sidewalk of approximately 10' and no room for sidewalk seating, the Applicant not providing measurements of the sidewalk width in the application presented, the seating requested with the instant application being an increase of 100% in total # of seats, there being no prior service of alcohol in the residentially-zoned neighborhood located on a one-way, narrow roadway; and
- xi. **Whereas**, the area within a block of the instant application already has a large number of licensed establishments serving dinner and offering drinks such as:
- 518 Hudson Street LLC dba Justines (SN#0340-23-128342, Legacy SN#1338435)
 - Hudson Corner LLC dba B'Artusi/Via Porta (SN#0340-23-138710, Legacy SN#1334758),
 - Cowgirl Inc dba Cowgirl & Bar (SN# 0340-23-131639, Legacy SN#1025508)
 - 228 West 10th Street LLC dba L'Artusi (SN#0340-230132610, Legacy SN#1217898),
 - RF Hudson (DE) LLC dba Redfarm (SN# 0340-23-137345, Legacy SN#1251196),
 - Alfred B Hospitality LLC dba Katana Kitten (SN#0340-22-113564, Legacy #1305298)
- and others; and
- xii **Whereas**, the instant application has not offered/is not offering the important daytime service of breakfast and lunch as was part of their original application a year ago; and
- xiii. **Whereas**, despite stating in December/2022 that they would be filing for a Letter of No Objection permitting eating and drinking at the premises, they currently do not have one; the Applicant stated at the time of the initial application in December/2022 that cooking would be electric only, there would be no open flame cooking; following this month's CB2 committee meeting it was discovered that there was a complaint made in July/2023 regarding venting of the ground floor restaurant, with cooking smells going into adjacent apartments and grease present on apartment windows and building shaft way, DOB issuing a violation for work without a permit at the 1st floor restaurant "West 10 West" (Oath/ECB Violation #39090615L), that violation remains open; and
- xiv. **Whereas**, this application being subject to the 500 Foot Rule requiring the Applicant to demonstrate that the public interest would be served by the addition of another On-Premises Liquor License at this location, the Applicant having operated for less than one year, the Applicant not previously holding a liquor license, the storefront in question never previously

operating with an On-Premises Liquor License, there being **72 active licensed premises** within 750 feet of the location proposed to be licensed, with 8 additional pending licenses, the Applicant not presenting a method of operation serving breakfast, lunch and dinner consistent with his Restaurant Wine application, the operator never actually operating in the manner in which he presented his original application no more than one year ago, the Applicant going back on his commitments that were to the Community and local block association, the service of alcohol to the exterior on a residential block having significant impacts on those living in the area, there being nothing unique about the instant application to illustrate that it is in the public interest to have another On-Premises Liquor License in this area, the immediate location being residentially zoned, the surrounding area already being heavily saturated with liquor licenses, the Applicant not obtaining the proper permits from the NYC DOB for eating and drinking for the premises of the instant application; and

THEREFORE BE IT RESOLVED that Community Board 2, Manhattan recommends denial of the application for a new On-Premises Restaurant Liquor License for **West 10West LLC dba West 10West 242 W 10th St 10014**; and

BE IT FURTHER RESOLVED that should this application be considered by the SLA, CB2, Manhattan respectfully requests that this item be calendared to appear before the Full Board of the SLA.

BE IT FURTHER RESOLVED that should the applicant pursue this application despite CB2, Manhattan's recommendation to deny this application, CB2 requests that the SLA conduct an in person 500-foot hearing so that local residents are able to participate fully in the process now that the COVID emergency has ended.

Vote: Passed, 41 Board Members in favor, 1 abstention (M. Metzger).

4. Amo Restaurant Corp 15 E 12th St 10003 (OP-Restaurant) (Transfer)

- i. Whereas**, the Applicants appeared before Community Board 2, Manhattan's SLA Licensing Committee #2 for an On-Premises Restaurant Liquor License to operate a casual Italian seafood restaurant on the ground floor of a C-6-zoned, four (4)-story commercial building (circa 1937) on 12th Street between University Place and 5th Avenue (Block #570/Lot #38); and
- ii. Whereas**, this storefront location was previously operated as a restaurant known as Villanelle (SN#0340-23-136105, legacy SN#1295986) from approximately 2014 to 2023, the interior storefront being roughly a 1,000 sq. ft. premise consisting of a ground floor and basement with no specific sq. ft. given for each floor, there is no patron use of the basement; there will be 23 tables and 46 seats and one (1) bar with 8 seats for a total patron seating occupancy of 54 patrons; there is one (1) patron entrance and two (2) bathrooms, the storefront's infill being fixed and without French doors or operable windows, there is no sidewalk or roadbed seating nor any use by patrons or staff of the rear yard; and

- iii. **Whereas**, the hours of operation will be from 11 AM to 10:30 PM Sundays through Thursdays and 11 AM to 11:30 PM Fridays and Saturdays; music will be quiet background only consisting of music from iPod/CDs/streaming services; there will be no dancing, DJs, live music, promoted events, no scheduled performances or cover fees, no velvet ropes, no movable barriers and no security personnel/doormen; and
- iv. **Whereas**, the Applicants both being involved with P12 New York LLC dba Ribalta since 2013 (SN#0340-23-134438, legacy SN#1157225), an old-world Neapolitan pizza and Italian appetizer restaurant, one as a general manager and the other as executive chef; there being numerous 311 complaints made by residents regarding loud music and noise from that establishment not only Spring–Summer/2023 but going back to 2020 and 2019, the Applicant stating they were unaware of the extent of the complaints, this being called into question as the police responded multiple times over the years in addition to emails being submitted to CB2, Manhattan this past summer/2023 showing residents being in touch with the restaurant regarding their complaints, the Applicant stating the instant application is a different type of restaurant, in a smaller space, that they were somehow unaware of the extent of the complaints; and
- v. **Whereas**, no one appeared or wrote letters in favor or opposition to the application, this being a transfer of an existing On-Premises Liquor License, the Applicant following a similar method of operation and agreeing to the same stipulations that the prior licensee agreed to, the CB2 SLA Committee being unaware of any complaints regarding the prior licensee with those stipulations seemingly being adhered to; and
- v. **Whereas**, the Applicant has executed and has had notarized a Stipulations Agreement with Community Board 2, Manhattan that they agreed to submit to the NYSLA and agreed would be attached and incorporated into the method of operation of the On-Premises Restaurant Liquor License, with those stipulations as follows:
 1. Premises will be advertised and operated as a full-service, casual Italian restaurant specializing in seafood with the kitchen open and full menu items available until closing every night.
 2. The hours of operation will be from 11 AM to 10:30 PM Sundays through Thursdays and 11 AM to 11:30 PM Fridays and Saturdays. No patrons will remain after stated closing time.
 3. Will not operate as a Lounge, Tavern or Sports Bar or allow any portion of premises to be operated in that manner.
 4. Will not operate a backyard garden or any other outdoor area for commercial purposes including any sidewalk café and/or roadbed seating.
 5. Will play **quiet** ambient recorded background music only, inclusive of any private parties or events. **No music will be audible in any adjacent residences or in adjoining properties rear yards at any time.**
 6. Will not have televisions.
 7. Will close all doors and windows at all times, allowing only for patron ingress and egress.
 8. Rear windows will be outfitted with light shades and plantings for purposes of privacy for neighboring residents and will consist of double pane glass.

9. Will ensure exhaust venting is run up rear of building to code, 10' from all windows above roof line.
 10. Will post "please respect our neighbors" sign.
 11. Will not have patron or staff access to the rear yard at any time.
 12. Will not have patron occupancy/service to any portion of the basement of licensed premises.
 13. Will not install or have French doors, operable windows or open façades.
 14. Will not make changes to the existing façade except to change signage or awning.
 15. Will comply with NYC Department of Buildings Regulations and will keep current at all times required Permits and Certificates.
 16. Will not have unlimited drink or unlimited food and drink specials. Will not have "boozy brunches." No pitchers of beer.
 17. Will not have any of the following: dancing, DJs, live music, promoted events, any event for which a cover fee is charged, scheduled performances, velvet ropes or barricades, security personnel/doormen.
 18. Will appear before CB2, Man. prior to submitting any changes to any stipulation agreed to herein.
 19. Will appear before CB2, Man. for alteration to license prior to submitting plans for any sidewalk, roadbed or other outdoor seating.
- vi. **Whereas**, this application being subject to the 500 Foot Rule requiring the Applicant to demonstrate that the public interest would be served by adding another liquor license at this location, there being **51 active licensed premises** within 750 feet of the proposed premises to be licensed and an additional 3 pending licenses within this same area, the Applicant's agreed upon stipulations satisfying the public interest standard albeit subject to the Applicant and Licensee abiding by those agreed upon stipulations in the future; and

THEREFORE BE IT RESOLVED that Community Board 2, Manhattan recommends **denial** of the application for a On-Premises Liquor License in the name **Amo Restaurant Corp 15 E 12th St 10003** **unless** the statements presented by the Applicant are accurate and complete and that all the conditions and stipulations agreed to by the Applicant are incorporated into the "Method of Operation" of the NYSLA Liquor License.

Note: Passed, 41 Board Members in favor, 1 abstention (M. Metzger).

5. Babi Restaurant, Inc. 282 Bleecker St. (RW–Restaurant)

- i. **Whereas**, the Applicant and the Applicant's attorney appeared before Community Board 2, Manhattan's SLA Licensing Committee #2 for a new Restaurant Wine License to operate a Vietnamese restaurant on the ground floor of a C2-6-zoned, three (3)-story mixed-use building (c. 2008) on Bleecker Street between 7th Avenue South and Morton Street (Block #587/Lot #24), the building falling within NYC LPC's designated Greenwich Village Historic District Extension II; and
- ii. **Whereas**, the ground floor storefront is approximately 2,300 sq. ft. with 1500 sq. ft on the ground floor connected by an interior staircase to an 800 sq. ft. basement, there being no patron use of the basement; there will 13 tables and 50 seats and one bar with six (6) seats for

a total seated capacity of 56 persons; there is one (1) entry which will serve as patron ingress and egress, one (1) emergency exit and two (2) patron bathroom; there being operable doors already existing that open out to the sidewalk; and

- iii. **Whereas**, the hours of operation will be from 11 AM to 11 PM Sundays through Thursdays, 11 AM to 12 AM Fridays and Saturdays; music will be quiet background only consisting of music from iPod/CDs/streaming services; there will be no dancing, DJs, live music, promoted events, no scheduled performances or cover fees, no velvet ropes, no movable barriers and no security personnel/doormen; and
- iv. **Whereas**, the applicant originally submitted a 30-day notice in August/2022 for a restaurant wine license and was placed on the [September agenda](#) of CB2's SLA Licensing Committee at which time the representative appeared without the Applicant requesting to lay the application over to the following month stating they had just been hired by the applicant and needed time to prepare. The application was placed on the CB2's SLA Licensing Committee's [October/2022](#) agenda at which time the applicant failed to appear without providing any explanation; the applicant then filed a new 30-day notice at the end of October/2022 and was placed on the December/2022 agenda of CB2's SLA Licensing Committee at which time the applicant again failed to appear without providing any explanation.
- iv. **Whereas**, the storefront premises was previously licensed as Lindsey Buffet Restaurant Inc. dba Kumo Sushi (SN#1259907) which appeared before CB2 Manhattan's SLA licensing committee in [January/2015](#) for the renewal of their restaurant wine license due to numerous complaints about their operation, those complaints being well-documented and stemming from an "all you can eat sushi and drinks" specials which resulted in an untenable situation whereby over-served and inebriated patrons leaving the premises and causing disturbances, fights, loud screaming and vomiting in the street which was untenable in a residential area; the instant application having a different method of operation with the applicant stating there will be no "all you can eat / drink specials;" and
- v. **Whereas**, there already are a significant number of licensed establishments in both Community Board 2 and in the immediate area, there being **110 active licensed premises** within 750 feet of the proposed premises to be licensed and an additional 17 pending licenses within this same area, this application being for the service of Beer and Wine only and thus not subject to the 500 Foot Rule, the Applicant offering a type of food not abundantly available in the neighborhood and affirming that their method of operation is not similar to the previous operator at this location; and
- vi. **Whereas**, the Applicant has executed and has had notarized a Stipulations Agreement with Community Board 2, Manhattan that they agreed to submit to the NYSLA and agreed would be attached and incorporated into the method of operation of the Restaurant Wine License, with those stipulations as follows:
 - 1. Premises will be advertised and operated as a Vietnamese restaurant with the kitchen open and full menu items available until closing every night.

2. The hours of operation will be from 11 AM to 11 PM Sundays through Thursdays, 11 AM to 12 AM Fridays and Saturdays. No patrons will remain after stated closing time.
3. Will not operate as a Lounge, Tavern or Sports Bar or allow any portion of premises to be operated in that manner.
4. Any future sidewalk seating applied for under the permanent program will consist of not more than two (2) tables and six (6) seats and conform to all rules and guidelines of the program. Outdoor seating will close by 10 PM. All tables and chairs will be removed from the sidewalk at this hour. No exterior music, speakers or TVs.
5. No roadbed seating.
6. Will close all doors and windows at 10 PM every night, allowing only for patron ingress and egress.
7. Will play quiet ambient recorded background music only, inclusive of any private parties or events. No music will be audible in any adjacent residences at any time.
8. Will not have televisions.
9. Will not have patron occupancy/service to any portion of the basement of licensed premises.
10. Will not make changes to the existing façade except to change signage or awning.

THEREFORE BE IT RESOLVED that Community Board 2, Manhattan recommends **denial** of the application for a new Restaurant Wine License in the name of **Babi Restaurant, Inc. 282 Bleecker St.** **unless** the statements presented by the Applicant are accurate and complete and that all the conditions and stipulations agreed to by the Applicant are incorporated into the “Method of Operation” of the NYSLA Liquor.

Vote: Passed, 41 Board Members in favor, 1 abstention (M. Metzger).

THE FOLLOWING ARE RESOLUTIONS FOR ALL APPLICANTS THAT WERE LAID OVER, WITHDRAWN, OR DID NOT APPEAR AT THEIR REQUESTED HEARING:

6. Guliani Group Inc dba Laliko Georgian Bistro 80 Carmine St, Unit 2 10014 (RW–Restaurant)

Whereas, prior to this month’s CB2, Manhattan’s SLA #2 Licensing Committee Meeting on January 4, 2024, the Applicant requested **to withdraw** this application from further consideration, affirming that they will not submit this application to the NYSLA for consideration without returning to CB2 Manhattan should they decide to proceed at some time in the future; and

THEREFORE, BE IT RESOLVED that Community Board 2, Manhattan strongly recommends that the NYSLA **deny** any type of proposed on-premises liquor license, tavern wine license, restaurant wine license, any other beer and wine license, corporate change, change in method of operation, alteration, transfer or other changes to any existing license for **Guliani Group Inc dba Laliko Georgian Bistro 80 Carmine St, Unit 2 10014** **until** the Applicant has presented their application in front of CB2's SLA Licensing Committee and CB2 has forwarded a recommendation to the NYSLA and requests that the NYSLA send this Applicant back to CB2 should this application proceed directly to the NYSLA, in order that this important step not be avoided and that the concerns of the Community be fully heard.

Vote: Unanimous, 42 Board Members in favor.

7. 10 Fifth Ave Operations LLC dba A Pizza Bar 10 5th Ave 10011 (OP–Restaurant)

Whereas, prior to this month's CB2, Manhattan's SLA #2 Licensing Committee Meeting on January 4 2024, the Applicant requested **to lay over** this application to February/2024 and will resubmit the application for consideration at a future CB2 SLA Licensing Committee meeting prior to any filings with the NYSLA should they proceed; and

THEREFORE, BE IT RESOLVED that Community Board 2, Manhattan strongly recommends that the NYSLA **deny** any type of proposed on-premises liquor license, tavern wine license, restaurant wine license, any other beer and wine license, corporate change, change in method of operation, alteration, transfer or other changes to any existing license for **10 Fifth Ave Operations LLC dba A Pizza Bar 10 5th Ave 10011** **until** the Applicant has presented their application in front of CB2's SLA Licensing Committee and CB2 has forwarded a recommendation to the NYSLA and requests that the NYSLA send this Applicant back to CB2 should this application proceed directly to the NYSLA, in order that this important step not be avoided and that the concerns of the Community be fully heard.

Vote: Unanimous, 42 Board Members in favor.

8. Griddle Cakes LLC dba Breakfast by Salt's Cure 27½ Morton St. 10014 (OP–Restaurant)

Whereas, prior to this month's CB2, Manhattan's SLA #2 Licensing Committee Meeting on January 4, 2024, the Applicant requested **to withdraw** this application from further consideration, affirming that they will not submit this application to the NYSLA for consideration without returning to CB2 Manhattan should they decide to proceed at some time in the future; and

THEREFORE, BE IT RESOLVED that Community Board 2, Manhattan strongly recommends that the NYSLA **deny** any type of proposed on-premises liquor license, tavern wine license, restaurant wine license, any other beer and wine license, corporate change, change in method of operation, alteration, transfer or other changes to any existing license for **Griddle Cakes LLC dba Breakfast by Salt's Cure 27½ Morton St. 10014** **until** the Applicant has presented their application in front of CB2's SLA Licensing Committee and CB2 has forwarded a recommendation to the NYSLA and requests that the NYSLA send this Applicant back to CB2 should this application proceed directly to the NYSLA, in order that this important step not be avoided and that the concerns of the Community be fully heard.

Vote: Unanimous, 42 Board Members in favor.

Whereas, following this month’s CB2, Manhattan’s SLA #2 Licensing Committee Meeting on January 4 2024, the Applicant requested **to lay over** this application to February/2024 and will resubmit the application for consideration at a future CB2 SLA Licensing Committee meeting prior to any filings with the NYSLA should they proceed; and

THEREFORE, BE IT RESOLVED that Community Board 2, Manhattan strongly recommends that the NYSLA **deny** any type of proposed on-premises liquor license, tavern wine license, restaurant wine license, any other beer and wine license, corporate change, change in method of operation, alteration, transfer or other changes to any existing license for **One NK LLC dba Bisou 112 6th Ave 10013 until** the Applicant has presented their application in front of CB2’s SLA Licensing Committee and CB2 has forwarded a recommendation to the NYSLA and requests that the NYSLA send this Applicant back to CB2 should this application proceed directly to the NYSLA, in order that this important step not be avoided and that the concerns of the Community be fully heard.

Vote: Unanimous, 42 Board Members in favor.

STREET ACTIVITIES AND RESILIENCE (formerly Quality of Life)

1. *1.10.24 – Talent Drop off and Red Carpet Da Nico’s (Sponsor: Civic), Mulberry St. bet. Broome & Grand St. [sidewalk & curb lane closure-E.]

Whereas, the applicant is seeking a sidewalk and curb lane closure in support of a red carpet and talent drop off on Mulberry St. between Broome & Grande Streets, in front of and adjacent to Da Nico restaurant; and

Whereas, such activation is being sponsored by HBO Max in Celebration of the 25th anniversary of the television show “The Sopranos” and will see members of the cast/staff of the show being dropped off to attend an event inside Da Nico; and

Whereas, the activation will consist of two parking spots for talent drop-off and pick-up, an approximately 70-foot long red carpet, and a step-and-repeat wall; and

Whereas, the drop-off and red carpet walk is expected to occur from 5:30 PM to 6:30 PM, with about 12-15 vehicle drop-offs, and should not take longer than an hour, with talent pick-up happening later in the evening following the dinner; and

Whereas, the applicant intends to leave a 5 foot pedestrian lane as per SAPO requirements; and

Whereas, the event and celebrity attendance are not being publicized, but nonetheless there will be a substantial security presence at the activation, with 6 security guards expected to be stationed in the vicinity; and

Whereas, the applicant had not yet conducted outreach to the residents living in the building above Da Nico but promised to do so; and

Whereas, while CB2, Man. notes the short running time for the event which is a factor that reduces overall neighborhood impact, concerns were expressed around the crowding on the sidewalk which is likely to occur during the expected hour of talent drop-off; and

Whereas, CB2, Man. would have liked to have more time to provide input and suggestions for how to handle sidewalk congestion during this activation, but due to SAPO rules requiring that “small” street events be submitted only a minimum of 14 days before the event, CB2’s SAR committee was only able to hear the details of this event two days before the event was scheduled, with no opportunity for CB2, Man.’s full board to opine; now

Therefore Be It Resolved that CB2, Man. recommends **approval** of **Talent Drop off and Red Carpet Da Nico’s (Sponsor: Civic), Mulberry St. bet. Broome & Grand St. [sidewalk & curb lane closure-E.]**, **provided that** the applications conform with all applicable laws, rules, regulations, and clearance requirements.

Vote: Unanimous, 42 Board members in favor.

2. *1.11-1.15.24 – MOMA BODUM Event (Sponsor: Marty Barnes, Inc.), Crosby St. bet. Prince & Spring Sts. [sidewalk & curb lane closure – W.]

Whereas, the applicant did not appear on behalf of this application and the committee was unable to hear the particulars of this event; and

Whereas, community members raised concerns around potential impact and disruption to residential entrances on the block; and

Whereas, this applicant / event organizer has historically ignored requests from CB2 to attend SAR meetings and present on the details of their events; now

Therefore Be It Resolved that CB2, Man. recommends **denial** of **MOMA BODUM Event**.

Vote: Unanimous, 42 Board members in favor.

3. *1.25.24 – BeSpoke Sidewalk Activation (Sponsor: IDEKO Productions), 1) 391 Canal St. bet. W. Broadway & 6th Ave. [full sidewalk closure and curb lane-No.]

Whereas, the applicant, in collaboration with a new product launch by Google, is seeking to hold a “live billboard” activation on the south side of Canal between W. Broadway and 6th Ave; and

Whereas, the activation will consist of an artist on site painting over an existing street-level billboard in real time, with the exact design of the painting still TBD; and

Whereas, set-up for the event will begin at 7:30 AM, with the activation itself taking place between 11 AM and 3 PM, and with the sidewalk expected to be cleared by 3:30 PM; and

Whereas, there will be 4 security guards on site at the event, as well as a camera crew on site to film for a simultaneous livestream; and

Whereas, a 12-foot pedestrian right-of-way will remain open on the sidewalk; and

Whereas, the applicant is aware that the curb lane in front of the billboard is in a “No Standing” zone from 1-7 PM daily, and has stated that support vehicles will not remain in the curb lane throughout the entire event; now

Therefore Be It Resolved that CB2, Man. recommends **approval of BeSpoke Sidewalk Activation, provided that** the applications conform with all applicable laws, rules, regulations, and clearance requirements.

Vote: Passed, 41 Board members in favor, 1 recusal (E. Olson).

4. *1.25.24 – Daiya Fromage Grilled Cheese Samples (Sponsor: Manifest), 1) Broadway bet. Canal & Howard Sts. [sidewalk & curb lane closure-W.; and 2) Howard St. bet. Mercer St. & Broadway [curb lane only-So.]

Whereas, the applicant is seeking a curb lane and partial sidewalk closure on Broadway between Canal and Howard Streets to facilitate a food sampling activation highlighting Daiya Fromage’s plant-based grilled cheese sandwiches, as well as a curb lane closure on Howard Street for the parking of support vehicles; and

Whereas, the activation on Broadway is expected to consist of a tented grilled cheese “station” with 4 or 5 electric grills (no open flames) and staff passing out up to 600 grilled cheese sandwiches to passers-by; and

Whereas, the load-in is expected to begin at 7 AM, with the activation running from 11 AM – 3 PM, and load-out immediately afterwards; and

Whereas, the activation is expected to include a celebrity presence from 11 AM – 12 PM and from 1 PM to 2 PM, with the celebrity helping to pass out the sandwiches; and

Whereas, the applicant plans to use ropes and stations for any line that forms and will leave a pedestrian lane of at least 5 feet in line with SAPO requirements; and

Whereas, the sidewalk activation will be fully open to the public, despite the event inside the building being a private event; and

Whereas, the applicant intends to have additional garbage receptacles on site in order to deal with any waste generated by the activation; and

Whereas, the proposed location for the event typically sees heavy pedestrian traffic, being around the corner from a subway entrance; and

Whereas, furthermore, the proposed curb lane closure would encompass a “right turn only” lane for vehicles turning right from Broadway onto Canal, with “No Standing Anytime” signage, and closing this curb lane would cause a safety risk as well as contribute to traffic problems such as forcing right turning vehicles into a bus-only lane; now

Therefore Be It Resolved that CB2, Man. recommends **denial** of **Daiya Fromage Grilled Cheese Samples**.

Vote: Unanimous, 42 Board members in favor.

5. *2.10.24 – Fashion Brand Event (Sponsor: IDEKO), Wooster St. bet. Broome & Spring Sts. [sidewalk & curb lane closure-both sides of the street] (ADDITION TO AGENDA)

(laid over)

Whereas, the applicant was not prepared to attend the meeting and present on the details for the planned event, and asked for the application to be laid over; now

Therefore Be It Resolved that CB2, Man. recommends that **Fashion Brand Event** be **laid over** to the February 2024 CB2 SAR meeting.

Vote: Unanimous, 42 Board members in favor.

6. FYI/Renewals

- 1. 1.11-12.22.24 – St. Anthony Flea Market (Sponsor: St. Anthony’s Church), W. Houston St. bet. Macdougall & Thompson Sts. [sidewalk & curb lane closure-W.]**

- 4. 3.25.24 – Annual Triangle Shirtwaist Fire Commemoration 2024 (Sponsor: Sidney Hillman Foundation), 1) Greene St. bet. W. 4th St. & Waverly Pl.; [full street closure] and 2) Washington Pl. bet. Washington Sq. E. & Mercer St. [full street closure]**
- 5. 5.12.24 – Astor Alive Silent Disco (Sponsor: Village Alliance), Astor Place Plaza (South) [full]**
- 6. 5.14.24 – Grad Alley (Sponsor: New York University); 1) W. 4th St. bet. Mercer St. & Washington Sq. E. [full street closure]; 2) Washington Sq. So. bet. Washington Sq. E. & LaGuardia Pl. [full street closure]; 3) LaGuardia Pl. bet. Washington Sq.**

So. & W. 3rd St. [full street closure]; and 4) Washington Sq. E. bet. W. 4th St. & Washington Pl. [full street closure]

Whereas, these events have been held continuously for many years and no recent complaints have been received; now

Therefore Be It Resolved that CB2, Man. recommends **approval** of these renewal applications **provided that** the applications conform with all applicable laws, rules, and regulations.

Vote: Unanimous, 42 Board members in favor.

Respectfully submitted,
