## Event Details

Event Id: 802155

Event Name: Tumbados

Event Description: Storefront for Art and Architecture will present TUMBADOS an event to open a public artwork by Guadalupe Rosales and Lokey Calderon. Across the facade of Storefronts gallery on Kenmare Street the artists will showcase a large colorful graphic mural that evokes the iridescent surfaces of lowriders honoring the cultural contributions of Latinx communities. For the opening of TUMBADOS Storefront has invited members of New Yorks Klique Car Club to partake in a cruise around the neighborhood beginning and ending at the gallery. When parked along Kenmare Street visitors will be able to admire and engage with the colors and detailed designs that decorate not only the 95 ft facade mural but the lowriders themselves. To celebrate these rich identities and subcultures there will also be Chicanx DJs playing sets and free offerings of Mexican snacks and paletas throughout the event to all that attend.
