STREET CO-NAMING PETITION WAVERLY PLACE BETWEEN 7th AVENUE & CHARLES STREET TO FRANK CRAPANZANO WAY

REASON FOR CO-NAMING REQUEST:

Everyone who has enjoyed the transformation of McCarthy Square Park between Charles Street and Waverly Place, needs to recognize the man who made this happen. Frank Crapanzano had lived at 15 Charles Street for over 45 years. From his 5th floor apartment window, he looked down on 7th Avenue over a small triangle shaped park McCarthy Square. It was neglected and filled with weeds and garbage. Those who knew Frank personally, experienced his legacy to leave everything and everyone better than before. This became his goal for McCarthy Square Park. So, the story begins – this is proof that one person can make a difference and have a huge positive impact on a community. Frank spent 15 years and endless hours, pulling weeds, planting beautiful flowers, bushes, picking up trash, raising funds from residents and local businesses, while working closely with the NYC Parks Department. Many locals noticed the effort and contributed in their own way. He created a gathering place for friends and neighbors, to share stories, feel less lonely, and care for each other. This was widely welcomed in this large and impersonal city. Frank Crapanzano passed away in August 2021.
