SECTION 1: Site Plan

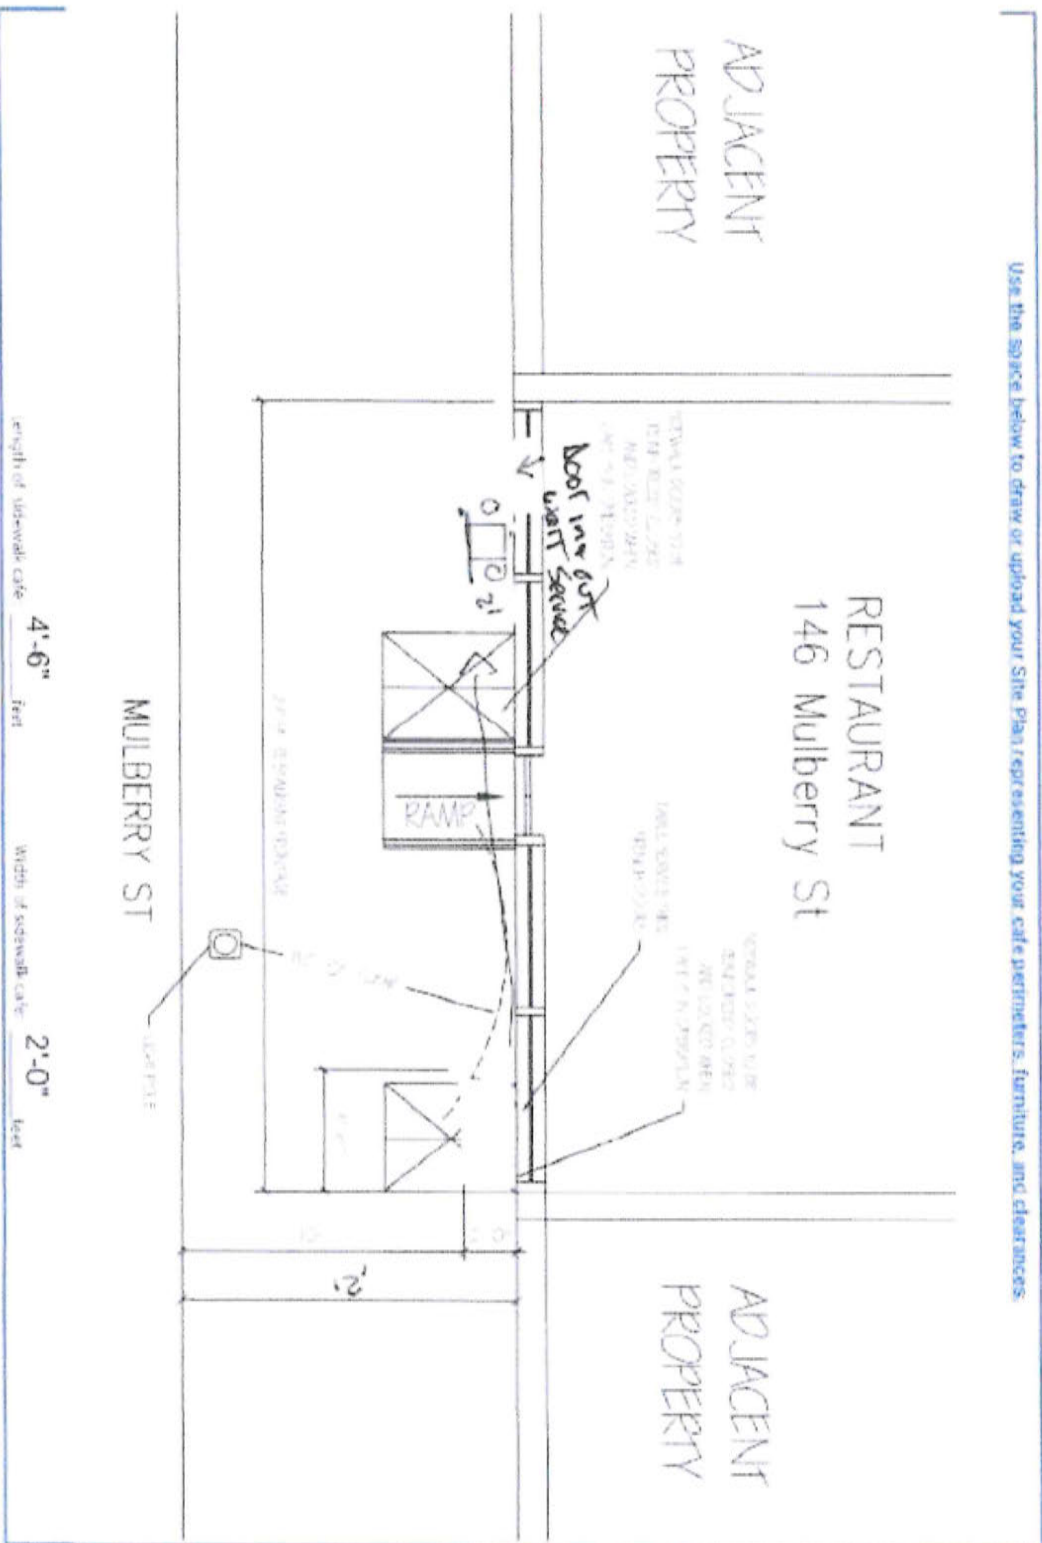

- This Site Plan form is required to be uploaded in the "Sidewalk Site Plan" field of your online application.
- Refer to the www3.nyc.gov page in the Dining Out NYC website for more information about the application process.

Identify Clear Path Requirements:

- C1 - Global Corridor (12 feet Clear Path)
- C2 - Regional Corridor (10 feet Clear Path)
- C3 - Neighborhood Corridor, Community Connector, or Baseline Street (8 feet Clear Path)

- Setup Area Identification :**
- Please check this box if you plan to have outdoor dining located partially within private property. If you are uncertain, please request records from your property owner/manager.
 - Please check this box if all or part of your sidewalk cafe is in a sidewalk widening area developed pursuant to the NYC Zoning Resolution. If so, indicate the property line in the site plan drawing below.

Use the space below to draw or upload your Site Plan representing your cafe perimeter, furniture, and clearances

- Please indicate which of the following materials will be part of your sidewalk cafe by checking the box next to the category. If applicable, please confirm the materials comply with the Dining Out NYC requirements by checking the box next to the associated requirement.
- Refer to the [Setback Guides](#) in the Dining Out NYC website for more information regarding materials.

Materials Checklist:

Required*

Perimeter Demarcation (All of the following must be met)

Perimeter demarcation must be clear and visible by using a light-weight and removable self-supporting base wall, railing, planter fence, or stanchion and rope.

Maximum height is 2 feet 6 inches (excluding plantings).

Not affixed to the sidewalk.

Optional: Only check the material categories you intend to use in your sidewalk cafe.

Furnishings (if using, the first two below must be met)

Light-weight and easily movable.

Not affixed to the sidewalk.

Check here if you plan to place tables/carts on top of a cellar or basement door. If so, please consider the [Setback Guide](#) as well.

Awnings Physically Attached to the Building (if using, all of the following must be met)

Minimum 7 feet height from the ground and does not exceed 10 feet height.

Easily removable, comprised of fire-grade and fire-resistant materials.

Does not extend beyond the perimeter of the sidewalk cafe.

Complies with the New York City Building Code. Please note that this may require additional permits from DOB, and/or approval from the Landmark Preservation Commission (LPC) as applicable.

Overhead Coverings/ Umbrellas (if using, all of the following must be met)

Minimum 7 feet height from the ground and does not exceed 10 feet height.

Easily removable, comprised of fire-grade and fire-resistant materials.

Does not extend beyond the perimeter of the sidewalk cafe.

The umbrella/overhead covering has a weighted base and any supports are not affixed to the sidewalk.

Any support structures are of sufficient size and strength, made of durable materials, and free of defects.

Lighting and Electrical Connections (if using, all of the following must be met)

Any lighting is outdoor-rated, properly secured, and lightweight.

Connected to a directly connected to ground floor restaurant's power source and within the perimeter of the cafe.

Does not extend beyond the perimeter of the sidewalk cafe.

Does not exceed 10 feet in height.

Not attached to any City property, including street trees.

Electrical work complies with the applicable requirements set forth in DOT's rules and the New York City Electrical Code. Please note that this may require additional permits from DOB or FDNY, and/or approval from the Landmark Preservation Commission (LPC) as applicable.
