Dear Ms. Meechum:

At its Full Board meeting on February 19, 2026, Community Board #2, Manhattan (CB2, Man.) adopted the following resolution:

**\*2.15.26 – Bronx and Banco FW26 (Sponsor: Bronx and Banco), W. 14th St. bet. 10th Ave. & Washington St. [SW & curb lane closure-both]**

**Whereas**, the applicant, representing fashion brand Bronx and Banco, is seeking to hold a fashion show in conjunction with New York Fashion Week on 14<sup>th</sup> Street between 10<sup>th</sup> Avenue and Washington Street; and

**Whereas**, while originally entered in the SAPO system as a sidewalk and curb lane closure, the fashion show event would necessitate a full street closure, and the applicant agreed to update the application in the system; and

**Whereas**, the event will take place on Sunday, February 15<sup>th</sup>, with set-up beginning at 9 AM, arrivals beginning at 10:30 AM, the show taking place from 11-11:30 AM, and the road clear by 11:30 AM; and

**Whereas**, the north side of 14<sup>th</sup> street on this block is an active bus lane, and the applicant stated they had been in contact with MTA and that approval was pending of moving one bus stop from the block; and

**Whereas**, the fashion show will take place on the street itself, with no step-and-repeat, risers, or other elements; and

**Whereas**, there will be amplified sound piped in from the entryway of Highline Stages, but with music only being played for around 10 minutes; and

**Whereas**, the event will not feature food or beverages; and

**Whereas**, the sidewalk on the north side of the street will be available for public spectators, and pedestrian right-of-way will be maintained; and

**Whereas**, the applicant has been working closely with the Meatpacking BID ahead of the event; now

**Therefore Be It Resolved** that CB2, Man. recommends **approval of Bronx and Banco FW26 (Sponsor: Bronx and Banco)**, **provided that** the applicant conforms with all applicable laws, rules, regulations, and clearance requirements, **particularly noting that** current snow/ice conditions on sidewalks may make obtaining the required 5-foot pedestrian clearance more difficult than usual.

Vote: Passed, with 34 Board members in favor, and 1 in opposition (D. Raftery).

We respectfully request that your agency take action consistent with the positions expressed in the above.

Sincerely,

Valerie De La Rosa, Chair  
Community Board 2, Manhattan

William Benesh, Chair
