

Part I: GENERAL INFORMATION

(1) Project Name:

CEQR NUMBER (if applicable):

OTHER REFERENCE NUMBER(S) (e.g., ULURP, BSA):

(2) List of action(s):

(3) Does the proposed action qualify for exemption under ECL § 8-0111(5-a)?

☐ YES

☐ NO

If "yes," STOP and complete Part III below and **ECL § 8-0111 (5-a) CHECKLIST** on Pg. 2.

(4) Is the proposed action classified as Type II in 6 NYCRR Part 617.5 (c)?

☐ YES

☐ NO

If "yes," the action is classified as Type II pursuant to the State Environmental Quality Review regulations. Complete Part III below.

(5) Is the proposed action classified as Type I in 6 NYCRR Part 617.4(b)?

☐ YES

☐ NO

If "yes," STOP and complete the **FULL EAS FORM**.

(6) Is the proposed action classified as Type II in Title 2 RCNY Appendix E (b)? See Pg. 2

☐ YES

☐ NO

If "yes," please indicate the relevant section(s) of Title 2 RCNY Appendix E (b) [] and complete Parts II and III below.

(7) Is the proposed action classified as Type II in Title 2 RCNY Appendix E (d)?

☐ YES

☐ NO

If "yes," STOP and complete Part III below and **GREEN FAST TRACK FOR HOUSING PACKAGE CHECKLIST** on Pg. 2.

If "no" to questions (3), (4), (5), (6) and (7) STOP and complete the **SHORT EAS FORM** or Technical Memorandum when appropriate.

Part II: TYPE II PREREQUISITES

YES NO

(1) For actions listed at Title 2 RCNY Appendix E (b) (1), (2), or (3) please answer the following questions:

(a) Would the proposed project involve ground disturbance?

(b) If "yes," does the site contain or likely contain elevated levels of hazardous materials? ([CEQR Technical Manual Ch.12](#))

(c) If "yes," have environmental requirements been identified to avoid potential hazardous materials impacts?

(d) If "yes," have the identified environmental requirements been fully completed so that all potential hazardous materials impacts have been avoided?

(e) If "no," will/could enforcement of the environmental requirements be ensured through imposition of an (E) designation or another institutional control? Please discuss with lead agency and describe the proposed institutional control.

If "yes" to question (a) under section (1), STOP and provide a hazardous materials assessment.

(2) For actions listed at Title 2 RCNY Appendix E (b) (1) or (2), please answer the following questions:

(a) Would the proposed project involve excavation of an area that was not previously excavated, including excavation that is wider or deeper than previous excavation

(b) If "yes," is the project site archaeologically sensitive as determined in consultation with the [Landmarks Preservation Commission](#)?

If "yes" to question (a) under section (2), STOP and provide an archaeological resources assessment.

(3) For actions listed at Title 2 RCNY Appendix E (b)(3), please answer the following questions:

(a) Would the proposed project introduce new or additional receptors (see Section 124 in [Chapter 19](#)) within one horizontal mile of an existing or proposed flight path?

(b) If "yes," will/could potential noise impacts be avoided through imposition of an (E) designation or another institutional control? Please discuss with lead agency and describe the proposed institutional control.

If "yes" to question (a) listed under section (3), STOP and provide a noise assessment.

(4) For actions listed at Title 2 RCNY Appendix E (b) (1) or (2) please answer the following question:

(a) Would the proposed project involve removal or alteration of significant natural resources? ([CEQR Technical Manual Ch.11](#))

If "yes," to question (a) listed under section (4), STOP and provide a natural resources assessment.

(5) For actions listed at Title 2 RCNY Appendix E (b) (1), (3), or (4) please answer the following questions:

(a) Is the proposed project wholly or partially within any historic building, structure, facility, site or district that is calendared for consideration or eligible for designation as a New York City Landmark, Interior Landmark, or Scenic Landmark?

(b) Is the proposed project substantially contiguous to any historic building, structure, facility, site or district that is designated, calendared for consideration or eligible for designation as a New York City Landmark, Interior Landmark or Scenic Landmark?

(c) Is the proposed project wholly or partially within or substantially contiguous to any historic building, structure, facility, site or district, or archaeological or prehistoric site that is listed, proposed for listing or eligible for listing on the State Register of Historic Places or National Register of Historic Places? Check the [New York State Historic Preservation Office GIS and Site Inventory Database](#) to confirm.

If "yes" to any question listed under section (5), STOP and provide a historic and cultural resources assessment.

Part III: APPLICANT'S CERTIFICATION

I swear or affirm under oath and subject to the penalties for perjury that the information provided in this form are true and accurate to the best of my knowledge and belief, based upon my personal knowledge and familiarity with the information described herein and after examination of the pertinent books and records and/or after inquiry of persons who have personal knowledge of such information or who have examined pertinent books and records. Still under oath, I further swear or affirm that I make this statement in my capacity as the applicant or representative of the entity that seeks the permits, approvals, funding, or other governmental action(s) described in this form.

Applicant/Representative Name

Signature

Date

Subdivision 5 of Section 8-0111 of the Environmental Conservation Law

Certain applications seeking a Qualifying Action determination by BSA as lead agency must complete the following items at a minimum (additional items may be requested at the time of filing as needed):

ECL § 8-0111 (5-a) Checklist*

- ☐ (1) [BSA CEQR checklist](#)
- ☐ (2) [Qualified Action Determination form](#) explaining how the action qualifies for exemption.
- ☐ (3) [Applicant Hazardous Materials Certification](#) and any related hazmat documents

*Additional SEQRA Qualified Action guidance is available [here](#).

Title 2 RCNY Appendix E (b) Type II List (Items 1-4)

If your BSA application fits into a category below, fill out accompanying prerequisite screening form on previous page.

Title 2 RCNY Appendix E (b) Type II List (items 1-4 only)

- ☐ (1) Special permits for radio and television towers, pursuant to § 73-30 of the Zoning Resolution;
- ☐ (2) Special permits for ambulatory diagnostic or treatment health care facilities, pursuant to §73-125 of the Zoning Resolution;
- ☐ (3) Special permits to allow a building or other structure to exceed the height regulations around airports, pursuant to § 73-66 of the Zoning Resolution;
- ☐ (4) Special permits for eating and drinking establishments of up to 2,500 gross square feet with accessory drive- through facilities, pursuant to § 73-243 of the Zoning Resolution;

Title 2 RCNY Appendix E (d)

For actions that may be eligible for a Type II determination under Title 2 RCNY Appendix E (d), the submission package with attachments must include:

Green Fast Track for Housing Checklist*

- ☐ (1) [BSA CEQR checklist](#)
- ☐ (2) A table summarizing the development increment
- ☐ (3) Project area map
- ☐ (4) An output report from [DCP Fast Tracker web tool](#) (Report title: Green Fast Track Eligibility Survey) including a CSV export of the data for project site. All survey questions must be answered definitively.
- ☐ (5) All required supplemental technical assessments as outlined in the Green Fast Track report and Title 2 RCNY Appendix E (d) regulations

*Additional guidance on Green Fast Track for Housing is available [here](#).
