# FARM TO SENIOR

## Fresh Produce Program

In partnership with

**Rethink  
Food**

**GROW** NYC

### How it works:

Every two weeks, on Mondays and Tuesdays throughout the summer and fall months, constituents of all ages (not just seniors!) can visit one of our partner senior centers to order a produce pack. The following Tuesday, pre-packed grocery bags filled with fresh produce from regional farmers are delivered to the same senior center and are available for pick-up.

For only **\$10**, participants will receive a delicious mix of fruits and vegetables, different every week. **Payments must be made in cash only** and paid at the time of purchase.
