TO: STATE LIQUOR AUTHORITY

This establishment will be a casual Korean restaurant conveniently located in Chelsea. The applicant plans to serve a variety of liquor based cocktails to complement their menu. This establishment will be serving exclusively Korean cuisine and will have and will be conveniently located near the 23<sup>rd</sup> Street subway stations and M20 bus stop, therefore vehicular traffic will be minimal, if any. Since there are not many Korean restaurants in the neighborhood, it will become a great culinary addition and will attract tourists and locals alike with its menu, simple and modern interior design, and convenient location. This will create new job opportunities for the neighborhood and will also help generate revenue. Therefore we believe the issuance of the license would be in the public interest.

The following undersigned residents of premises and surrounding buildings support the issuance of an
