**STATEMENT CONCERNING PUBLIC INTEREST STATEMENT
PURSUANT TO THE 500-FOOT LAW**

The following facts are submitted in support of the application for an on-premise liquor license where there are three more active OP liquor licenses with 500 feet of the proposed premise:

1. The proposed premise is currently licensed for restaurant wine/beer. This is a class change application to OP liquor, which was brought because of customer demand for imported spirits from Asia not generally offered in the area.
2. The premise closes early (11 p.m.), so adding liquor is not likely to have any impact on the neighbors.
3. The premise has not live music, no dancing, no promoters, no licensed security guards.
4. The applicant is prepared to sign a stipulation with Manhattan Community Board concerning use of the small patio, which will be submitted in advance of the hearing.
5. As an RW licensee, the applicant has no adverse history with the SLA and this or other locations owned by the same principals.
6. The applicant has not been made aware of any opposition to this application.

For the foregoing reasons, the applicant respectfully requests that the 500-foot law hearing officer issue a finding that the instant application is in the Public Interest and a recommendation that the Licensing Board issue a conditional letter of approval that include stipulations with CB 4.

RESPECTFULLY SUBMITTED.

JOHN SPRINGER
REPRESENTATIVE
