**Re: 27 West Chelsea Inc
d/b/a Il Bastardo
544 W 27th Street, (10/11)
Serial #: 1305161**

Dear Chairman Bradley:

Manhattan Community Board 4 (MCB4) recommends denial of the application for an alteration of the On-Premise Liquor License for 27 West Chelsea Inc., at 544 W. 27th Street (10/11 Avenues), New York, NY 10001, doing business as Il Bastardo (Il Bastardo27).

Granting an alteration to the On-Premise license to expand the present establishment would not serve, and would be contrary to, the public interest because of the already-large size of the current premises, the saturation and circumstances of the surrounding licensed businesses, the existing issues with the applicant's current method of operation, and the history of the current operation at its prior location.

As noted in the attached documents, in 2017, 27 West Chelsea Inc. agreed to a Stipulations Application with MCB4 for an On-Premise liquor license at 544 W. 27th Street that included the following terms: open seven days a week; capacity of 294; 75 tables, 250 seats, 1 stand-up bar with 20 seats; "Listed on the liquor license will be 27 West Chelsea Inc. and Kristin Sollenne only." The current application seeks to enlarge the license's large premises to include the second floor of 544 W. 27th Street. It also seeks to limit the number of days the establishment will be open.

The applicant's existing premises are already sizeable. Adding an additional floor with significant capacity, on this block already saturated with licensed establishments, would not be in the public interest and would undermine reasonable residential quality of life.

This block already includes such OP-licensed premises as SleepNoMore NA LLC at 530 W. 27th Street (with its multiple large liquor-serving locations including the Manderly Bar, the Club Car bar/restaurant, and the Gallow Green rooftop bar), HotelAmericano at 518 W. 27th Street (also with multiple liquor-serving locations including its main dining room, lobby bar, subterranean bar, and rooftop bar/restaurant), and Ovest Pizzoteca.

At the April 9, 2019 meeting of the Business Licenses and Permits (BLP) Committee of MCB4, the committee, in connection with this application, heard from several neighbors that live nearby, the general manager of a neighboring establishment, and employees and representatives of the applicant.

Two residents living across the street reported multiple noise complaints, excessive drunkenness, and ambulance and police appearances with respect to the applicant's current operations. Other community members have reported violence and drug use at this location, which has created a detrimental situation and a nuisance to the quality of life for residents on this block.

At the April 9, 2019 meeting, the general manager of theatrical/nightlife establishment, SleepNoMore NA LLC, which operates its multiple spaces directly next door to the applicant, described many unsafe conditions arising from the applicant's operations, including its lack of adequate security at the door and how it often has noisy, drunken and rowdy patrons exiting their location. This results in SleepNoMore having to post additional security at their doors to control the applicant Il Bastardo27's patrons. In his attached email to MCB4, the SleepNoMore general manager describes over 10 incidents relating to the applicant's operation.

Employees of the applicant attended the April 9, 2019 meeting to demonstrate their support and gratitude to applicant. They requested that the license be enlarged to include the second floor space because they needed the additional space to manage the crowds at their establishment.

Although the board is sympathetic to the interests of the employees of the operation, their accounts only confirmed that the current Il Bastardo operation at 544 W. 27th Street (Il Bastardo27) is essentially the same operation as the old Il Bastardo at 191-195 Seventh Avenue (at 21st Street), NY, NY (Il Bastardo21).

As the liquor authority is aware, the original Il Bastardo21 was one of the most problematic establishments in MCB4. There was a long and extensive history of community complaints, numerous visits by the police, and multiple complaints and proceedings before the liquor authority -- which ultimately led Il Bastardo21 to surrender its liquor license in 2017. See attached letter from MCB4 to the SLA dated January 5, 2018 for reference.

When Kristin Sollenne (identifying herself as the principal of the applicant) first appeared before the BLP Committee in 2017 to discuss the initial application at this location, she described a neighborhood restaurant that would be open seven days a week, serving varied Italian fare. We understood that Ms. Sollenne is married to Robert Malta, a principal of Il Bastardo21, but she represented that she had no affiliation with Il Bastardo21, that she was not seeking to re-open Il Bastardo on 27th Street, and that Mr. Malta would have no involvement with the 27th Street location. None of that proved to be accurate.

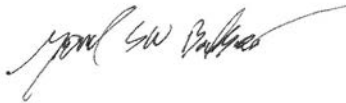

The 27th Street location opened as “Il Bastardo,” with the website of Il Bastardo21 informing patrons that it had “reopened” on 27th Street. Il Bastardo27 operates as a brunch club. As its website describes, Il Bastardo27 is a “weekend brunch spot in New York City, featuring headlining DJs and an exciting daytime club experience.” Per the website, Il Bastardo27 is “Open Sat. & Sun./12 pm to 10 pm” and serves a brunch prix-fixe menu with a bottle of champagne per entrée. When asked about these discrepancies from the applicant’s initial submission to MCB4 in 2017, the applicant’s representatives merely stated that the applicant had intended to operate the restaurant as described, but their plans had changed after the initial 2017 appearance. (MCB4 understands that Ms. Solenne’s pregnancy/medical needs prevented her from attending the April 9 BLP Committee meeting in person.)

Accordingly, the 2017 application was not transparent about the applicant’s intentions to re-open “Il Bastardo” with the same method of operation at the new 27th Street location. The fact that Il Bastardo27 avoided community opposition to its original OP license only by disguising its intentions confirms that the further expansion of the problematic Il Bastardo27 is not in the public interest.

Accordingly, MCB4 strongly recommends denial of this alteration to the applicant’s On-Premise license.

Thank you for your attention and cooperation with this application.

**Re: 27 West Chelsea Inc.
544 West 27th Street (10/11 Avenues)
License Serial Number 1305161**

Dear Chairman Bradley:

Manhattan Community Board 4 (MCB4) writes to protest strongly the failure of the applicant 27 West Chelsea Inc., 544 West 27th Street (10/11 Avenues), which was recently granted a new on-premise liquor license (No. 1305161), to disclose and truthfully represent its intentions to MCB4 during the application process. The applicant has used this license to “reopen” at this location the highly-problematic establishment, Il Bastardo -- which last year surrendered the liquor license at its prior location following extensive police and liquor authority enforcement activity. MCB4 and the community would have strongly opposed the West 27th Street application had the true facts been disclosed by the applicant.

As the liquor authority is aware, Il Bastardo at its prior location at 191-195 Seventh Avenue (at 21st Street), NY, NY was one of the most problematic establishments in MCB4. It was the subject of constant community complaints, numerous visits by the police, and multiple proceedings before the liquor authority -- which ultimately led Il Bastardo to surrender its liquor license in 2017.

MCB4 was accordingly very wary when, shortly after Il Bastardo surrendered its license, an applicant named Kristin Sollenne sought to open an establishment in the former Il Bastardo space at 191-195 Seventh Avenue. To the best of MCB4’s knowledge, Ms. Sollenne is married to Robert Malta, whom we understand was a principal at Il Bastardo. Ms. Sollenne appeared before the Business Licenses and Permits (BLP) Committee of MCB4 at its July 11, 2107 meeting to discuss this application. Ms. Sollenne insisted that she had no affiliation with the former Il Bastardo and that she would be opening her own establishment. In an email to MCB4, she described the proposed establishment as a

“family friendly, neighborhood restaurant.” Upon questioning as to whether her application was in actuality an attempt to re-open Il Bastardo, Ms. Sollenne took great offense, insisting this would be a new, independent establishment. She stressed her own qualifications as a chef, including the publication of cookbooks and appearances on the Food Network and the Health and Wellness Network. She subsequently wrote to MCB4 that she was “appalled” that, despite her own qualifications and experience, the community called her a “front” for the re-opening of Il Bastardo. Ms. Sollenne subsequently decided not to proceed with her application for 191-195 Seventh Avenue.

The following month, Ms. Sollenne (now as the representative of 27 West Chelsea Inc.) again appeared before the BLP Committee on August 8, 2017, with an application for a different space, at 544 West 27th Street, NY, NY. The application listed the business name of the new establishment as “TBD.” Again, Ms. Sollenne stressed her own qualifications and experience. Remaining concerned about Ms. Sollenne’s possible connection to the former Il Bastardo, MCB4 requested, and Ms. Sollenne agreed to, a stipulation providing that “listed on the liquor license will be 27 West Chelsea Inc. and Kristin Sollenne only.” Based on that stipulation and Ms. Sollenne’s repeated statements regarding her independence, the BLP Committee, and subsequently the full MCB4, recommended approval of the application with the stipulations in place (in MCB4’s standard “deny unless” format). The liquor authority subsequently granted this liquor license (serial number 1305161), effective Nov. 2, 2017. No trade name is listed on the liquor authority’s website with respect to this license or on the license itself.

Given the applicant’s professed independence, MCB4 was shocked to learn that the applicant’s establishment at 544 West 27th Street in fact opened under the name “Il Bastardo.” The website for this establishment can be found at: <http://nycrg.com/il-bastardo/>. The website states, in “A Letter from Management,” that “Il Bastardo has *reopened* at 544 West 27th Street, NY, NY. If you have a reservation on Nov. 18 or after you will be moved to this location” (emphasis added). Based on the website, one of the most problematic features of the Seventh Avenue Il Bastardo, their brunches -- described on the website as “\$75 prix fixe menu, includes 1 bottle & 1 entrée per person” -- have been carried over to West 27th Street.

At no point during its two appearances before the BLP Committee did the applicant disclose that its plan was to “re-open” Il Bastardo -- a fact that obviously would have been of key significance to MCB4. In fact, Ms. Sollenne took great offense to the repeated questioning and comments at the BLP Committee meetings suggesting that she was affiliated with Il Bastardo and was a “front” for its re-opening. In another example of failing to disclose the Il Bastardo connection, when a community member wrote to the applicant asking whether the applicant had other restaurants in the tri-state area, Ms. Sollenne responded as “principal” of the LLC applicant and represented that they “don’t have other restaurants.” Ms. Sollenne’s email continued that the applicant was “proposing to open a restaurant serving seasonal Mediterranean cuisine” -- which was also reflected in the menu that the applicant submitted to MCB4 with its application (and that was subsequently included with MCB4’s recommendation to the liquor authority). This submitted menu bears no resemblance to the menu that currently appears on this

establishment's website. Finally, MCB4 has been informed that Robert Malta, a principal of the Seventh Avenue Il Bastardo who was never disclosed as having any connection with the West 27th Street establishment, met with the 10th Precinct police as a representative of the re-opened Il Bastardo on West 27th Street.

MCB4 is unaware of whether the applicant's failure to disclose its intentions to utilize the license at issue to "re-open" Il Bastardo at a new location extended to the liquor authority. We do note that the liquor authority's website entry for this license and the license itself, which MCB4 obtained through a FOIA request, nowhere mention the name "Il Bastardo."

Thank you for your attention to this matter.

Sincerely,

Re: 27 West Chelsea Inc.
544 West 27th Street

Dear Chairman Bradley:

Manhattan Community Board 4 (MCB4) recommends **denial** of a new on-premise liquor license for 27 West Chelsea Inc – 544 West 27th Street, **unless** the attached stipulations, agreed to by the applicant, are part of the method of operation for this establishment with hours of operation 12 p.m. – 12 a.m. Sunday through Wednesday and 12 p.m. – 2 a.m. Thursday through Saturday; capacity of 294, 75 tables, 250 seats, 1 stand-up bar with 20 seats; live music will be limited to no more than three (3) performers; listed on the liquor license will be 27 West Chelsea Inc. and Kristin Sollenne only; and the applicant will adhere to the submitted security plan.

The location the applicant has chosen has a difficult nightlife history. For a long while West 27th Street between Tenth and Eleventh Avenues was dense with clubs and bars and the police closed it off on the weekends with mounted officers at either end. They used kleig lights so as to better monitor the activity of the club-goers and bar patrons. Over the last five years the street has been making a transition to more residential uses. New apartments and a hotel have risen on the north and south sides of West 27th Street. Some of the existing commercial space has been upgraded and one immersive theater group has taken space. MCB4 wants assurance with some clearly defined operational boundaries that this proposed two story restaurant (eventually with a cabaret license) will be an appropriate fit into this newly developing residential enclave.

General notification of the impending application was spotty on the street.

The proposed restaurant is directly opposite a rental apartment building. It is of concern to MCB4 that no contact was made between the applicant and any of its tenants.

Additionally, the applicant had previously come before the Business License and Permits (BLP) Committee of MCB4 in July with a proposal for a restaurant at another location further south and east in Chelsea on Seventh Avenue. Because of the notorious operation of the predecessor venue at that spot and the applicant's association with its operation, however tangential, the community appeared vociferously against granting the license. The BLP Committee agreed and suggested the applicant seek a new location without the applicant's associations. Regardless, we still want it to be openly stated that these past associations, though not necessarily a determining factor for future operations, do raise issues of trust and reliability among members of MCB4.

For the reasons stated above, MCB4 requests that the present application be **denied unless the stipulations agreed to are incorporated into the applicant's method of operation as indicated on the license.**

Thank you for your attention and cooperation with this application.

Sincerely,

SECURITY PLAN FOR 27 WEST CHELSEA INC.

1. There will be a minimum of one licensed and trained security guard in the premises when 75 or more patrons are present at the same time. From within the security detail, one will be designated as a security supervisor to insure that those assigned to the premises are abiding by the rules. In addition to the above, discretion will be used by management to determine the appropriate number of security based on the event or crowd to ensure safety and lawfulness.
2. The establishment will use the services of a security guard company which will be licensed by the NYS Department of State.
3. Security guards will be trained in techniques to de-escalate potential violent encounters and difficult situations.
4. Establishment policy will mandate that security separate and remove all potentially violent patrons in a manner, consistent with the law that is designed to prevent a continuation of violent activity inside or outside the premises. If a matter cannot be contained by the security personnel, an employee of the premises will call 911 or otherwise notify police for assistance in these circumstances. Similarly, an employee will call 911 to report serious medical emergencies.
5. Security guards will be distinctively and uniformly attired -- very easily identified.
6. Security guards will be spread throughout the establishment and not just at the door.
7. Those that engage in disorders will be detained by security through whatever lawful means is allowed. Written reports will be made out by those security guards that may intercede in any disorder and will attempt to get identifying information from those that witnessed any such events. Witnesses will also be encouraged to make a written statement to establishment personnel regarding the incident.

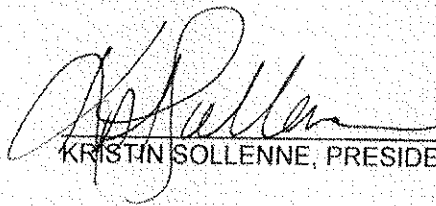

8. The staff will cooperate with the police or any other authorized agency with whatever evidence it can provide.

9. Identifying information on ejected and/or arrested patrons will be retained on a "banned list" database. These patrons will not be allowed subsequent re-entry.

10. All those awaiting admission will be placed in a line, not blocking the sidewalk. All individuals on admission lines will be informed that if they are not orderly, they will not be admitted. Individuals who will not be admitted will be encouraged to leave the area.

11. At closing, security will be stationed to ensure orderliness when patrons are exiting the establishment.

SECURITY PLAN FOR 27 WEST CHELSEA INC

1. There will be a minimum of one licensed and trained security guard in the premises when 75 or more patrons are present at the same time. From within the security detail, one will be designated as a security supervisor to insure that those assigned to the premises are abiding by the rules. In addition to the above, discretion will be used by management to determine the appropriate number of security based on the event or crowd to ensure safety and lawfulness.
2. The establishment will use the services of a security guard company which will be licensed by the NYS Department of State.
3. Security guards will be trained in techniques to de-escalate potential violent encounters and difficult situations.
4. Establishment policy will mandate that security separate and remove all potentially violent patrons in a manner, consistent with the law that is designed to prevent a continuation of violent activity inside or outside the premises. If a matter cannot be contained by the security personnel, an employee of the premises will call 911 or otherwise notify police for assistance in these circumstances. Similarly, an employee will call 911 to report serious medical emergencies.
5. Security guards will be distinctively and uniformly attired – very easily identified.
6. Security guards will be spread throughout the establishment and not just at the door.
7. Those that engage in disorders will be detained by security through whatever lawful means is allowed. Written reports will be made out by those security guards that may intercede in any disorder and will attempt to get identifying information from those that witnessed any such events. Witnesses will also be encouraged to make a written statement to establishment personnel regarding the incident.

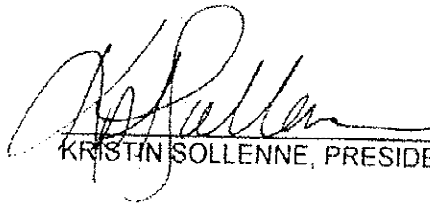

8. The staff will cooperate with the police or any other authorized agency with whatever evidence it can provide.

9. Identifying information on ejected and/or arrested patrons will be retained on a "banned list" database. These patrons will not be allowed subsequent re-entry.

10. All those awaiting admission will be placed in a line, not blocking the sidewalk. All individuals on admission lines will be informed that if they are not orderly, they will not be admitted. Individuals who will not be admitted will be encouraged to leave the area.

11. At closing, security will be stationed to ensure orderliness when patrons are exiting the establishment.

Community Board Members

I am writing on behalf of IL Bastardo and their interest in expanding to the second floor of the building. We have had a number of events at this space and have been so impressed with all aspects of their business. The staff is very professional and caring and handled every request we had. Our events were a huge success and many of our guests showed interest in having future events there. I have also introduced the space to a number of schools and non-for-profits who have had their functions there.

It would be great if they were able to expand to the second floor so larger events can take advantage of this great venue.

Thank you in advance for your consideration.

To whom it may concern:

I am writing on behalf of Kristin Sollenne, in support of expanding her restaurant IL Bastardo located at 544 W 27th St. I have had the pleasure of doing business directly with her and her restaurant and have rented the venue for private events, as well as smaller intimate reservations for clients. Every interaction was not only professional, but Kristin and her team went above and beyond at each event I hosted.

I own a branding and public relations agency, working with many high profile personalities. My clients have a very discerning palette and this is why I continue to work with Kristin and IL Bastardo due to the quality and efficiency they offer on a consistent basis. In a city that offers many options, I will continue to bring my business to Kristin and her team. I support the expansion of the restaurant and this beautiful venue.

If you should have any further questions, you may reach me directly at 347.837.1254.

Kindly,

Dear Members of the Board,

I have used Il Bastardo, located at 544 W 27th Street over the past year for many of my client events. I am very happy to share that it has always been a wonderful experience, and a pleasure working with Kristin and everyone at Il Bastardo.

Everything has always gone smoothly and feedback from my guests is always fantastic. I have also done a lot of work in the neighborhood including residences such as 505 W 19th, 500 W 21st, and 160 W 12th. Il Bastardo has been the perfect neighborhood establishment to have these intimate to larger gatherings to promote business and clients in the area. I continuously look forward to using the restaurant as a venue to host broker events, as the staff is always very welcoming and warm, accommodating, and extremely professional. I strongly support the expansion of the restaurant and look forward to future events and dinners there.

Very warmly,

Irene O'Halloran

Fwd: Il Bastardo Reports

Rick Criswell [rick@sleepnomorenyc.com]

Sent: Monday, April 22, 2019 1:12 PM**To:** Gonzalez, Nelly (CB)

Hello Nelly,

Here is a list of issues and problems we have had with Il Bastardo next door to our business. I voiced our concerns at the BLP meeting on April 9. I met with the manager after and gave my contact info and have not had anyone reach out to us. I am not sure if they are still on the agenda for the full board next week but wanted to express our concerns and please ask the board not to approve any alterations or adjustments.

Sleep No More and the McKittrick Hotel have been on this block for 8 years and we are very respectful of our neighbors and have good security and procedures in place to handle our business. They cause our staff and building undo stress and we do not want the neighborhood to think we are the issue since we are right beside them.

If there is anything I can do, please let me know.

Thanks

Notes on Il Bastardo from McKittrick Security and Front of House Team

2018/2019

Incidents Reported and Documented:

1. December 17th, 2017 - Il Bastardo guests are often exiting Il Bastardo extremely intoxicated and stumble over to our door attempting to come up to Gallow Green and harassing our staff and patrons if they are not allowed entrance. This is causing the need for additional Security to keep an eye on Friday through Sunday
2. January 6, 2018 – Security Reported that a physical fight broke out between patrons of Il Bastardo that frightened our customers and staff – NYPD was called via 911 and arrests were made.
3. January 22nd, 2018 – Front door supervisors request additional security to assist in managing rowdy, intoxicated patrons exiting Il Bastardo.
4. March 11th, 2018 - there were three separate fights next door at Bastardo's today. The cops were called for one of them. During one of the fights there crowd was blocking the 542 door and our patrons safe entrance to our building is affected.
5. March 18th, 2018 – FOH Supervisory reports Drunk and disorderly patrons exiting Il Bastardo continuing to disrupt our business. At 4pm – Cleanup by our staff was required after a patron leaving Il Bastardo vomited just east of the 542 door.
6. March 31st, 2018 – FOH Supervisory requests further additions to Security and FOH

staff to help keep control over the area in front of our business to mitigate affect of unruly, intoxicated patrons exiting from Il Bastardo.

7. April 22nd, 2018 – our Door team was met with hostility by the Bastardo guards this afternoon after apparently receiving an email from our building regarding safe management of their patrons.
8. May 6th, 2018 – In order to continue safe ingress of our guests to Gallow Green the FOH team was forced to change the entrance to the East side of our building to provide distance from the aggressive, intoxicated crowds at Il Bastardo.
9. Beginning with this date, our business had to alter our front door entry every time that Il Bastardo was open during our weekend brunch hours.
10. June 23rd, 2018 – Restaurant Management reported A large group of drinkers who had spent a few hours at Il Bastardo previous to joining us added a little extra boisterousness to counteract the otherwise languid early atmosphere, although they inevitably became a bit too boisterous and had to be escorted out.
11. February 17, 2019 - At approximately 5:00pm, a guest from Il Bastardo's was pacing and stumbling, looking as if he was going to throw up or urinate. Security at the door watching him, and while checking ID's, a guest approached them and said that the man was urinating on our building. Security approached him and told him he had to leave, and the man went back to the Bastardo's entry area. He came back and was next to our door, so Security insisted that the man leave the area however the man insisted on not leaving and became violently aggressive and verbally threatening. Additional McKittrick Security was required and the police were called.

The staff has verbally reported many more issues with Il Bastardo patrons vomiting or urinating on the doors of our building and having to be chased off by security.
