Re: Loading Zone in front of 301-306 West 46th Street

Dear Borough Commissioner Pincar,

Manhattan Community Board 4 (MCB4) is in discussion with various stakeholders of this busy mixed commercial and residential street about congestion and obstructions to through-traffic. At our last meeting, a consensus was reached to request a designated loading zone for the high volume of delivery vehicles serving the blocks' many bars and restaurants, as well as the Hotel Riu.

At our January 2nd Full Board meeting, we voted to recommend, by a vote of 35 in favor, 0 against, 0 abstaining, and 0 present but not eligible to vote, the designation of a loading zone on the south side of West 46th Street, from the bulbout at the corner of Eighth Avenue, in front of 301 & 306 West 46th Street, ending at the property line of St. Luke's Lutheran Church.

The current regulation is split between three-hour commercial vehicle only metered parking from 7 AM-6 PM except Sunday, and six-hour metered parking from 6 PM-7 AM except Sunday. Our recommendation is to change the regulation to No Parking Anytime, 7 days a week.

Sincerely,

Burt Lazarin
