**Re: Speed Humps on 19<sup>th</sup> Street (9/10 Aves.)**

Dear Commissioner Sanchez,

Manhattan Community Board 4 (MCB4) thanks the New York City Department of Transportation (DOT) for studying the feasibility of two speed humps on 19<sup>th</sup> Street between Ninth and Tenth Avenues.

The installation has received the support of the Chelsea community and will be a great addition to our safety net for pedestrians. At its February 7<sup>th</sup> Full Board Meeting, MCB4 voted in support of the installation of two speed humps for 19<sup>th</sup> Street with a vote of 40 in favor, 0 against, 0 abstaining, and 0 present but not eligible to vote.

We look forward to DOT installing such features as soon as feasible.

Sincerely,

**Burt Lazarin**
