Re: Concrete Distribution via Hudson River Park

Dear Mr. Peinado,

By a vote of 34 in favor, 0 opposed, 0 abstaining and 0 present but not eligible to vote, at its December 5th Full Board meeting, Manhattan Community Board 4 (“MCB4”) wishes to thank you for your efforts, working with the Waterfront, Parks and Environment Committee (the “Committee”) of MCB4 to revise your proposal regarding the off-shore delivery of concrete for Manhattan construction project.

Although the Committee had identified a number of issues that needed to be resolved to make your proposal a reality, overall, the Committee was intrigued by your approach.

However, it is the understanding of MCB4 that the Hudson River Park Trust (the “Trust”) has declined to engage in further discussions regarding your proposal, as the Trust feels that your proposal is not compatible with park uses.

We wish you the best of luck in your future endeavors.

Sincerely,

Burt Lazarin
