Re: Ninth Avenue / Gansevoort Street Reconstruction
Project ID #HWMP2020

Dear Ms. Noboa,

Manhattan Community Board 4 (MCB4) thanks you for updating the Transportation Planning Committee regarding the ongoing Ninth Avenue/Gansevoort Street Reconstruction Project. While we recognize the complex nature of the work, we would like to ensure that the corridor is safe for pedestrians, motorists, and cyclists alike.

To the latter, if it's not possible to demarcate a temporary bike lane through the site, MCB4, at its June 5, 2019 Full Board meeting voted, by a vote of 44 in favor, 0 against, 0 abstaining and 1 present but not eligible to vote, to ask that you work with the Department of Transportation to provide proper signage to indicate detours for cyclist traffic. We also request that work crew members be assigned to direct cyclists to detours.

Thank you for your cooperation in ensuring safety during this project.

Sincerely,
