Dear Ms. Rubin:

This is in reply to your February 9, 2016 letter requesting the removal of the “No Standing 1am-7am” overnight regulation from the south side of West 26th Street between 7th Avenue and 6th Avenue.

The Manhattan Borough Engineering Office completed a field investigation at the above location. As a result, we issued a work order to remove the “No Standing 1am – 7am All Days” regulation from the south side of West 26th Street between 7th and 6th Avenues. This order has been submitted to our sign maintenance unit and will be scheduled accordingly.

Thank you for your contacting our office.

Sincerely,

A handwritten signature in blue ink, appearing to read "M. Forgione".
