## Know your event food

To help you and your guests make the right choices for their individual needs, Catering is committed to listing ingredients and calling out the following 19 allergies, intolerances and sensitivities on our menus globally: milk, eggs, finfish, crustaceans, mollusks, peanuts, tree nuts, gluten, soy, celery, mustard seed, sesame seed, sulfur, lupin, buckwheat, monosodium glutamate (MSG), beef, pork and alcohol.

We strive to identify all of the ingredients that we are aware of in every dish we serve, but there's a chance food could be cross contaminated from the source or in the servery, or that a processed food item could contain traces of unlisted ingredients. If you or your guests have a food allergy or intolerance, please let the Catering Manager know ahead of time and keep an eye out for common risks, triggers and cues so you and your guests can stay safe.

Raw or undercooked foods are noted on our menus as "Raw / Undercooked." Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness, especially if you have a medical condition.

Check out our tips for making safe food choices by visiting go/foodsafety. If you have any questions, please reach out to your Catering Manager.

# Tips for seamless Catering

#### **Cafe Reservations**

 We want to make sure that all guests and Googlers are provided with food service. Cafes need to be notified of an event with an increased number of diners in order to prepare enough food and ensure a great dining experience for everyone on site. There is a cost associated with reservations for external guest. Cafe reservations are \$12.00 per external guest for breakfast or lunch.

#### **Day-of Event or Meeting**

- You will receive a brief email check-in the day before your event to confirm the details of your event.
- We are readily available when you're in a crunch: reach out at NYCCatering@google.com, or jump on the phone with us at 212-565-0008

# Staffing and ambience

#### **Staffing Services**

Enhance your event with coat check attendants, wait staff, chefs and bartenders. We request 72 hours advance notice. Please contact your event coordinator for details.

#### **Bar Services**

A bartender is required at all events serving alcohol:

We recommend one bartender per every 80 people at an event

#### Chefs' Fee

Served lunches and dinners as well as some buffets and receptions require on-site culinary services for events with 50 or more people. Please speak with your event coordinator to find what will best suit your event.

#### **Wait Staff**

Additional wait staff is required for events and receptions using china with more than 50 guests or those with compostable wares serving more than 150 guests. Our experienced event coordinators will help arrange the best solution for your event.

# Thank you!

Thank you for considering Catering at Google. Our team is ready to step up to the plate to bring your guests an inspiring experience and delicious, dynamic food and refreshments. We can't wait to get started!
