Re: Rerouting Commercial Sanitation Trucks to 14th Street

Dear Commissioner Genel,

Manhattan Community Board 4 (MCB4) writes this administrative letter after recently receiving complaints from residents¹ on West 16th Street in regard to the oversized commercial carting trucks utilizing West 16th Street as an illegal truck route between the hours of 11pm and 2pm. As you know, West 16th Street is not a Department of Transportation approved truck route and furthermore has two speed bumps. The commercial carting trucks travel illegally down West 16th Street, hitting the speed bumps and emitting noise that disturbs the quality of life for residents on those blocks.

MCB4 asks that Business Integrity Commission inspect West 16th Street during the hours of 11pm-2pm and inform the commercial carters to utilize West 14th Street.

Thank you for your attention to this issue and MCB4 looks forward to your response.

Sincerely,

Jesse Bodine
District Manager
Manhattan Community Board 4
