## Security Plan

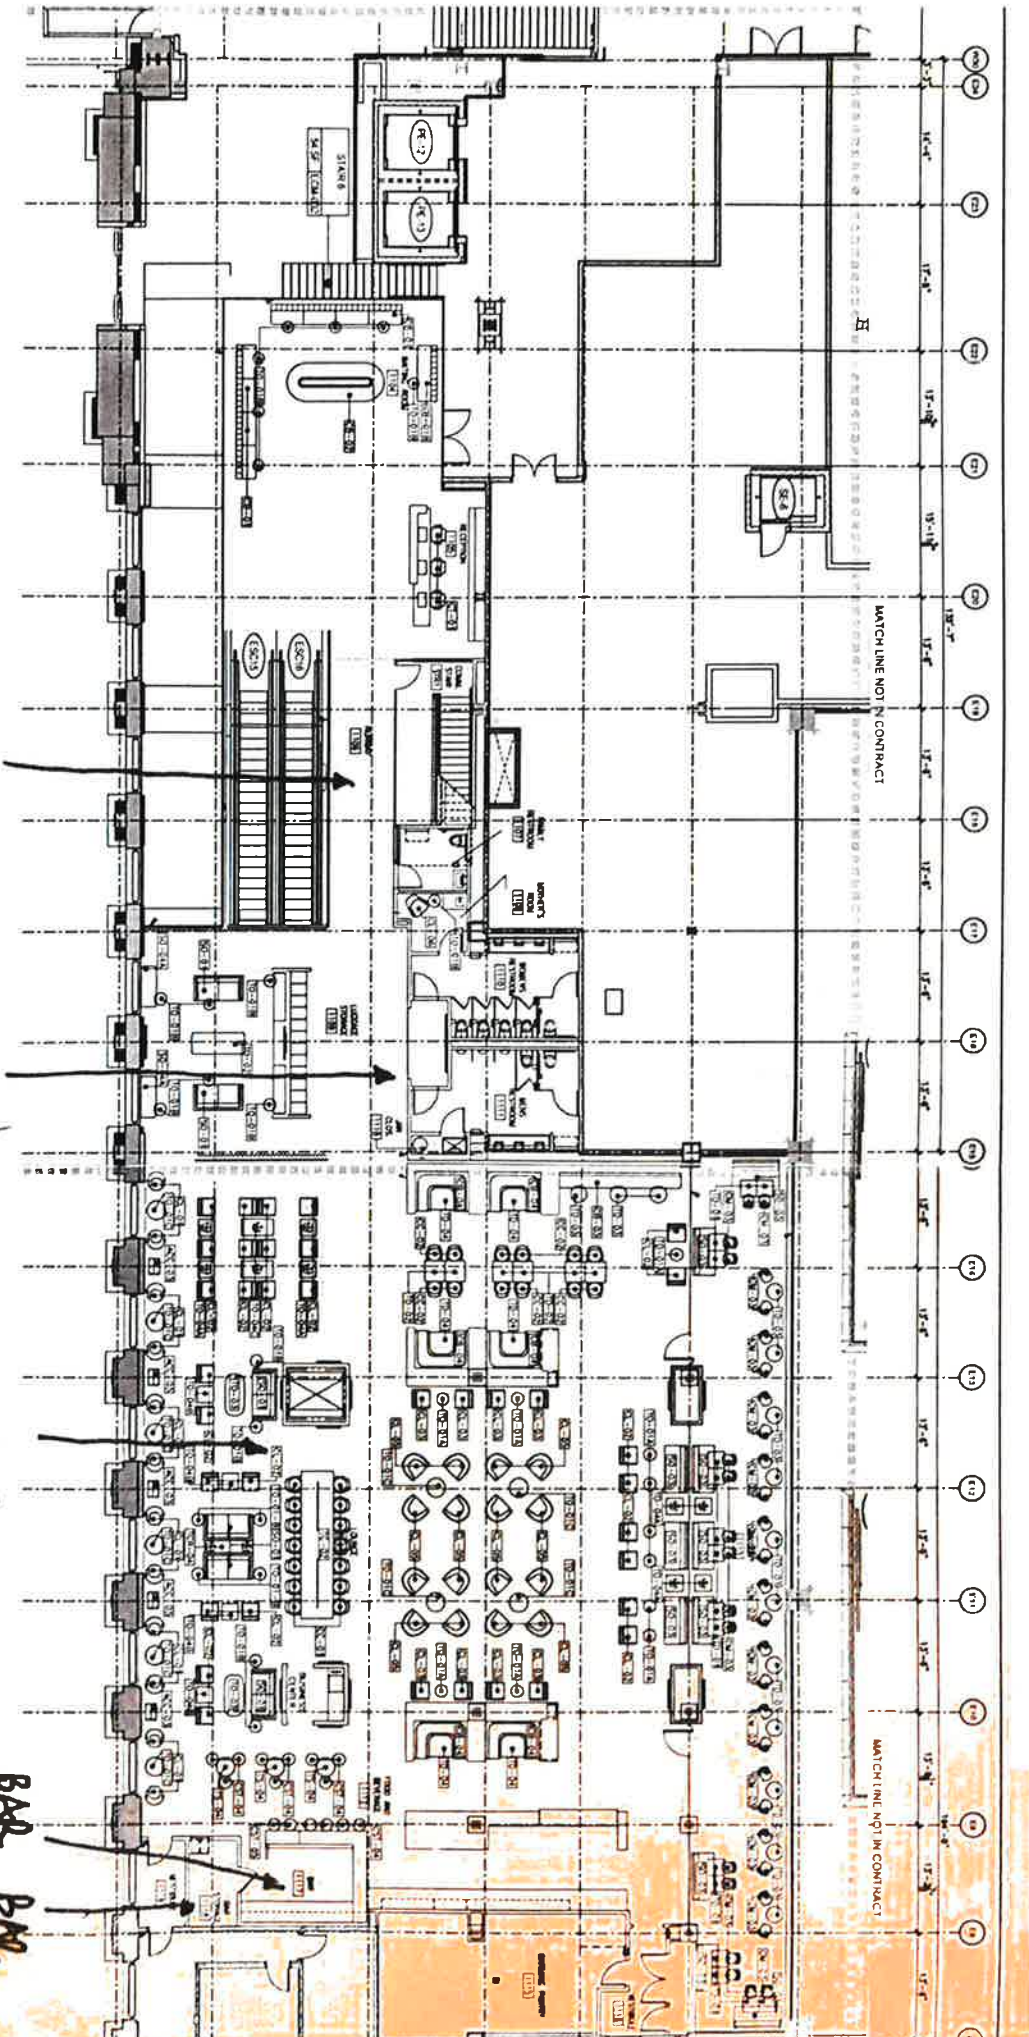

The premise is monitored and routinely policed by the Amtrak Police Department (APD). APD ensures the safety and security of the premise and its surrounding spaces. This space will primarily be patronized by Amtrak travelers. There is a dedicated customer service representative at the front desk monitoring access to the space. Beverages are going to be served from the dedicated bar to those eligible passengers. There is not going to be a bar cart roaming the station. Alcohol will be contained to the lounge. As patrons purchase alcohol, IDs of anyone appearing to not be of age will be checked and staff will monitor patron's alcohol consumption to ensure no intoxicated individuals are served.

Good morning all,

With regard to my below email, I wanted to amend my statement to disclose the license type we will be applying for is a On Premise license rather than Catering. This change will not effect the hours of operation previously identified, nor will it change the menu. The space will be used primarily by Amtrak travelers as a space to consume food and beverage between trains.

Thank you for your time.

Erin
