

REGISTER OF COMMUNITY BOARD BUDGET REQUESTS

For the Adopted Budget Fiscal Year 2022

Manhattan 4

The City of New York
Bill de Blasio, Mayor

FY 2022 Adopted Budget Register of Community Board Budget Priorities

The Register of Community Board Budget Requests for the Adopted Budget reports the FY 2022 adopted budget status of each of the projects and programs requested by the City's 59 community boards.

The FY 2022 Register is the charter mandated product of a dynamic and cyclical budget process for the 59 community boards. The community boards consult with agencies on the capital and expense needs of the district. After consulting, each community board develops and votes separate priorities for up to 40 capital and 25 expense budget requests which the agencies review and respond to in the **Register of Community Board Requests for the Preliminary Budget** in January.

The Mayor's Office of Management and Budget (OMB) reviews these same budget requests and updates the responses for the Executive Budget, publishing them in the **Register of Community Board Requests for the Executive Budget** in April.

In May, the City Council holds public hearings on the Executive Budget. At these hearings, community boards, community groups and interested citizens may comment on the budget decisions contained in the Register.

In June, OMB publishes the **Register of Community Board Budget Requests for the Adopted Budget** which informs the boards of the final disposition of their original budget priorities. The Adopted Register contains responses that reflect the changes made to the Executive Budget by the City Council.

Capital project requests from community boards are site specific, and primarily for infrastructure or public facility improvements.

For more specific information about programs important to the community boards, refer to each agency's section in the Message of the Mayor for the Executive Capital and Expense Budgets.

Call 212-788-5943 for more information about the community board process including consultations, and the geographic versions of budget documents.

FORMAT OF THE REGISTER

The Register of Community Board Budget Requests is sorted into four versions: Community Board, Borough, Council and Agency. In all versions of the Register, each board's expense requests directly follow their capital requests. The requests are in board order.

LAYOUT OF BUDGET REQUESTS PAGES

Column 1: Priority Number

The priority assigned by a community board reflects the importance of that request as compared to its other requests. Boards may assign Continued Support (CS) to a project which received funding for construction in any year of the current Financial Plan.

Column 2: Tracking Code

The nine-digit identification number assigned to each community board budget request. Tracking codes are unique to each request and identify the borough, community district, year submitted, and request. The first digit refers to the borough, 1 = the Bronx, 2 = Brooklyn, 3 = Manhattan, 4 = Queens, and 5 = Staten Island; the second and third digits indicate the district number. The fourth through seventh digits represent the fiscal year for which the request was submitted, and the last two digits are the request number. The tenth character indicates whether it is a capital ("C") or expense ("E") budget request.

Column 3: Project Information

Request: A brief description of the project.

Explanation: Supporting information detailing the project, and its potential benefits.

Responsible Agency: The City agency which would implement the project.

Budget Line Number: The number assigned to a capital project that was previously funded or is included in any year of the current Financial Plan.

PROJECT ID: The Capital Project Information System identification number which allows projects to be entered into the City's computer tracking system. The number of the managing agency and the project identification number make up the PROJECT ID of the project.

Source of Request: Any group(s) which support the request.

Column 4: Response

The Adopted Budget recommendation for each budget request.

40	304202240E	<p>Request: Expand code enforcement</p> <p>Explanation: Continued Support: Expand funding for the enforcement of the regulations on illegal hotel use. Illegal hotel use continues to exist and expand in the CD4 district. The NYS Attorney General report Airbnb in the City, found that CB4 is one most trafficked neighborhoods for illegal hotel use, and of the three community districts that collectively account for 41% of Airbnbs revenue in NYC. Illegal hotel use depletes our affordable housing stock, incentives tenant harassment and creates quality of life issues for existing tenants. Increase OSE resources including lawyers, investigators and inspectors dedicated to bringing litigation against illegal hotel use, particularly in the most problematic districts.</p> <p>Responsible Agency: Special Enforcement</p>	<p>Further study by the agency of this request is needed.</p>

42	304202242E	<p>Request: Provide, expand, or enhance anti-eviction legal services</p> <p>Explanation: Continued Support: Expand HRA Anti-Harassment Legal Services to Manhattan Community District 4. These important homeless prevention programs are only provided in East Harlem and Inwood neighborhoods in Manhattan. While the administration is committed to supporting legal services to prevent harassment in districts that are to be rezoned in the near future, community districts such as CD4 which was subject to three large rezonings in the past decade, need enhanced funding to mitigate the increasing amount of tenant harassment due to the increasing development pressures as a result of the rezoning. Enhanced legal services are needed to represent individual tenants and tenant associations in Manhattan CD4.</p> <p>Responsible Agency: Human Resources Administration</p> <p>Supported by: Housing Conservation Coordinators</p>	<p>OMB supports the agency's position as follows: HRA funds Anti-Harassment Legal Services to work in select neighborhoods across the City with tenants, buildings, and tenant associations to help preserve their housing, protect against harassment or misconduct by unscrupulous landlords, and give representation and legal advice in evictions and other cases. HRA also funds Anti-Eviction Legal Services in the housing courts and in community offices across the City. We provide comprehensive, flexible, and individualized legal and related services to help low-income households avoid eviction and homelessness.</p>
43	304202243E	<p>Request: Support nonprofit cultural organizations</p> <p>Explanation: Continued Support: Fund the development of study and database for accessibility of Theatre groups for accessible rehearsal space sharing for the purposes of preserving and creating affordable space for small to mid-sized art and theatrical groups, and other non-profit performance and visual art organizations. MCB4 has long advocated for the creation of a subsidy program, as part of the overall budget of the Department of Cultural Affairs as well as through the theater Sub-district. A database and the subsidy program would help ensure permanent locations for existing and displaced nonprofit arts entities.</p> <p>Responsible Agency: Department of Cultural Affairs</p> <p>Supported by: League of Independent Theaters</p>	<p>It is recommended that this request be brought to the attention of your Elected Officials.</p>
