500 Foot Statement

If you're open to trying new things to eat, you know that 9th Ave is the place to go in New York City for a variety of menu offerings. Native New Yorkers come to Hell's Kitchen/Clinton to dine as do people attending Broadway and off-Broadway shows or if you're staying at one of the hotels in the Times Square area. With its proximity to Broadway and other theaters, you might just see one of the stars of Hamilton or an up-and-coming singer or dancer at the next table in one of the area's restaurants.

This location has been licensed for over a dozen years by two different entities. The principal has significant experience managing premises throughout Manhattan and will be an on-site operator.

We will have background music only so there won't be an increase in noise. We will be a small neighborhood restaurant so we don't foresee any increase in traffic based on the fact that the premises that was here prior to us was also a neighborhood establishment. We will have 9 tables and 26 seats. The menu items will be popular with the residents who call Hell's Kitchen/Clinton home as well as the students who attend the local schools.

We will make sure to comply with the Community Board and participate in neighborhood growth.

The applicant will increase city and state tax by increasing revenue from sales, withholding, corporate and personal taxes.

The business will create jobs and provide additional economic stimulus to the area which are all benefits to the community.

There are no ABC Law violations or criminal activity at this location that we know of.

Customers will be able to walk there as well as take NYC taxis, Uber and Lyft. The 50th Street & 8th Ave subway stop on the C & E lines are close by as is the M50 crosstown bus and the M11 9th Ave downtown bus. Street parking is available.
