ATTN: State Liquor Authority

Subject: 500 Foot Hearing- 355 W 41st Street, NY, NY 10036

To Whom It May Concern,

In doing a search with the Liquor Authority Mapping Project, we believe our license application may be subject to the 500 Foot Rule and require a hearing. However, many of the businesses listed as active with on-premises liquor licenses have shuttered due to the COVID-19 pandemic and we believe it is in the public interest to allow our new application to move forward.

The previous tenant of the space that we are applying for a liquor license was Tobacco Road, which held an on-premises liquor, wine, and beer license, with live music entertainment. The Red Eye NY team would like to open our establishment under the same guidelines, hosting Broadway style cabaret performances and world-class musical entertainment. Opening a venue at this location would not add an additional license to the neighborhood because it was previously licensed. Additionally, we believe our venue will enhance the cultural and arts landscape of Hell's Kitchen, and serve in the public interest by hiring local entertainers and bringing high quality and affordable art to enthusiasts in our community. We also know that our venue will bring in tax revenue which will serve the public interest of this neighborhood.

Thank you for your consideration,

Taylor Shubert and The Red Eye NY Team
