My client is a catering and event company that's been in business since 1996. They have a wine and beer license and due to their success have now decided to expand their business to an on - premises liquor license and catering event space. They will cater all types of affairs both on and off premises and specialize in corporate events.

They are scheduled to be on the September calendar for CB 4.

Please contact Gianluca if you have any questions or comments about the business.

Thank you,

Stacy L. Weiss
