July 2021 Full Board Minutes

<p>Meeting Date / Location</p>	<p>The Full Board met at 6:30 pm on Wednesday, July 28, 2021, at the Fulton Center Auditorium, 119 9th Avenue, New York, NY. The meeting was live streamed on YouTube and can be viewed at:  <a href="https://tinyurl.com/wwbvt87x">https://tinyurl.com/wwbvt87x</a></p>
	<p><b>Public Hearing: City Wide Text Amendment for Permanent Open Restaurants</b>        JD Noland, Chair of the Clinton/Hell’s Kitchen Land Use Committee, conducted the hearing on Agenda Item 28 relating to the proposal by DCP to make the Open Restaurants Program permanent. He stated that the committee rejected the three text amendments that were proposed by DCP because they would remove all protections that zoning provides now for outdoor cafes. A written statement opposing the proposal that was submitted by a local resident was read aloud and two members of the public spoke in person:</p> <ul style="list-style-type: none"> <li>• Catie Savage stated that she was generally in favor of outdoor dining, but that the proposal needed modifications to provide for more regulation of restaurant business operations and sanitation planning by the City.</li> <li>• Pamela Wolf, who is a public member of the Board, spoke for herself as a resident of Chelsea. She voiced her concern that the proposal would perpetuate the shortcomings of the current Open Restaurants Program that are mainly due to a lack of enforcement by the City of rules governing outdoor space boundaries, for example.</li> </ul> <p><b>Public Hearing: City-Wide Text Amendment for Health and Fitness</b>        Paul Devlin, Co-Chair of the Chelsea Land Use Committee, conducted the hearing on Agenda Item 30, which is a ratification of a letter that had already been sent to the DCP approving the proposal to remove the requirement that Physical Culture Establishments obtain a special permit from the Bureau of Standards and Appeals. With no public speakers coming forward, the hearing was closed.</p> <p><b>Public Hearing: Western Rail Yard Infrastructure Project Draft Environmental Impact Statement Comment Period</b>        JD Noland conducted the hearing on Agenda Item 29. There were no public speakers, so the hearing was closed.</p> <p><b>Public Hearing: Starrett-Lehigh Building (601 West 26th Street) and Terminal Warehouse Building (261 11th Avenue) Rezoning</b></p>

	<p>Paul Devlin conducted the hearing on Agenda Item 32 relating to a rezoning application for the two blocks between West 26th and West 28th Streets between 11th and 12th Avenues. No public speakers came forward and the hearing was then closed.</p> <p><b>Community Update:</b> MCB4 to provide update on Empire Station Complex Project</p> <p>Jeffrey LeFrancois, First Vice Chair of the Board, gave updates on the activities of the Advisory Committee that he has been a part of since last Summer dealing with the State's proposal to develop the area around Penn Station under a plan known as the Empire Station Complex Project. About four months ago, a decision was made by Community Boards 4 and 5 and our elected officials from the district to create a bigger Working Group. It has been meeting for the last three months on Tuesday at 4:00 in the afternoon for about two to two and a half hours for 11 weeks. The work is now wrapping up on getting recommendations to the State. Part of the process included gathering input from the public at a Town Hall that was co-hosted by CB4 on July 16th wherein the State presented its plan to the public. The Town Hall was done on Zoom and had over 200 participants and 150 questions submitted. It turned out that skyscrapers and affordable housing were the issues that were of most concern to the public. At this point, we are awaiting a response from the State, some of which we expect to be favorable.</p>

Public Session	
Larry Marcus	Mr. Marcus announced that he had just gotten a job to promote, educate, and install solar powered trash cans. He lives at 46th and 10th Avenue and has had experience in the solar power industry before being offered his new job with a new product. He stated that he wants to work with the Board in finding ways to use his trash cans in Chelsea and Hell's Kitchen.
Brian Weber	Mr. Weber, who is a public member of the Board, is on the Midtown South Precinct Community Council. He announced the National Night Out Against Crime event that will take place on Tuesday, August 3rd from 5-8 pm at the McAffery Park Playground, located at West 43rd Street between 8th and 9th Avenues. Guests can enjoy free pizza, Italian Ices, and music. There will also be a mobile vaccination van on site.
Frank Parillo	Mr. Parillo is the attorney representing the Gadfly Lounge in its liquor license application to the SLA that is the subject of Agenda Item 2. He thanked the BLP Committee for the hard work that went into their difficult application.
Edward Curtis	Mr. Curtis has lived on 16th Street between 7th and 8th Avenues for more than 20 years. He spoke in favor of the Gadfly Lounge application, stating that it will enhance the quality of life in the neighborhood.
Cara and Joe Pally	Ms. Pally introduced herself and her husband as the owners of the Gadfly Lounge and thanked everyone at the meeting who came out to support them.
Chris Lebron	Mr. LeBron, who is a member of the Board, spoke for himself in noting the large number of SLA applications on the Agenda and the fact that many bars and restaurants are re-opening. He noted the latest CDC advisories on COVID-19 precautions and urged those establishments to embrace the Excelsior Pass on their own before the Mayor and Governor make statements announcing mandates.
Cathy Curtis	Ms. Curtis has been a resident of West 15th Street for 35 years. She stated that she is in favor of businesses thriving in the City so long as they do not disturb the peace of the residents where they are located. She is concerned that the stipulations that are part of

	the Gadfly Lounge application may not be enough to mitigate the noise issues that have prevailed at their location when it was managed by another operator.
Lauren Donovan	Ms. Donovan spoke in favor of the Gadfly Lounge because she looks forward to there being more people around at night to discourage those who come into her neighborhood to do harm to its residents. She lives directly across from the Gadfly Lounge and has had several bad experiences recently. She thinks the new establishment will add an element of safety to the area.
Lisa Wager	Ms. Wager is the Director of Government and Community Relations at the Fashion Institute of Technology. She reviewed the following upcoming events: <ul style="list-style-type: none"> <li>• FIT will be opening for in-person classes in the Fall Semester, with the campus opening on Monday, August 2nd.</li> <li>• The first day of classes is Monday, August 30th and the SUNY vaccination policy will be adhered to at the college. That means that all dormitory residents must be vaccinated before they arrive.</li> <li>• The Museum at FIT is re-opening after its closure nineteen months ago. It will re-open on Friday, April 6th with a new exhibition titled <i>Ravishing the Rose</i>. The Museum has new hours and protocols: capacity has been reduced to 50 people with groups limited to 5 people; hand sanitizer stations are in place; and gallery seating is available. The new hours now provide for being open on both Saturday and Sunday from 10 am to 5 pm. Hours on Wednesday, Thursday, and Friday are from Noon to 8 pm.</li> </ul>
Kathleen Treat	Ms. Treat spoke in favor of the position taken by the Board in Agenda Item 28 regarding the Mayor's proposed permanent outdoor dining measure. She referred to current problems with structures on 9th Avenue that impede the passage of ambulances and the encroachment on sidewalks that impede pedestrians.
Marni Halasa	Ms. Halasa does outreach for the homeless. She spoke about the Mayor's ongoing efforts to relocate about 8,000 temporary hotel shelter residents back to congregate shelters. She stated that it has been disorienting for many residents because they aren't sure where they will end up when they have a special need due to a disability. She is concerned that the vaccination rate for these temporary shelter residents is only 14%, posing a problem for them and the community at large.

Remarks from Elected Officials and Representatives	
Borough President Gale Brewer	The Borough President and all elected officials agreed not to speak at the meeting because of the long agenda. They will appear at the next General Meeting in September.

Board Reports & Business	
Adoption of Agenda and Minutes	The Agenda, as amended, and the June minutes were unanimously approved.
