

REGISTER OF COMMUNITY BOARD BUDGET REQUESTS

For the Preliminary Budget Fiscal Year 2023

Manhattan 4

The City of New York
Eric Adams, Mayor

FY 2023 Preliminary Budget Register of Community Board Budget Priorities

The Register of Community Board Budget Requests for the Preliminary Budget reports the FY 2023 preliminary budget status of each of the projects and programs requested by the City's 59 community boards.

The FY 2023 Register is the charter mandated product of a dynamic and cyclical budget process for the 59 community boards. The community boards consult with agencies on the capital and expense needs of the district. After consulting, each community board develops and votes separate priorities for up to 40 capital and 25 expense budget requests which the agencies review and respond to in the **Register of Community Board Requests for the Preliminary Budget** in January.

The Mayor's Office of Management and Budget (OMB) reviews these same budget requests and updates the responses for the Executive Budget, publishing them in the **Register of Community Board Requests for the Executive Budget** in April.

In May, the City Council holds public hearings on the Executive Budget. At these hearings, community boards, community groups and interested citizens may comment on the budget decisions contained in the Register.

In June, OMB publishes **the Register of Community Board Budget Requests for the Adopted Budget** which informs the boards of the final disposition of their original budget priorities. The Adopted Register contains responses that reflect the changes made to the Executive Budget by the City Council.

Capital project requests from community boards are site specific, and primarily for infrastructure or public facility improvements.

For more specific information about programs important to the community boards, refer to each agency's section in the Message of the Mayor for the Executive Capital and Expense Budgets.

Call 212-788-5943 for more information about the community board process including consultations, and the geographic versions of budget documents.

FORMAT OF THE REGISTER

The Register of Community Board Budget Requests is sorted into four versions: Community Board, Borough, Council and Agency. In all versions of the Register, each board's expense requests directly follow their capital requests. The requests are in board order.

LAYOUT OF BUDGET REQUESTS PAGES

Column 1: Priority Number

The priority assigned by a community board reflects the importance of that request as compared to its other requests. Boards may assign Continued Support (CS) to a project which received funding for construction in any year of the current Financial Plan.

Column 2: Tracking Code

The nine-digit identification number assigned to each community board budget request. Tracking codes are unique to each request and identify the borough, community district, year submitted, and request. The first digit refers to the borough, 1 = the Bronx, 2 = Brooklyn, 3 = Manhattan, 4 = Queens, and 5 = Staten Island; the second and third digits indicate the district number. The fourth through seventh digits represent the fiscal year for which the request was submitted, and the last two digits are the request number. The tenth character indicates whether it is a capital ("C") or expense ("E") budget request.

Column 3: Project Information

Request: A brief description of the project.

Explanation: Supporting information detailing the project, and its potential benefits.

Responsible Agency: The City agency which would implement the project.

Budget Line Number: The number assigned to a capital project that was previously funded or is included in any year of the current Financial Plan.

PROJECT ID: The Capital Project Information System identification number which allows projects to be entered into the City's computer tracking system. The number of the managing agency and the project identification number make up the PROJECT ID of the project.

Source of Request: Any group(s) which support the request.

Column 4: Response

The Preliminary Budget recommendation for each budget request.

03	304202303C	<p>Request: Other capital budget request for EDC</p> <p>Explanation: The Manhattan Cruise Ship terminal is an overwhelming source of pollution. When ships are docked, their engines run to generate power and keep the lights on, emitting thousands of tons of diesel particulates into the air. A ship docked for 24 hours can emit the equivalent of 12,000 cars passing through the neighborhood at a time. Creating a facility for cruise ships to "plug-in" to draw power from the existing power grid will reduce diesel particulate matter and improve the water quality in the Hudson River. EDC should work with the cruise ship companies to upgrade the terminal and reduce the carbon footprint of the cruise ship industry.</p> <p>Responsible Agency: Economic Development Corporation</p> <p>Location Site Name: Cruise Ship Terminals</p>	Further study by the agency of this request is needed.
04	304202304C	<p>Request: Other public housing upgrades or renovations requests</p> <p>Explanation: The elevators at Harborview Terrace have a number of malfunctioning and routinely broken elevators. This causes cause great hardship to residents and has been a long-standing budget request. Elevators which continually break down must be replaced (rather than serviced) for the safety and well being of the residents.</p> <p>Responsible Agency: Housing Authority</p> <p>Supported by: Harborview NYCHA Tenant Associations</p> <p>Location Site Name: Harborview Terrace NYCHA Address: 525 West 55th Street</p>	In order to fund this initiative contact local elected officials for appropriations.

However, New York City continues to have a significant homeless population and a housing crises therefor recommends expansion of these programs. Currently the new text amendment removes references to sidewalk cafes from the zoning text based on the premises that legislation and rules will be substituted, and the DOT will take over the administration of this program, without providing a substitute law to protect the community and without the input of the community.</p> <p>Responsible Agency: Department of City Planning</p>	<p>DCP will continue discussions with the Board and community stakeholders regarding the concerns addressed in this request.</p>

39	304202339E	<p>Request: Expand code enforcement</p> <p>Explanation: Continued Support: Expand funding for the enforcement of the regulations on illegal hotel use. Illegal hotel use continues to exist and expand in the CD4 district. The NYS Attorney General report Airbnb in the City, found that CB4 is one most trafficked neighborhoods for illegal hotel use, and of the three community districts that collectively account for 41% of Airbnbs revenue in NYC. Illegal hotel use depletes our affordable housing stock, incentives tenant harassment and creates quality of life issues for existing tenants. Increase OSE resources including lawyers, investigators and inspectors dedicated to bringing litigation against illegal hotel use, particularly in the most problematic districts.</p> <p>Responsible Agency: Department of Buildings</p>	<p>This request is not recommended for funding.</p>

48	304202348E	<p>Request: Other NYPD facilities and equipment requests</p> <p>Explanation: Per the city charter which requires matching of service delivery with other administrative boundaries, adjust the boundaries of two existing precincts (midtown north and 10th Precinct) to serve all of CD4. This would reduce the number of precincts from presently 4 to 2 . Resources would be reallocated between precincts. As the population has grown by 17% and residential areas now extend to Hudson Yards and to 11th Avenue, the remaining precincts boundaries and resources should be readjusted to serve the new population to the West in a cohesive manner for the residents.</p> <p>Responsible Agency: Police Department</p>	Further study by the agency of this request is needed.

52	304202352E	<p>Request: Other expense budget request for DEP</p> <p>Explanation: MCD4 has several DEP\DDC multiyear Sewer\Water projects in the district. Many times, these projects impact small business for multiple months. Funding for additional signage, social media support, and similar program funding needs to be mandated for each of the sewer/water projects.</p> <p>Responsible Agency: Department of Environmental Protection</p>	<p>This request is not recommended for funding.</p>
53	304202353E	<p>Request: Animal and pest control requests including reducing rat and mosquito populations</p> <p>Explanation: For nearly a year DOHMH inspectors have been dedicated to COVID response. Currently DOHMH has nearly no staff to inspect for rats and other pests. Reports made to the District Office of rat infestations have risen. If DOHMH inspectors are not rededicated to rat and pest inspections during Fiscal Year 2022 then additional funds need to be dedicated to hire pest management inspectors.</p> <p>Responsible Agency: Department of Health and Mental Hygiene</p>	<p>The agency will try to accommodate this issue within existing resources.</p>
54	304202354E	<p>Request: Other programs to address public health issues requests</p> <p>Explanation: Increase funding to increase pollution monitors in CD4. According to the New York City Department of Health and Mental Hygiene, this community suffers the third highest levels of air pollution in the five boroughs. Air pollution increases incidents of chronic lung disease. Given the proximity of the Chelsea and Clinton/Hells Kitchen neighborhoods to the Lincoln Tunnel and to the Port Authority Bus Terminal, MCD4 most likely is at particular risk from unhealthy air.</p> <p>Responsible Agency: Department of Health and Mental Hygiene</p>	<p>The agency will accommodate this issue within existing resources.</p>
