Statement of Public Interest:

**Kenso LLC,
776 9th Avenue, New York, NY 10019**

The issuance of an on-premises liquor license to East Village Hospitality Group LLC is in the best interest of the community for the following reasons:

The business to be licensed to be named Raku will replace Renaissance Diner at full service diner with a full liquor license. The business to be licensed will be a dessert bar and ramen restaurant. Like its predecessor, the menu and price point will appeal to a broad range of patrons, be it residents or others of different area.

Principal Huey Cheng has significant experience owning and managing in the bar and restaurant industry in New York City. Mr. Cheng is currently the owner of 6 other licensed establishments. He will oversee all onsite management staff will be primarily responsible for overseeing the day-to-day operations of the bar and restaurant personally.

The area in which the premises are located is on Ninth Avenue in Hells Kitchen a street with many mixed used buildings. This is a relatively small space with only 17 tables for dining and no standup bar since it will not be significantly changing the method of operation or increasing interior occupancy greater than what currently exists, it will not have an impact on noise or traffic in the neighborhood. Additionally, the premises are located close to several major subway lines, and the only music will be ambient background music.
