**Re: Food Affairs Inc.
DBA Spice Symphony Theatre District
317 W. 46th Street
New York, NY 10036**

PUBLIC INTEREST STATEMENT

The issuance of this license will serve the public interest for the following reasons:

- 1) This establishment will continue to provide the community with a local restaurant that will provide quality food with a warm and welcoming atmosphere with good service and an appealing and vast menu. The restaurant will feature a unique Indian & Chinese fusion cuisine. The establishment will be open for lunch and dinner providing both residents and commuting workers with a place to dine throughout the day and into the evening. This establishment will also serve the theater district.
- 2) The premises has previously been licensed with a full liquor license dating back approximately twenty years based on google records and based on New York State corporate records. The most recent prior establishment closed down. As such, this license will not be bringing a new license to the community. The prior licensee was Latto 317 LLC, DBA Scarlatto, license serial # 1305943. The restaurant at the location prior to Scarlatto was 317 Restaurant LLC, DBA Bistecca Fiorentino, license serial # 1144810. This entity was formed in New York State in 2003.
- 3) The applicant has significant experience in the food and beverage industry. Jude Rodrigues has significant experience dating back over 10 years as an owner and operator of a licensed establishment. He has two (2) current and active liquor licenses issued by the New York State Liquor Authority which we have attached. He has managed and operated all these establishments in a responsible, law-abiding and professional fashion.
- 4) The continuation of business in the midst of the aftermath of a worldwide pandemic requires courage and determination. The continuation of this business will be beneficial to the community as it will help jumpstart a stagnant economic climate, especially in the food and beverage sector. The mere existence of this restaurant during these trying economic times will provide a myriad of public benefits to the community. The prior occupant closed down and the space was vacant. A new business to this location will be significantly more valuable to the neighborhood and provide much more of a benefit to the community than a vacant space.
- 5) This establishment will provide multiple new jobs to the community. The applicant will maintain more than 15 total employees. This business will continue to provide jobs for local residents.
- 6) This establishment will provide valuable tax revenue to both New York City & New York State.
