	Reports From Elected Officials
Councilmember Gale Brewer	 My office continues to focus on illegal smoke shops, which continue to be a very big problem. A high school principal reports that vaping is becoming a very big problem in high schools, so we are investigating what we can do to help solve it. An anonymous donor is donating \$6-\$7 million to transform the playground and basketball court at Harborview Terrace. We did a graffiti survey from 55th street to 108th street and we are working with the Sanitation Dept. to get the 300+ graffitied buildings cleaned up. The issue of e-bikes is number one on my complaint list so we are tackling it in a variety of ways, including supporting legislation at both the city and state levels.
Kesha Sutton-James, Office of the Manhattan Borough President	 Today we hosted our first Immigration Workshop to help migrants learn their rights. We brought together professionals from several fields as well as immigrants from 7 or 8 countries. The program was full of important information, and it was recorded, so please look for it on our web site in about a week. We've also started providing our Community Board training webinars. We are also starting our Leadership Training Series in November, so please consider participating. We have launched a Volunteer Corp and already have about 400 volunteers signed up. If you would like to join us when we do projects in your community, please go to our web site to sign up.

	 Please get boosted for COVID, and don't forget that you can have 4 COVID tests sent to you by requesting them at covid.gov.tests.
State Senator Liz Krueger	 E-bikes and illegal mopeds are also a big issue for my office. I have passed a number of bills this year, including one that says if a bike can't be ridden in NYC due to regulations, then it can't be sold in NYC. Illegal cannabis shops are also a big issue for me. I introduced the bill that raised the penalties and made it easier to go after the illegal stores. We are also working with DA Bragg's office to go after landlords of the illegal cannabis shops.
State Senator Brad Hoylman-Sigal	 Illegal cannabis shops are also a top priority for my office. I asked the Governor why the state won't grant the City enforcement abilities. Thanks to everyone who has reached out to support Jacob Priley, my former Chief of Staff, who was critically injured last week when riding his bike. More than a thousand people have already contributed to the GoFundMe campaign. We are all pulling for Jacob! A big thank you to MCB4 for the years of hard work to ensure Bayview will be 100% affordable and supportive housing. It is going to be extraordinary and it wouldn't have happened with your support. Too often, tenants in Manhattan don't know who their landlord is, because many landlords hide their identities behind shell company LLC's. I am working with several of my colleagues to pass a bill that will require landlords to make their names available in the public domain. I am Chair of the Senate Judiciary Committee and we are focused on trying to improve Family Court, which many have described as dehumanizing. I joined Governor Hochul yesterday as she announced a new online platform to connect recently-arrived migrants with 18,000 job postings once they have their work papers.
Robin Forst, NYC Mayor's Office	 The Mayor's Office is grateful for the money and resources made available by the State to help asylum seekers, particularly those who have recently received temporary protected status from Venezuela, to get legal services and case management resources. The Mayor has created a telehealth service through NY Health & Hospitals to make abortion care available through telehealth. Patients will have the ability to consult with a medical provider to discuss their medical needs. "Text with Eric" is a new initiative to facilitate communication with the Mayor's team and city residents. You can text to 917-909-2288.

	Board Reports & Business
Adoption of Agenda and Minutes	Agenda Item 14 was tabled. The Agenda was adopted unanimously. The September Full Board Minutes were adopted unanimously.
District Manager Report	MCB4 Hybrid Meeting Policy remains in effect. The office will be creating an online form for members to request for an extraordinary circumstance and/or disability accommodation. If you have any questions about the hybrid policy please contact me directly.
	Budget Process MCB4 will be voting on our Statement of District Needs and budget requests throughout October. Please help share the board's survey. It is on our homepage.
