

REGISTER OF COMMUNITY BOARD BUDGET REQUESTS

For the Preliminary Budget Fiscal Year 2025

Manhattan 4

The City of New York
Eric Adams, Mayor

FY 2025 Preliminary Budget Register of Community Board Budget Priorities

The **Register of Community Board Budget Requests for the Preliminary Budget** reports the FY 2025 Preliminary budget status of each of the projects and programs requested by the City's 59 community boards.

The FY 2025 Register is the charter mandated product of a dynamic and cyclical budget process for the 59 community boards. The community boards consult with agencies on the capital and expense needs of the district. After consulting, each community board develops and votes separate priorities for up to 40 capital and 25 expense budget requests which the agencies review and respond to in the **Register of Community Board Requests for the Preliminary Budget** in January.

The Mayor's Office of Management and Budget (OMB) reviews these same budget requests and updates the responses for the Executive Budget, publishing them in the **Register of Community Board Requests for the Executive Budget** in April.

In May, the City Council holds public hearings on the Executive Budget. At these hearings, community boards, community groups and interested citizens may comment on the budget decisions contained in the Register.

In June, OMB publishes the **Register of Community Board Budget Requests for the Adopted Budget** which informs the boards of the final disposition of their original budget priorities. The Adopted Register contains responses that reflect the changes made to the Executive Budget by the City Council.

Capital project requests from community boards are site specific, and primarily for infrastructure or public facility improvements.

For more specific information about programs important to the community boards, refer to each agency's section in the Message of the Mayor for the Executive Capital and Expense Budgets.

Call 212-788-6129 for more information about the community board process including consultations, and the geographic versions of budget documents.

FORMAT OF THE REGISTER

The Register of Community Board Budget Requests is sorted into four versions: Community Board, Borough, Council and Agency. In all versions of the Register, each board's expense requests directly follow their capital requests. The requests are in board order.

LAYOUT OF BUDGET REQUESTS PAGES

Column 1: Priority Number

The priority assigned by a community board reflects the importance of that request as compared to its other requests. Boards may assign Continued Support (CS) to a project which received funding for construction in any year of the current Financial Plan.

Column 2: Tracking Code

The nine-digit identification number assigned to each community board budget request. Tracking codes are unique to each request and identify the borough, community district, year submitted, and request. The first digit refers to the borough, 1 = the Bronx, 2 = Brooklyn, 3 = Manhattan, 4 = Queens, and 5 = Staten Island; the second and third digits indicate the district number. The fourth through seventh digits represent the fiscal year for which the request was submitted, and the last two digits are the request number. The tenth character indicates whether it is a capital ("C") or expense ("E") budget request.

Column 3: Project Information

Request: A brief description of the project.

Explanation: Supporting information detailing the project, and its potential benefits.

Responsible Agency: The City agency which would implement the project.

Budget Line Number: The number assigned to a capital project that was previously funded or is included in any year of the current Financial Plan.

PROJECT ID: The Capital Project Information System identification number which allows projects to be entered into the City's computer tracking system. The number of the managing agency and the project identification number make up the PROJECT ID of the project.

Source of Request: Any group(s) which support the request.

Column 4: Response

The Preliminary Budget recommendation for each budget request.

Capital Budget Priorities and Requests

Priority	Tracking Code	Project Information	Agency Response
05	304202505C	<p>Request: Other capital budget request for EDC</p> <p>Explanation: The Manhattan Cruise Ship terminal is an overwhelming source of pollution. When ships are docked, their engines run to generate power and keep the lights on, emitting thousands of tons of diesel particulates into the air. A docked ship?s emission for one day equal 34,000 idling tractor trailers. Installing a socket for cruise ships to "plug-in"" to draw power from the existing power grid will dramatically reduce diesel particulate matter and improve the water quality in the Hudson River. Cruise ship fleets are already turning over and the EDC should serve that demand to upgrade the terminal and reduce the carbon footprint of the cruise ship industry.</p> <p>Responsible Agency: Economic Development Corporation</p> <p>Supported by: Council Member Erik Bottcher Economic Development Corp.</p> <p>Location Site Name: Cruise Ship Terminals</p>	EDC is currently investigating the possibility of a project at this site.

49	304202549E	<p>Request: Expand code enforcement</p> <p>Explanation: Continue to expand funding for the enforcement of the regulations on illegal hotel use. Illegal hotel use continues to exist and expand in the CD4 district. The NYS Attorney General report Airbnb in the City, found that CB4 is one most trafficked neighborhoods for illegal hotel use, and of the three community districts that collectively account for 41% of Airbnbs revenue in NYC. Illegal hotel use depletes our affordable housing stock, incentives tenant harassment and creates quality of life issues for existing tenants. Increase OSE resources including lawyers, investigators and inspectors dedicated to bringing litigation against illegal hotel use, particularly in the most problematic districts.</p> <p>Responsible Agency: Department of Buildings</p>	<p>For information regarding the status of this request, please contact the Mayor's Office of Special Enforcement.</p>

This would reduce the number of precincts from presently 4 to 2 . Resources would be reallocated between precincts. As the population has grown by 17% and residential areas now extend to Hudson Yards and to 11th Avenue, the remaining precincts boundaries and resources should be readjusted to serve the new population to the West in a cohesive manner for the residents.</p> <p>Responsible Agency: Police Department</p>	<p>This request is not recommended for funding.</p>

55	304202555E	<p>Request: Conduct traffic or parking studies</p> <p>Explanation: Study the location and construction of a tour and charter Bus Garage. In the Hudson Yards rezoning in 2005, the city identified the need for a garage to accommodate additional off-street parking sites for tourist and commuter buses and vans, services, and waiting "black cars".
