	Reports From Elected Officials
Manhattan Borough President Mark Levine, presented by Yiyi Wang	 happy to report that we had a vote at our Borough Board meeting earlier this month on the City of Yes Text Amendment and it passed. The BP also issued his own recommendations on ways to strengthen supportive housing in the COY. Several upcoming special events: after-hour tour of the Whitney Museum on July 25; NYCHA Connect Series, starting on July 29; and a Dominican Heritage Event on Aug. 1
US Congressman Jerrold Nadler, presented by Hannah Wienerman	 Earlier this week, Congress passed the Water Resources Development Act of 2024, which includes Congressman Nadler's request to authorize \$60 million to the Army Corps of Engineers to work with the city of New York in upgrading Manhattan's environmental infrastructure. Earlier this month, Congressman Nadler joined his New York and New Jersey colleagues in announcing \$6.88 billion dollar in federal DOT funding to jump start the construction of the Gateway Tunnel. And because it wasn't our turn to address you last month, I just want to reiterate Congressman Nadler's strong disappointment in Governor

	Hochul's announcement to delay the implementation of congestion pricing which we need now more than ever to reduce paralyzing vehicle traffic, improve air quality, and raise desperately needed capital funds to enhance the public transit system that millions depend on. He also delivered a statement in support of congestion pricing at June's MTA Board Meeting.
New York State Representative Tony Simone, presented by Matt Tighe	 Representative Simone appreciates all of the well wishes after his ruptured appendix was removed yesterday. The Representative recently introduced A1660, which will increase the penalties for reckless driving that results in the injury or death of a pet. It also increases the fines for leaving the scene of an injury to an animal without reporting it.
	• School supply donations can be dropped off at our office until Aug. 20.
NYC Mayor Eric Adams, presented by Robin Forst	 Operation Padlock has successfully launched, which allows the sheriff's office to padlock illegal cannabis shops. To date, there have been 639 shops that are padlocked with 32,000 plus counts violations, and the amount of drugs seized, is \$51 million. There's a lot more to do, but it's a great start. Our office is very focused on the safe storage and use of e-bikes. For example, the DOT is going to launch the nation's first municipal trade-in pilot program for unsafe e-bikes and other powered mobility devices allowing eligible food delivery workers to replace their unsafe devices with safe and legal bikes.
NYC Councilmember Erik Bottcher, presented by Jordan Feiner	 We need more assistance from the City to address mental health crises of homeless residents in our District. We also have legislation that would place more social workers in our police precincts. We are more than halfway to our goal of planting 1,000 trees in Council District 3 – we have already planted 504 trees. Huge thanks to the Parks Department!
