**PUBLIC INTEREST STATEMENT**

The issuance of this license will serve the public interest for the following reasons:

- 1) This establishment will continue to provide the community with a restaurant that will provide quality food with a warm and welcoming atmosphere with excellent service and an appealing ambiance.
- 2) The premises was previously licensed with a full liquor license since 2015 to date. As such, this license will not be bringing a new license to the community. The prior entity name was Silom Thai Inc., DBA Thai Sliders, serial # 1291524. The prior business was owned by the applicant's father, Wau Ying Lau, and has been well received and respected in the community and operated in a professional and responsible fashion. The applicant will continue the operation of the business with a new name and a new concept while her father moves towards retirement.
- 3) The applicant has extensive experience assisting the family in the food and beverage industry as the family has owned and operated multiple restaurants with liquor licenses. She has recently managed and operated the family business Baby's Bun & Buckets, Inc. A restaurant located in the DeKalb Market Hall in Brooklyn.
- 4) The continuation of the family business in the aftermath of a worldwide pandemic which greatly impacted the food & beverage sector requires courage and determination. The continuation of this business will be beneficial to the community as it will help a stagnant economic climate in Manhattan, which was decimated by the pandemic and had finally started to recover. The mere existence of this restaurant during these trying economic times will provide a myriad of public benefits to continuity in the community.
- 5) This establishment will continue to provide jobs to the community. The applicant will maintain upwards to 8 total employees. She anticipates that this number will increase as the new business grows. This will continue to provide jobs for local residents in the community.
- 6) This establishment will provide valuable tax revenue to both New York City & New York State.
