Alcohol Security Plan

- How will you ensure no underage or intoxicated individuals are served?

Security will check customer ID's entering during peak business hours and special events. Security will alert Management and staff about patrons entering who under the age of 21. Management, bartenders and servers will monitor underage patrons to ensure zero alcohol consumption and will alert security immediately about any issues. During shifts without security, bartenders and servers will check ID's before serving alcohol to patrons. Management will oversee. Staff members will be TIPS certified with reinforcement of Olde City alcoholic serving procedures during staff training.

- What procedures will be taken if someone is over served?

In the unlikely event that a patron is overserved, staff will alert Management immediately. Patron will be cut off from further alcohol consumption and be provided with water and a light snack when appropriate. If the intoxicated patron does not have a friend to accompany his / her exit, we will assist in hailing a cab or car service.

- Will any trainings be required of employees?

All bartenders, servers and management will be TIPS certified.
