Sidewalk Cafe Setup Feedback:

☐ Community Board chooses to **WAIVE** review

Comments related to the cafe's **physical footprint and dimensions**:

On the 9th Avenue side of the sidewalk cafe, there is presently an ADA ramp in the space where the proposed site plan places 2 tables with 4 seats each. The applicant agrees that these tables/seats cannot be placed on the 9th Avenue side of the cafe so long as the ADA ramp remains in this position. The applicant has prepared the attached revised site plan circling in red the tables/seats at issue. Should the applicant relocate the ADA ramp to clear this space, MCB4 has no objection to these 4 tables with 2 seats each.

Comments related to **pedestrian flow** (i.e., visibility, safety, potential crowding):

Comments related to potential conflicts with **existing curb use** (i.e., planters, bike racks, bus stops):

Please check one of the recommendations below, either **approval**, **denial**, or **approval with modifications** relating to the above application:
