500-Foot Public Interest Statement

**Applicant for Catering Establishment License
Restaurant Associates, LLC
66 Hudson Blvd., 29th Floor
New York, NY 10001**

The proposed premises for the applicant is within 500-feet of three or more establishments selling liquor for on-premises consumption. This statement provides reasons in support of granting the license.

- A. The premises will be operated as a catering establishment within the 29th floor of an office building to provide food and beverage service for private, catered events for HSBC.
- C. The premises' clientele will derive from HSBC employees and other invited guests.
- D. As there will not be entertainment other than background music, the noise level will not increase at the location. There will be no live music or dancing.
- F. The granting of this liquor license will have no negative impact in the neighborhood. The premises already exists and has frequent catered events with and without alcohol. As the number of events with alcohol has increased and catering permits are no longer appropriate, the applicant wishes to obtain a permanent Catering Establishment License for the space.

For these and other reasons, we believe an Catering Establishment Liquor license for this premises would be in the public interest and should be granted. In accordance with the Authority's guidelines, we reserve the right to furnish additional written testimony regarding this matter.
