Dear Ms. Gotay and Chairman Rosen:

Manhattan Community Board 4 recommends approval of an application for an unenclosed sidewalk café, with four tables seating eight people, submitted by the above referenced applicant. This approval is also to amend the establishment’s liquor license to include the sidewalk café.

We continue to request that the outer boundaries of cafes be marked on the sidewalk. The café permit must be posted in a visually accessible location, as required by the Department of Consumer Affairs’ sidewalk café regulations.

This was subsequent to a review of the site by the Business License & Permits Committee and an appearance before the Committee by the applicant or a spokesperson for the applicant. No one appeared in opposition to this application.

Sincerely,

John Weis  
Chair  
Manhattan Community  
Board 4
