Re: Application by JCC Ventures, d/b/a The Lobby, for On Premises Liquor License at 330 W. 38th St.

Dear Commissioner Kelly:

Manhattan Community Board No. 4 cannot approve the referenced application because the applicant failed to provide this Board's Business Licenses & Permits Committee with sufficient information as requested in writing. The request was made in order to enable the Committee to discuss the plans and fully understand the applicant's intentions regarding the proposed establishment.

The architectural plans were not provided to the Committee and, as a result, the Committee was unable to make an informed decision on the application.

Without sufficient information to determine the merits of this liquor license application, Manhattan Community Board No. 4 must deny approval to the applicant.

Sincerely,

Simone Sindin
Chair
Manhattan Community Board No. 4
