Applicant: West 44th Street Better Block Association
Location: West 44th Street between Ninth and Tenth Avenues
Date: Saturday, June 3, 2006

Dear Ms. Duran:

At its January 18, 2006 meeting, the Transportation Planning Committee of Manhattan Community Board No. 4 reviewed the above Street Activity Permit application. In a departure from previous years, the Block Association will use an amplified public address system for approximately one hour for speaking purposes to commemorate the thirtieth anniversary of the street fair. No objections were raised at the meeting. The Committee voted unanimously to recommend approval of this application.

The full Board voted to approve this recommendation on February 1, 2006.

Sincerely,

J. Lee Compton
