Re: Renewal Street Activity Permit Application #M4-017

Applicant: Asociación Tepeyac de NY
Location: West 14th Street between Eighth and Ninth Avenues
Date: Sunday, July 30, 2006
Time: 10:00am to 7:00pm

Dear Ms. Duran:

At its February 15, 2006 meeting, the Transportation Planning Committee of Manhattan Community Board No. 4 reviewed the above street activity permit application. The Committee acknowledges the concerns of the West 15th Street Block Associations that this street fair will cause 14th Street buses to be rerouted. We have asked the applicant to communicate with the MTA, the Board office, and the block associations in order to identify an appropriate rerouting procedure. Furthermore, the applicant is responsible for notifying residents of the change in bus routes at least two weeks in advance. The Committee voted unanimously to recommend approval of this permit.

The full Board voted to recommend approval of this permit on March 1, 2006.

Sincerely,

J. Lee Compton
