Re: Support for installation of speed hump on West 17th Street, between Ninth and Tenth Avenues

Dear Borough Commissioner:

As per your request, Manhattan Community Board 4 (CB4) has reviewed the proposed installation of a speed hump on West 17th Street between Ninth and Tenth Avenues. This is to inform you we recommend installation of this speed hump at this location.

We refer to our letter October 23, 2007 regarding the tragic death of an eight year old boy who was struck by a moving vehicle on West 17th Street between Ninth and Tenth Avenues on Friday October 5, 2007. In this letter we request the expedited installation of speed humps on West 17th Street, between Ninth and Tenth Avenues.

We thank you for your help in making our neighborhood a safer place.

Sincerely,

Jean-Daniel Noland
Chair
Manhattan
Community Board 4
