**Re: Request to change parking regulations West 19th Street,
between Sixth and Seventh Avenues**

Dear Borough Commissioner Forgiome,

Manhattan Community Board 4 requests that additional parking regulations on the south side of West 19th Street between Sixth Avenue and Seventh Avenue be added to include "No Standing 11 p.m. to 6 a.m. except Trucks Loading and Unloading" for the approximately one third of the block from the curb cut for the loading area of the Metropolitan Pavilion to the East Side of Sixth Avenue and "No Standing 11pm to 6am" to the west of that curb cut. The existing regulations for "No standing Except Trucks Loading and Unloading 6 a.m. to 11 p.m." would also remain.

This change in parking regulations would make this part of the block consistent with the north side of West 19th Street between Sixth and Seventh Avenue and for West 19th between Fifth Avenues and Sixth Avenues. It is being done at the request of the Chelsea House Condominium Association (130 West 19th Street). The businesses on the block were surveyed and supported the proposal (permitting Trucks Loading and Unloading area east of the Metropolitan Pavilion curb cut was done at the request of the Metropolitan Pavilion to accommodate businesses in that building).

Notices were we put in the lobbies of two other residential buildings on the block and no objections or comments were received.

Sincerely,

Jean-Daniel Noland
