Re Intercity Bus Stop moving to West 34th Street (11/12 Avenues)

Dear Commissioner Sanchez,

At this time Manhattan Community Board 4 (MCB4) requests an additional 45 days to meet the applicant and Department of Transportation to evaluate the request to relocate their operation to the north side of 34th Street between 11th and 12th Avenues, from their current location on the north side of 33rd Street between 11th and 12th Avenues. As Hudson Yards construction continues to rapidly expand westward, we understand that the 33rd Street location will soon be unfeasible for a temporary time.

Members of the Executive Committee and the Jacob Javits Center have expressed significant concerns about the busy nature of the proposed location. In addition, a site visit with the operation and NYC Department of Transportation scheduled on Thursday, February 9th, was cancelled due to significant anticipated snow accumulations. For these reasons MCB4 asks for an additional 45 days to work with the stakeholders and visit the proposed and alternate locations.

As of the date of this letter the applicant to agreed to continue to work with MCB4 and reschedule the site visit in early April.

Thank you for your attention to this issue.

Sincerely

Delores Rubin
Chair
Manhattan Community Board 4
