RE: 35 a Wang Chen Ho y n

¹ Any Manhattan Community Board 4 (MCB4) recommendation on an application for a liquor license, whether for or against, should not be construed as an endorsement of, or precedent for, any group use that is not consistent with Board's preferred zoning. For example, 1). MCB4 supports R8, R8A and R9 zoning, and the underlining group uses associated with those zones, in the area bounded by Eleventh and Twelfth Avenues, and West 43rd and West 55th Streets. 2). MCB4 supports a text amendment to the Special Clinton District, Preservation Area, that limits group use for any vacant ground floor to Use Group 6.
