Public Session	
Mary McGee	Ms. McGee is a resident of the Fulton Houses in Chelsea. She is opposed to the proposed development plan for the complex and believes that the existing buildings are structurally sound and merely need funding for repairs.
Jaqueline Lara	Ms. Lara is also a resident of the Fulton Houses and, having been relocated there out of a homeless shelter, is upset to learn that her apartment might be demolished. She, too, opposes the City’s proposed development plan.
George Weaver	Mr. Weaver, also a Fulton Houses resident, expressed his disappointment with Speaker Johnson, believing that he should be doing more to protect the interests of the residents at his complex.
Marni Halasa	Ms. Halasa is the founder of a group known as Fight for NYCHA that advocates on behalf of all NYCHA residents. She asked the Board to support its resolution for the imposition of a 1% tax on all corporations with more than a thousand employees in the City so that the revenue it generates can be used to fund NYCHA. She stated that Fulton Houses needs only \$168 million, which represents a mere two-tenths of one percent of the annual City budget, and the City should find a way to allocate it to the Fulton Houses. She also stated that the residents of Fulton Houses have formed an independent tenant’s

	association that is separate from the one headed by Miguel Acevedo because of their belief that he is not adequately representing them. The new group held a rally in front of City Hall and had a press conference before the latest community meeting on Tuesday. They are seeking CB4's support.
Paul Gronki	Mr. Gronki is the president of the West 16th Street Block Association. He spoke about the 14th Street bus plan, noting that the bus stop a Fifth Avenue should be re-instated as its absence presents a real hardship to the elderly. On a separate note he stated that Chelsea does not need any more market-rate housing.
Lisa Wager	As the Director of Government and Community Relations at the Fashion Institute of Technology, Ms. Wager reviewed current news and upcoming events at FIT: <ul style="list-style-type: none"> • Welcome to Roberto Bobby Rabina, who recently joined FIT's Office of Government Community Relations. • Bachelor of Science and Technical Design FIT student created a high-tech fashion forward wet suit. • Only Manhattan vodka distillery is in nearby CB5 owned by FIT graduate.

Those centers are all located in Upper Manhattan. They sent a letter to the Mayor urging him to keep these centers open. • There was a hearing held on June 4th at the Landmarks Preservation Commission on six LGBT sites, five of which are in Manhattan.
